Coolgardie Dawn Service

Approximately 180 people of all ages gathered for the 6.00am dawn service at the Returned Service League Memorial Garden.

The dark Coolgardie morning was awoken to the sound of the haunting music of the Last Post played by Charlie Cassis from Kalgoorlie. The commemorative speech honoring our soldiers and "In Flanders Fields" poem by Major John McRae was spoken by Willy Corcoran, who also played the bag pipes.

Jeremias Wade, Caleb Javapro and Jordan Essau were our Air Cadets who lowered the flags as the crowd silently laid the wreaths at the memorial, Mr Corcoran commented that "it was especially moving to see the young children who participated".

Robin Wade addressed the crowd acknowledging and thanking the Papua New Guinea Soldiers for their roles during the second world war and presented the Papua New Guinea Flag to Robert Javapro from the RSL Coolgardie Sub Branch.

The Sunrise completed the service with a stunning display of mauves, gold and orange sending threads of sunlight across the colours and textures of the wreaths and poppies that filled the Memorial and its gardens.

Kambalda Dawn Service

The service got under way at 05:50am with a parade of uniformed Returned Servicemen, Volunteer Fire and Rescue members, St Johns and Police officers. The RSL President gave an address which embraced the reasons and values of ANZAC Day. This was followed by wreath laying and then into the all important flag ceremony which was done by the St. John's members who did a great job.

Tanya Fyfe was really good on her trumpet, bringing that sound of reality to the service with the Last Post and Reveille. The Dawn Service concluded with everybody moving over to the club for a Gunfire Breakfast and a very welcomed optional cup of 'spiced' coffee or tea.

The service was extremely well supported by approximately 300 community members of Kambalda, it was a wonderful effort, particularly from the mining companies who brought their workers in by bus. Thank you to those companies.

NOTICE OF ANNUAL ELECTORS MEETINGS

Notice is hereby given of the Shire of Coolgardie's intention to hold the Annual General Meeting to consider the Annual Report for the year ended 30 June 2015, and other matters as presented.

Shire of Coolgardie's Annual Report for the year ended 30 June 2015, will be available for review from 9 May 2016 at the Shire Offices and on Council website – www.coolgardie.wa.gov.au

Shire of Coolgardie

- Administration Centre, Irish Mulga Drive, Kambalda
- Library, Sylvester Street, Coolgardie

Meeting as Follows:

Tuesday, 17 May 2016
Kambalda Community Recreation Facility
Commencing at 6.00pm

If you require transport to Kambalda for the meeting please contact Elly McKay at the Shire administration on 9080 2111 by 4.00pm 9 May 2016. If you are unable to attend the meeting but want to make a submission please submit them in writing no later than 2.00pm, 17 May 2016.

Further information may be obtained from Mr Paul Webb, Chief Executive Officer on 9080 2111.

Paul Webb
Chief Executive Officer

Shire of Coalgardie

From the desk of the CEO

Greetings to all,

The Shire of Coalgardie has recently been working on the review of the community Strategic plan. I thank those of the community that attended the meeting for input into this document that assists both the Council and the administration on how the community wishes to move forward over the next few years. I also thank our residents for the supportive way in which they approached this program. It has been a pleasure to work with my Council since 2011, and working toward the goals of that original plan.

We have managed to chew through a significant backlog of projects to get us where we are. Every year we work away at a few more projects, and every year our towns look a little better. Next financial year we will see completion of the Kambalda gabion walls. Not really in the public eye, this very important project has, and will assist in reduction of water flows through Kambalda town site up to a 1:100 year event.

Council have invested in this project for a number of years, and we look forward to hitting our completion target.

The Federal Government has also increased funding into the Roads to Recovery (R2R) program, which Council have put into the reseal program. For unknown reasons, our road reseal program had fallen off the radar many years ago, leaving the community with an extremely deteriorated asset. The additional injection of funds into this program will certainly assist in rationalising our asset gap in this area.

Administration is currently working on seeking funding for a number of strategic projects, being the Coalgardie Main street project, Kambalda Street Development Plan, and the Coalgardie Post Office complex.

Staff were seeking community input for these projects on the weekend of the 23 April, at the front of Moran's Store in Coalgardie (thankyou Patsy) and at Woolies in Kambalda (thankyou Mr Hooper).

Warmest regards to all,

Paul Webb
Chief Executive Officer

Shire of Coolgardie Cat Education Evening

On Wednesday 6 April 2016, the Shire of Coolgardie held a Cat Education evening in the Kambalda Community Recreation Facility.

Guest speaker Ranger Co-ordinator for the Kalgoorlie – Boulder Shire Mr Geoff Copley, came along to the evening and spoke about 'why cats should be micro-chipped, sterilised and registered under the Cat Act.

With good support from the community on the night the feed back received was very positive.

Special thank you to Geoff Copley and the community for making the Cat Education evening a success.

For more information on Cats please phone your local Ranger, Kevin Caldwell on 0407 479 035 or call in to the Kambalda or Coolgardie Public library for pamphlets and brochures.

Coolgardie Main Parade

After the service everyone was welcomed at a beautifully cooked breakfast, prepared by the RSL Committee ladies and friends. The breakfast was not complete without a cup of the Tea or Coffee with the appropriate additive. A big thank you to our cooks and bar staff, we really appreciated your involvement.

Additionally a big thank you to the uniformed Police, Fire Brigade and St Johns Ambulance for attending as well as to all of the community members.

This day would not have been possible without the support of Moran's IGA, two generous community members, the RSL Committee, partners and friends, Robin Wade, the Air Cadets and the Bugle Player from Kalgoorlie

We would also like to acknowledge the Anzac displays that were done in Coolgardie -The Billy Can Store, Moran's IGA, The GETS Building, The Coolgardie Community Men's Shed and also to the Coolgardie Community Resource Centre Craft ladies who decorated the RSL both inside and out. Well done.

Kambalda 11.00am Parade

The parade was led from the Old Fire Station to the Cenotaph by a police car and followed by Stef Karafilis's old army jeep. Godfrey Patten was bearing the flag and leading the returned servicemen, Volunteer Fire and Rescue members, St John and Police members and 4 members on horseback from the Kambalda Horse Riding Association.

The ceremony was conducted to the 180 public attendees and included hymns by the ladies from the local AOG church and Pastor Peter Young gave prayers. The flag ceremony was conducted and finished with the New Zealand and Australian national anthems.

The event concluded with the ladies singing the song Great South Land and the uniform parade then marched out from the cenotaph and District Officer (DFES) Craig Goodhill took the final salute.

We then dismissed and retired to the Kambalda Club where the traditional game of 2 UP was played (responsibly, thank you John Kempton). Thank you to everyone who attended the services.

Prayers - Pastor Peter Young

YOUR MOMENT TO MAKE A DIFFERENCE

Census recruiting in your community!

Up to 2,300 Census Field Officers needed across Western Australia

Make a difference in your community and join Australia's largest logistical peacetime operation—the 2016 Census of Population and Housing.

This year's Census is on August 9, and the Australian Bureau of Statistics (ABS) is looking for dedicated, enthusiastic self-starters to fill more than 2,300 Field Officer positions across Western Australia. If you're tech-savvy, know your community well and are eager to make a difference, the ABS wants to hear from you.

Working on the Census is a great way to contribute to your community. The data you help collect provides an important statistical snapshot of Australia. It supports planning, policy and funding decisions for a range of local services and infrastructure—from housing and transport to health and education.

A few things have changed since the last Census. In 2016, most households will receive a letter giving them a unique login number and instructions on how to complete the Census online. Approximately 65 per cent of households are expected to complete the Census online however paper forms will still be available for households who need them.

Field Officers play a critical role by visiting households, encouraging online participation and ensuring everyone makes the count. And as a Field Officer, you'll earn around \$21 per hour, receive motor vehicle allowances and enjoy flexible working hours. You will also be responsible for daily administrative tasks and the security of Census materials.

You'll need to be a good communicator, reasonably fit, licensed to drive and willing to travel and work independently. Field Officers will also need to have access to home computer and internet.

The positions are part-time and most of the work will be conducted during August and September. People from diverse backgrounds are encouraged to apply.

For more information or to apply, go to www.abs.gov.au/careers. You can also follow the Census on [Facebook](#) and [Twitter](#).

Applications open on Monday, 2 May.

OUR MOMENT TO MAKE A DIFFERENCE

Shine a Light on Road Safety

Road Trauma Support WA is joining with the Road Safety Commission to **Shine a Light on Road Safety** in 2016 to highlight the devastating impact of road trauma on thousands of Australians each year.

The campaign will be run during Yellow Ribbon National Road Safety Week which runs from 2-8 May 2016 across the country.

The Shine a Light on Road Safety campaign originated in Victoria in 2013 and spread throughout the rest of Australia for the first time last year.

It's a timely reminder given the recent horrific road crash statistics that WA has recorded already for 2016.

The Road Safety Commission's [report](#) for the first quarter of 2016 revealed that 52 people died on our roads between January 1 and March 31st – with young males, those in country areas and motorcycle riders over represented in the crash data.

Road Trauma Support is asking all motorists to **Shine a Light on Road Safety** by switching on their headlights on Friday May 6th to raise awareness about road safety and to share the hashtag #shinealightonroadsafety.

Road Trauma Support WA is also working alongside the SARA group (Safer Australian Roads and Highways) to raise awareness of Yellow Ribbon Road Safety Week by illuminating notable Australian landmarks across the country.

Perth will join other State capitals by illuminating iconic city buildings during the week, with Perth's Council House and The Bell Tower to be lit up and for the first time Elizabeth Quay will be illuminated in yellow on May 2 and 3 to help Shine a Light on Road Safety in 2016.

Road Trauma Support WA's Patron and the director of the WA State Trauma Unit at Royal Perth Hospital, Dr Sudhakar Rao has thrown his support behind the campaign as it works to try to effect positive behavioural changes on our roads.

"I personally treat the physical devastation that road trauma wreaks on far too many people in our community. "If we can all Shine a Light on Road Safety I know that together we can all make a difference," Dr Rao said. Shine a Light on Road Safety is a national campaign to raise awareness about road safety, to try and stop deaths and injuries on our roads and to highlight the effects on the thousands in our community affected by road trauma each year.

"Sadly issues surrounding road safety and its impact are more timely than ever given the Road Safety Commission's first report for 2016 which shows that already 52 people have died unnecessarily on our roads," according to Injury Control Council of WA Chief Executive Venessa Wells.

From P8

“Unfortunately our staff at Road Trauma Support WA see first-hand how devastating and far-reaching the impacts of road trauma can be which makes campaigns like Shine a Light on Road Safety all the more relevant.”

One of the key messages for Shine a Light on Road Safety 2016 is to #stopdrivingblind and we are asking as many West Australians as possible to share the hashtag across various social media channels.

We need help raising awareness about the Shine a Light on Road Safety campaign and Road Trauma Support WA and the work we do in the West Australian community.

Road Trauma Support WA is a free service offering support to all West Australians directly or indirectly affected by road trauma.

There are still many West Australians out there who don't know we exist and it is important for more people to know that we are out there and that they have support if and when they need it.

Please join us and turn on your headlights on Friday May 6 and #shinealightonroadsafety#rtswa#stopdrivingblind.

Voucher Incentive for Kambalda Women

Did you know that 4 out of 5 women who develop cervical cancer have either never had a pap smear or do not have them regularly?

As part of the 2016 Goldfields WA Cervical Cancer Prevention Program, Kambalda Family Practice is encouraging women to come in and make an appointment for a Pap smear.

Elizabeth Leroy, Community Nurse Manager said “Until June 24th, we have a limited number of \$30 Woolworth’s vouchers to give to women who have not had a pap smear in the last two years, if she comes in and has her pap smear”

Dr Romany Gour, Kambalda GP, is one of the doctors throughout the Goldfields who are participating in a Cancer Council WA education program on the current and future guidelines for cervical screening.

In the Goldfields the cervical screening participation rate is only 42.9%, which is lower than the State rate of 55.5%.

“The biggest risk factor for cervical cancer is not having regular pap smears.” said Dr Romany Gour “All women who have ever been sexually active between the ages of 18 and 69 years need to have regular pap smears as part of their ongoing health and wellbeing checks.”

Pam Foulkes-Taylor, Cancer Council WA’s Goldfields Regional Education Officer said “This incentive is funded by the WA Cervical Cancer Prevention Program and will only be on offer until June 24th. We hope that it will be one more good reason for women to come in and have a pap smear”.

To make an appointment or for further information, call Kambalda Family Practice 90270029

Shire of Coolgardie Outdoor Summer Movies another successful hit

We are blessed with the Goldfield's long hot summers and what a perfect way to spend a night under the stars with family and friends at the Shire of Coolgardie Outdoor movie evenings.

The six month Outdoor Summer Movies has just completed it's second successful year with screenings starting at 7.30pm. With just a gold coin donation entry fee this has been an affordable night out for families and has also been used as a fundraiser for different community groups.

Every month throughout the summer a different movie on a giant screen could be watched in both Kambalda and Coolgardie. A variety of venues was offered in Kambalda such as the West Oval, Harry Steinhauser Reserve with the availability of train rides, Lions Park, Kambalda Town Square with an alternative indoor venue being arranged in case of wet weather conditions. The Coolgardie Park was the chosen venue for all screenings in Coolgardie with the alternative indoor venue being the Recreation Centre when the weather turned.

All viewers were encouraged to bring an outdoor chair or a blanket and cosy up with their favorite snacks to view a family friendly movie or take the opportunity to support our fundraising community groups and clubs and buy goodies they had for sale. On two occasions the Kambalda Junior Footy Club gathered their supporters to help make the evenings a bigger success.

All of our Screenings were Smoke Free, Alcohol Free and Pet Free which lead to a very relaxed and safe environment.

The Movies screened over the summer period:

- October 2015 Home
- November 2015 Madagascar 3: Europe's Most Wanted
- December 2015 Wreck-It Ralph
- January 2016 Alexander & The Terrible horrible No Good Day
- February 2016 Blended
- March 2016 Tomorrowland

The Shire of Coolgardie would like to acknowledge and thank our generous sponsors bhpbilliton Nickel West for sponsoring of the Kambalda screening and Evolution Mining Mungari for sponsoring the Coolgardie screening.

MAY SQUASH NEWS

We are now just past the halfway mark of the **2015 Pennant** season and there are a few teams showing some good form. The lower ranked teams will have to raise the bar to peg them back before the season end - see Team table below. **Individually:** In the #1's, Sean O'Hare (27 points) has skipped over Peter Siebert (23 points) to lead by 4 points, closely followed by Glenn Smith (22 points). In the #2's, Caleb Brown (42 points) has shown a clean pair of heels and is unbeaten, leading Reece Piggott (28 points) and Kane Piggott (23 points). In the #3's, Martika Marzolo (38 points) has a clear 11 point margin over Montana Leeson (27 points). In the #4's Kayla Piggott (37 points) has a 5 point advantage over Calinda Leeson (32 points). There have been a number of classic 5 game encounters between Sean & Peter, Glenn & Brock, Wade & Brock, Reece & Kane, Martika & Chris, and Montana & Mike which has made for some very exciting squash to watch.

Other Good News:

During the school holiday break the courts will be getting an overdue makeover in the form of a coat of paint. The last time was back in 2011. Possibly for the first time the proper squash court paint will be used which may mean it will last longer. We are very grateful to the **Shire of Coolgardie** who are using the leftover funding from the court lighting project to assist with the cost of the painting. Along with our own monies we are in the process of gaining some sponsorship to assist with the remaining cost.

Coolgardie Volunteer Fire and Rescue

From the desk of the Coolgardie Volunteer Fire and Rescue Captain
Paul Munro

Take care on the roads with the change of weather. We can forget how slippery a bit of rain makes them, drive safely and drive to the conditions.

Make sure your fires and chimneys are cleaned and if the power is off be careful with candles, don't leave candles near the windows or inflammable products as many house fires have been caused by candles left unattended.

Make sure your clothes dryers are clean of lint and dust. If you are drying clothes in front of fires or radiators make sure you have them at a safe distance to avoid a fire.

Never put water on an oil or fat fire, use a Fire Extinguisher or Fire Blanket if available. If you don't have one you can purchase them from K Mart or Bunnings in Kalgoorlie. By being prepared you could save your house and family.

If you are interested in joining the Coolgardie Fire and Rescue Service, come down and see us on our training night, Tuesday from 7.00pm or contact Paul Munro 0438 599 172.

Coolgardie Community Men's Shed

The Coolgardie Community Men's Shed was pleased to be able to offer Mike Pauly two nights of comfortable well earned accommodation and company when he recently travelled through the Goldfields.

Mike is an inspiration to us all. He is 75 years old and currently walking around Australia with a Trolley raising funds and awareness for Men's Sheds. The journey of 15,000 kms is not an easy task for anyone let alone walking it when you are also suffering from osteoarthritis, as he is.

Mike's journey title is "One Man, two feet and a trolley". Well done Mike we are enjoying reading your journey on the ozsoulwalk.com.au website. Thank you for visiting us.

There's lots of things happening at the Shed at the moment and don't forget, we are not only about old engines! This is something that our current members are getting into and if you have other interests or projects come along and we will discuss your thoughts, and see what we can make happen.

The Shed is open most Sunday's from around 10.00am, and everyone is welcome to come down to the Old Railway Goods Shed and meet the team, take part in current projects or just pop in for a coffee.

New members are welcome to join, for more Information please contact Wayne 0438 267 180

'Trash Test Dummies'

**A show not to be missed, if you
enjoy laughter. It's very funny.**

This is a family show that kids will love, sponsored by Independence Group and the Shire of Coolgardie. We acknowledge and applaud Country Arts WA for their efforts to bring performing arts to regional communities such as Kambalda through their annual program of Shows on the Go.

Trash Test Dummies is created and performed by Jack Coleman, Jamie Bretman & Simon Wright and presented by Kambalda Cultural and Arts Group. This trio have returned with rave reviews and sell out shows at the Edinburgh Fringe Festival, these hot new highly skilled circus performers are as full of laughs as the bins are full of surprises.

We must have support from the community to ensure continual use of the stage within the recreation facility. *To preview the show in a short version video, follow this link:*

Heating

Warm yourself up with our range of heating options

Need a new heater installed? Call us now to work out your options.

Already have a heater installed? A simple service could get it working like new and prolong the life of unit.

- Wood and Gas heaters
- Installations and Servicing
- Flue cleaning

Have an evaporative airconditioner?

Getting us to perform a winter shutdown is a great way to save money, they help by:

- Prolonging the life of your unit
- Reducing heat loss from your home
- Reducing the chance of split pipes caused by freezing in winter

Hot Water Systems

- New installations
- All servicing
- Anode changeovers
- Gas, Electric and Instantaneous

By getting a simple service or an anode changeover you can increase the life of your system and the quality of your hot water.

- Rotting anodes can destroy an otherwise perfectly good system, changing them before this happens is very important.

What's the best way to **SPREAD THE WORD** about your business?

WHEN PLANNING YOUR MARKETING YOU NEED TO THINK ABOUT FIVE KEY THINGS:

- › Who are my target customers?
- › What am I offering them?
- › Why should they buy from me?
- › How can I promote my business to my target market?
- › How can I continually review and refine my marketing?

BUSINESSES SURVIVE AND GROW BY SELLING GOODS AND SERVICES THAT PEOPLE WANT.

THIS WORKSHOP WILL SHOW YOU THE BEST MARKETING PROCESS TO GET YOUR BUSINESS NOTICED BY THE PEOPLE WHO NEED OR WANT YOUR PRODUCTS OR SERVICES.

Recycled Poppy Anzac Day Project

Wow, what can we say?? Who would think that our every day plastic water and soft drink bottles could be sculptured with the help of scissors and a candle into a magnificent work of art? Our Tuesday morning craft group worked really hard at creating our gifts for the Coolgardie RSL and Billy Can Store. When I presented the idea initially everyone was a bit unsure but with all the great minds thinking together, we experimented, created laughed, and conquered!!

We really enjoyed the whole recycled factor for this project and a huge thank you to everyone who collected and saved their bottles for us. We were able to get two poppies from each bottle and as you would have seen there were a lot of poppies. Every poppy was hand sculptured over a single candle shaping it into the poppy shape and leaving it with a blown glass type affect and they looked amazing. We did have some funny melted shapes along the way and we also ended up with unintended lily's, frangipanis and other flowers but we have saved them for another project ☺.

I would like to acknowledge and thank our team who participated in this project: Josie Anderson, Nancy Day, Betty Furge, Elaine Brown, Rosemarie Pettitt and Gwen, Jill Scutter, Lyn Sojan, Sara Whincup and Gill and Bob Kippen.

Next year we are going bigger as we have a very large building wall to cover, so please keep donating your bottles to us as we need plenty☺.

April has seen more wonderful and exciting events been delivered to the Kambalda community.

Drum beat continues to be delivered every Monday with the dedicated participants tutored by Hoki from Kalgoorlie. We are half way through the 10 sessions and the feed back to date has been very positive and everyone is looking forward to performing to the community.

On Tuesday 26 April Ngala from Kalgoorlie delivered another engaging activity called "Parenting with Confidence" and again well received opportunity for the community.

We are especially looking forward to the delivering of our May events/ activities and workshops. As seen in the below flyer; we will be hosting the Kambalda Business Networking breakfast on Friday 13 May 2016 @ 7.30am at the Kambalda Community Recreation Facility. We encourage all local businesses to come along and take the opportunity of networking with each other and to enjoy a free deliciously wholesome cooked breakfast. Remember to RSVP by 11 May with Val on 9080 2115.
