## Message from the Shire President

July 2016

The Coolgardie Post Office Complex restoration project is progressing well, with the roof replacement installed on the Sergeants Quarters, new guttering, downpipes and drainage in place. The Shire has received some good news, with the approval of funding from the GEDC to developed a business case for phase three of the funding application from the Goldfields Revitalisation R4R funding round, which will hopefully put us in a good position to be allocated further funding for the completion of this project.

The Shire has extended an invitation to David Tomasi and When Chai from our Auditors, Moore-Stephens to attend the Audit Committee meeting in August to address Council with regards to current Auditing practice, and also what will be required from the Shire in regard to improving procedures to reduce our Financial Ratios to the levels expected from the Department of Local Government in the future.

Sue and staff along with James Trail, are working extremely hard to produce a working Budget document for the 2016-17 financial year to be presented to the Audit and Finance Committee in early August, which if approved will then go before a Special Meeting of Council for adoption.

The Goldfields Employment Training group are currently working in partnership with VTEC, Carey Training and Focus Minerals in Coolgardie to run a 12 week Certificate III, training course in Civil Construction and Plant Operations at Focus Three Mile Hill plant. The 16 participants are gaining real life mining exposure, which will put them in good stead for future opportunities for employment in the mining or construction industry in the future.

## Shire of Coalgardie

### From the desk of the CEO

Greetings to all

The Shire of Coalgardie has over the last five years, being working on a drainage mitigation project in the Kambalda West Town site. The project has required hand construction of a number of gabion rock structures that will in effect slow down natural water flows passing through the area. The design does not stop water passing through, but slows the volume of water over time to spread the volume of flow over a longer period.

The design phase was undertaken in the 2011/2012 period, with physical construction calculated to take 5 years, into the 2016/2017 financial period. Building the walls is a labour intensive process, requiring hand placement of stone into the wire cages. Mechanical dumping of rock into the cages causes bulge in the cage which will result in failure in the wall.

Thanks to a really innovative idea by the team, a removable aluminium box was designed to place the wire mesh cage inside of, and then the box could be mechanically filled with stone. The aluminium box is then removed by lifting with the loader off the cage. This significantly decreased the construction time on each cage, and as a result, this fantastic idea resulted in this back breaking project being completed 12 months ahead of schedule.

Having seen these types of construction before, I have never seen the box used for the laying of the cage. I believe we now have the opportunity to name the product, the 'Coalgardie Box', which we can proudly hold in esteem next to the 'Coalgardie Cooler'.

Structural repair work is also continuing on the Coalgardie Post Office complex, with the stone masons progressing stone replacement at the rear of the building. Having looked at the preliminary work on the side of the Sergeants Quarters, I must admit to being a little concerned, but after seeing the outstanding result at the rear of the building, I am quite confident that the completed works will fit the building very well. This is a heritage listed building, and as such, the works being conducted are compliant and be in keeping with the structure of the building. I would like to extend my thanks to Mrs Jill O'Brien, the Shire of Coalgardie Manager of Recreation and Regulatory Services for managing the contract process, which has seen this project move forward.

The Shire has also been very fortunate in being invited to the second round of submissions for the Post Office Complex. We have been funded through the GEDC for business plan on proposed works, which will need to be completed prior to consideration of funding. I very much hope for success in this project, as the building is of great importance to not only our town and Shire, but also to our region. The Shire administrations also applied for funding to the Coalgardie main street project, and Kambalda streetscape development plan, but in this instance were unsuccessful in making progress in this round. We will try again!

Warmest regards to all.

Paul Webb  
Chief Executive Officer

## Shire of Coolgardie Feral Pigeon Cull

The shire of Coolgardie will be conducting a controlled pigeon cull in our public Heritage buildings (Coolgardie).

The presence of pigeons can result in a range of problems within these buildings.

These can include:

- Attracting ticks, cockroaches and rats.
- Damage to buildings and monuments due to the highly corrosive nature of acid in pigeon droppings.
- Damage to properties by pigeons roosting/breeding in roof spaces rolled steel joists and inside factory units.
- Debris from roosting flocks building up, causing gutters and drains to block damage to roofs and other structures and creating potential fire hazards.
- Extensive damage to air-conditioning units and other roof top machinery.
- Hygiene concerns due to pigeon droppings in/on industrial commercial and domestic buildings.
- Providing a vector for the introduction of weeds and disease.
- Escalating costs through public liability insurance from slipping on dropping build up.

If you breed pigeons and they are homing pigeons, please contact the Shire and we will advise you of the dates this programme will be running.

If you would like further information please contact the Manager Community Services, Sandra Donkin on 0429 088 645

## Shire of Coolgardie Notification of Jetty removal

## AUGUST SQUASH NEWS

The **2016 Autumn Pennant** season drew to a close with the playing of the Grand finals on Friday night July 1<sup>st</sup>. Teams **ATKINSONS** and **CROSSLEYS** were eliminated in the preceding two Finals nights. Unfortunately the finals didn't pan out to be as close as in previous encounters between these teams, but none the less, some great squash was witnessed by the gallery of spectators. Reece Piggott reserved his seasons best squash for the finals campaign by defeating his father Kane, not once, but twice – winning in 4 games both times. Martika continued to have the “wood” over Chris in another hard fought match, especially after she had just come from competing in netball in Kalgoorlie before hand. Sean and Kayla showed no mercy over their opponents Peter and Cheresse. In the Plate final, Felicity caused an upset by defeating her more fancied opponent, Calinda. After a great breakout season, Caleb finished off in fine form by defeating two opponents in Dean and Wayne in straight games while Montana defeated Stef in a hard fought match after losing to him at their last meeting in the regular season. As usual, the finals were followed by award presentations, plenty of food and refreshments and plenty of discussion on the season gone. A big thank you to the few that assisted in organising the finals and cooking of the food.

The Club held a fund raiser at the basketball match between the Goldfields Giants and Lakeside Lightning. A few of our very talented ladies made batches of soup to sell, which on a cold night proved quite popular.

To celebrate the 50<sup>th</sup> anniversary of Kambalda the children from Year 9/10 at West Kambalda School designed and painted a mural on the banister at court #1. What a fantastic colourful and masterful job they have done. A very big THANK YOU.

## Coolgardie Social Agility

The CSA had another day on Sunday 17<sup>th</sup> July, and what an awesome day it was with beautiful weather to start the day, and a great turn out of members and their horses & ponies.

With a variety of new obstacles to learn and have fun with plus a few of the old obstacles everyone did a very good job of getting around the 2 courses that were offered on the day.

The day also saw a couple of new people give it a go and have a really good time with their horses. A total of 15 horses\ponies and handlers go through for the day. The day was finished off with a BBQ lunch. Thank you very much Kylie for cooking.

Our next event will be Sunday 7<sup>th</sup> August 10.00am

Results from the weekend are:

## **GIANTS V. LIGHTNING BASKETBALL COVERAGE**

Our dedicated volunteers Daniel & Ruben were in attendance at the Kambalda Community Recreation Centre on July 2 for the Goldfields Giants vs. Lakeside Lightning basketball game. We are happy to report that there were no injuries on the evening, and extend our gratitude the Shire of Coolgardie for supporting our Sub Centre by having standby officers to provide coverage to the game.

## **FIRST AID KITS**

In addition to providing first aid training, and the local volunteer ambulance service, our Sub Centre stocks and supplies first aid kits.

By purchasing a kit from us directly, you are helping to support our local Sub Centre.

Prices start from just \$20.50 for a standard kit.

## **HAVE YOU CONSIDERED VOLUNTEERING?**

All St John Ambulance Sub Centres are **independently funded** and run on the **support of volunteers**.

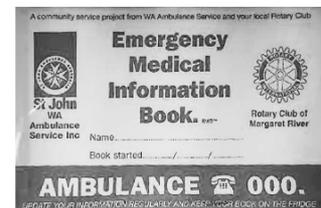

Helping our Sub Centre does not need to be as an Ambulance Officer. There are a range of non-operational roles that can assist our organisation.

**Don't be shy!** Get in touch with us on Facebook, or visit us on training nights at the Sub Centre (Mondays 7pm) for more information.

## **EMERGENCY MEDICAL INFORMATION BOOK**

These handy books hang on your fridge and assist us to help you should you require an ambulance. It contains sections that list your personal details, current medical conditions, medications. Pick one up from the Sub Centre!

## Water filtration systems

Unhappy with the quality of your tap water?  
Contact us today to discuss a water filtration system  
for your home.  
Once installed simple filter changes are all that is  
required to upkeep your system.

## Heating

Warm yourself up with our range of heating options  
Need a new heater installed? Call us now to work out your  
options.  
Already have a heater installed? A simple service and clean  
could get it working like new and prolong the life of the unit.

## Hot Water Systems

- New installations
- All servicing
- Anode changeovers
- Gas, Electric and Instantaneous

By getting a simple service or an anode changeover you can increase the life of your  
system and the quality of your hot water.

Rotting anodes can destroy an otherwise perfectly good system, changing them before this happens is  
very important and will save you the cost of replacing your system before its time.

# The Pastor's Pen with Bill Kirkland

Regarding truth one theology Professor wrote, "Truth is that which is constant and unchangeable; something on which someone can rely, which will prove to be true in the future". In other words if we hold to something as true today and it's found out to be false tomorrow then it was never truth in the first place.

Jesus made a very bold claim when He declared that He Himself was the Way, the Truth and the Life (John 14:6). Countless religious groups have claimed to be the unique custodians of the truth over the centuries. Jesus Himself confronted the religious system of the day exposing it as corrupted.

To be ignorant of the truth can certainly bring some temporary peace and pleasure. Pilate once asked the question, "What is truth?" He appeared to ask not because he wanted an answer but rather just as an excuse for not obeying truth.

Jesus spoke to a woman who had been married five times. He said to her, "But the hour is coming, and now is, when the true worshipers shall worship the Father in spirit and truth, for the Father seeks such to worship Him." John 4:24.

Many people think that Jesus was a good man with some good teachings. Unfortunately if that is all He was then He is actually a deceiver. He claimed to not only bear witness to the truth, to speak the truth, to teach the truth but to be Truth personified.

The well known Christian apologist Ravi Zacharius writes, "The fact is, the truth matters – especially when you're on the receiving end of a lie. And nowhere is this more important than in the area of faith and religion. Eternity is an awfully long time to be wrong."

### Super seniors

Seniors star in their debut drumming spectacular

The senior citizens of Kambalda braved the cold and the pre-performance jitters to showcase their new-found talent in the art of drumming. At the Kambalda Community Recreation Facility the group of eight performed a drumming routine in front of a small audience. The old saying goes that an old dog can't learn new tricks; and yet what they lacked in youthfulness they certainly made up for in enthusiasm. Enthusiasm and a lot of noise.

Every Monday 11 dedicated seniors met for a class exploring the djembe drum. They learned to hone the techniques of the rhythm as well as how to use the power of percussion to fight anxiety, depression and stress.

Through the class, run by drum facilitator Hoki Poka from Centrecare, the seniors have not only learned a new skill in drumming but have also gained confidence and friendship among themselves, proving that drumming is as much about the individual as it is about the synchronicity of the group.

On Wednesday 6 July the Kambalda Community Recreation Facility and Community Resource Centre partnered to bring the school holiday program PINGO to our children.

This low cost activity, experience and environment is designed to help develop the social, intellectual, cultural and physical abilities of each child.

Fun and laughter could be heard down the hallways of the Recreation Facility which gave us all a true indication of a good time been had by all.

For more information on upcoming activities, or if you have suggestions for future projects please contact Val on 9080 2115 or email [kambaldacrc@coolgardie.wa.gov.au](mailto:kambaldacrc@coolgardie.wa.gov.au)

## Shire of Coolgardie Coolgardie Community Resource Centre

It has been a busy month at the Coolgardie CRC and we did not let any cold weather slow us down

### **Youth School Holiday “Cartooning for Beginners with Finn Workshop”**

On Thursday 14 July, the Coolgardie CRC in conjunction with the Coolgardie Community Recreation staff ran another inspiring and fun art workshop for the Coolgardie youth with Finn from Kalgoorlie. Well done to our young artists who participated and learnt some new skills from Finn, your drawings were amazing!

### **Tuesday Morning Craft Sessions**

Our Tuesday Mornings are going well. We have been enjoying knitting, crochet, relaxation drawing, painting and colouring. Rosemarie has carried on with the hand sculptured poppies for Anzac Day 2017. A big thank you to everyone who has been dropping the plastic soft drink and water bottles off to us, they are being put to good use but we would also like a lot more 😊 – so please keep drinking and saving them. Thank you to Bob Kippin who is painting our poppies for us. Our Tuesday mornings are fun, creative, humorous and relaxing. Everyone is welcome and if you have any craft ideas or just want to come down and finish one of your own projects, we would love to see you.

### **“The Tree and I” by Gudrun Sahn, Author and Illustrator Book Morning and Morning Tea**

We were pleased to host Gudrun Sahn on Friday 29<sup>th</sup> July as part of her “The Tree and I” Australian book launch. Eugen Winter delivered an interesting speech about Gudrun and her life journey that inspired her to not only write but also to illustrate her beautiful book which was initially intended for her children and beloved family members. Thankfully for us Gudrun had it translated to English and delivered it to the Goldfields, starting with a very successful night in Kalgoorlie the week before visiting us. The morning was filled with readings from the book, song singing and the swapping of knowledge and inspiration for those that attended. Well done Gudrun, and thank you to Eugen.

### **Business Development Workshop – Social Media Marketing with Lee Jacobsen**

We will be holding a “Social Media Marketing” workshop evening with Lee Jacobsen from Business Local Kalgoorlie on Thursday 25 August at 5.30pm. This workshop is a follow on one about putting what we learnt previously into action and really using social media to get our businesses and groups out there and on the map. All of the local businesses and community groups are welcome to attend, they are fun, educational, motivating and a great networking evening in Coolgardie.

### **Children’s Book Week Author Sara Whincup – “The St John’s Cross Spider”**

On Tuesday 16<sup>th</sup> August at 10.30am we will be hosting Sara Whincup to talk to us about her children’s book that she wrote named “The St John’s Cross Spider”. Sara and her baby’s real life experience of befriending a spider while they lived in a rainforest in Far North Queensland inspired her to write this fictional book that highlights nature and the cycle of life. It will be a fun morning of story, craft and morning tea and we promise you no live scary spiders will be present!

If you would like further information on upcoming activities, please see the Community Resource Centre Calendar on opposite page or if you have suggestions for future projects Please contact: Leanne on 9025 0301 or email: [coolcrc@coolgardie.wa.gov.au](mailto:coolcrc@coolgardie.wa.gov.au)
