## Community Train Restored For 50th Celebrations

Over the past few months local employment agency Goldfields Employment and Training Services (GETS) have been working on the restoration of the Kambalda East train.

To date they have fully completed 5 carriages; in that time GETS participants have replaced the majority of the wood work on the carriages. They are currently painting the exterior giving the carriages a sense of youthfulness, by adding a splash of colour and new designs to the body.

Darryl and Cameron working on one of the 5 carriages that have now been completed

Acting Shire President Tracey Rathbone expressed her appreciation to everyone involved in making this project happen in particular the community members, who have assisted with the work.

"I would like to thank everyone involved in this project, with both Kambalda and the Kambalda Christmas Tree Event celebrating their 50<sup>th</sup> birthday this year. It is great timing to restore the train and give it a new lease of life, ensuring that many more generations of children will be able to enjoy this traditional ride."

The restoration of the carriages began in June of 2016. The Kambalda Community Christmas Tree is one of Kambalda's most anticipated events of the year; it is run by a volunteer committee and provides the opportunity for family and friends to celebrate the Christmas festivities.

At this year's Christmas Tree it is going to be bigger and better with running of rides being extended through till 9.00pm, live band Darren Reid and the Soul City Groove will continue the party celebrations on after the finale of the St Ives Gold fire works.

Completed Looney Tunes carriage

The 2016 Community Christmas Tree is being held on Saturday 10 December, children 12 and under must be registered to receive a gift from Santa; the cost per registration is \$25.00 and will close Friday 18 November.

For further information on registrations or the event please contact Marilyn Ward 0419 928 788 co-ordinator.

## Shire of Coolgardie

Message from the Shire Acting President  
September 2016

There has been a great deal happening within the organisation during this month.

We have farewelled our CEO Mr Paul Webb and in doing so, would like to acknowledge the commitment, the passion and energy that Mr Webb has offered the Coolgardie Shire and it's communities over the past six years. With Paul's initial appointment as the Manager of Technical Services, he introduced many changes to make the organization far more effective, efficient and significantly improved service levels to our communities. This was evidently shown by Paul's persistence in developing a Heavy Haulage Policy in relation to Mining activities within the Coolgardie Shire, which have provided great opportunities to source much needed funding for maintenance, repairs and construction on our heavy haulage routes. Paul has been, for three years as CEO, relentlessly advocating with State Government Ministers and agencies, inclusive of the DMP, toward the growth and development of our communities and has such proven to have raised the profile of this within the Goldfields Esperance region. During his tenure, Paul has also lead the completion of the Flood Mitigation Project in Kambalda which has seen the completion of the Gabion Wall Project, coupled with a multi-million dollar upgrade to Newton Dam and significant upgrades to the Goldfields highway drainage systems being funded by WANDRA and Main Roads WA. The long awaited commencement of restoration works to the Coolgardie Post Office Complex is a milestone that has been long awaited. On behalf of the Coolgardie Shire Council, we extend our sincerest wishes for Paul's future success and endeavours and wish him and his family a progressive and happy future.

Following this Council had chosen to appoint Jill O'Brien, Recreation and Regulatory Services Manager, as Acting Chief Executive Officer for the Coolgardie Shire until 30<sup>th</sup> of October, during which time Council will proceed to secure an Acting CEO for up to a further 12 month period. This will ensure the fluency and actions of the Probity Review are achieved and further compliant actions are securely embedded into the future of the organization. Councillors and the Shire Officers have been working diligently toward the preparation, presentation and implementation of the Long Term Financial Plan and Community Strategic Plan and are confident that as we move forward, the Coolgardie Shire will be steadfast and successful.

There have been questions raised by the ratepayers with regards to the delay of the rates notices within the Shire. I would like to take the opportunity to reiterate that Council endeavours each year to keep the rates increase within a reasonable margin, however, during the 2015/2016 year the Valuer General's revaluation of the Gross Rental Values has resulted in a significant variation in property values across the Coolgardie Shire. Consequently in order to retain a reasonable margin, Council has chosen to re asses the rate in the dollar as per the rate setting statement to minimise the impact of the revaluations. Furthermore on behalf of the Coolgardie Shire ratepayers, there has been a recommendation of Council that a letter be written the Valuer General's Office seeking an explanation as to the significance of the increase in Gross Rental Values on behalf of the community.

On a brighter note, the 124<sup>th</sup> Coolgardie Day celebrations had Bayley Street, buzzing with an estimated 15,000 local and regional visitors from the region attending this month. This year, the event had a welcomed increase in funding which, amongst other attractions, saw the return of the wood chopping event and live performances streaming throughout the day. This event has grown to become one of the largest events on the regional calendar and it would be appropriate to acknowledge the dedication and commitment of the Coolgardie Day Committee for their efforts to ensure the days continued success.

The Australia Day Citizen of the Year Award nominations are now open and Council would like to encourage community members to take the time to complete the online nomination form. As with many regional communities, our volunteers and community groups, and their contributions, are of great significance to the social health and foundation to the Coolgardie Shire. Their commitment and selfless acts are beyond measure and although they seek no thanks, it is only fitting that we take the opportunity to celebrate their value.

## Shire of Coolgardie

From the desk of the Acting CEO

Hello to all

My name is Jill O'Brien and I have been appointed Acting Chief Executive Officer.

For those who don't know me. I have been with the Shire of Coolgardie for the past seven years. Six years as the Manager of Recreation Services and for the last year the Manager of Recreation and Regulatory Services. I reside in Kambalda with my husband and two children and I am very happy to call Kambalda home.

I consider myself very fortunate to be able to fill this page in my acting role as Chief Executive Officer for the next 2 months. With the support of the staff in our organisation it can be assured I will continue to be just as committed and passionate to our Shire and community as I have been in my role as Manager of Recreation and Regulatory Services.

This years rate notices have been delayed due to the implementation of the four yearly Valuer General's Revaluation of rateable properties within the Shire. Upon setting the figures it was identified that the Gross Rental Revaluations would result in an increase to many properties. However this has since been reassessed to minimise the impact of the property revaluations. The set estimated date for rate notices will be 1 October 2016.

The Shire has received a number of public complaints in relation to a number of potholes in the access road, Mistletoe Place to the Shopping Centre in the Kambalda townsite. The Shire understand the potholes are a hazard to traffic and have issued a letter to the owner of this access requesting this issue be rectified immediately for the safety of the community and the overall impression the Shire want to leave on the many travelling visitors to our town.

Recently Council have requested for Officers to conduct Level of Service Review across all departments within the Shire of Coolgardie. A full Level of Service analysis will be carried out to see how the Shire can improve on expenditure, customer service, general efficiency and utilisation of all departments. Council Officers will research how significant expenditure savings can be made across the organisation with minimal impact on the community and staff.

The Kambalda Football club have made themselves at home in the Kambalda Community Recreation Facility for the past two years and everything is going well in their partnership with the Shire. Unfortunately with the clubs new home being the future for the club, the old Football club's day will be coming to an end with demolition work commencing at the end of October.

I would like to ask the Kambalda community to be mindful of the demolition site. Please let the contractors do their work without having the extra worry of putting any of our community members safety in jeopardy Thank you for your cooperation.

A road closure has been issued to the Coolgardie North Road, 10 meters past Jaudi Hills Road. This closure is due to road reconstruction. A detour to access the train station will be via Carins Road open to heavy haulage and local traffic weather permitting. Estimated completion of road reconstruction will be 31 October 2016.

From P3

I would like to acknowledge the Coolgardie Day Committee and commend them on their fantastic work with the organisation of Coolgardie Day. What a great turn out on the day with great weather. Thank you to all involved it is very important that we acknowledge all the volunteers that dedicate their own time to put on such a wonderful event for the community. Thank you and great work!

Lastly, the Shire of Coolgardie are currently advertising for recruitment of Chief Executive Officer. The Shire have said farewell to Mr Paul Webb who will be greatly missed by all staff, members of the community and Councillors. On behalf of the organisation I would like to wish Paul all the best in the future.

All the best in October.

## Bush Fires Act Notice for Owners and Occupiers

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required on or before the first day of November 2016 or within fourteen days of your becoming owner or occupier of land should this be after this day to clear all firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from the first day of November 2016 up to the thirty first day of March 2017.

### 1. Land Outside Town Sites

- 1.1 All buildings on land which are outside town sites shall be surrounded by two firebreaks not less than two (2) meters wide cleared of all flammable material, the inner firebreak to be not more than twenty (20) meters from the perimeter of the building or group of buildings and the outer firebreak not less than 200 meters from the inner firebreak.
- 1.2 The removal of flammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

### 2. Land In Town Sites

- 2.1 Where the area of land is 2000 square meters (approximately ½ acre) or less, all flammable material shall be removed from the whole of the land.
- 2.2 Where the area of land exceeds 2000 square meters, firebreaks at least three (3) meters in width shall be cleared of all flammable material immediately inside and along the boundaries of land. Where there are buildings on the land additional firebreaks three (3) meters in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council not later than the first day of November 2016 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its' duly Authorized Officer, you shall comply with the requirements of this notice.

"Flammable material" does not include green growing trees or green growing plants in gardens. It also does not include plants native to the region that are fire resistant, for example; saltbush shrubs.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fire Act 1954.

The penalty for failing to comply with this notice is a fine of \$5000 and a person in default is also liable, whether prosecuted or not, to pay cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

**THE PROHIBITED BURNING PERIOD WILL BE FROM 1 NOVEMBER 2016 TO 31 MARCH 2017 AND SHALL APPLY THROUGHOUT THE WHOLE SHIRE.**

By Order of the Council

*Jill O'Brien*  
*Acting Chief Executive Officer*

## Shire of Coolgardie

Update – Issue of Rates Notice

As per the previous community notice, the Coolgardie Shire Council has resolved to re assess the rate in the dollar to minimise the impact of the property revaluations on the rate setting statement for properties with the Coolgardie Shire.

Please be advised that Council are approaching a satisfactory outcome and are confident that this will support the impact of the GRV revaluation set by the Valuer General. It is proposed that a special meeting of the Coolgardie Shire Council, to be held on 11 October 2016, with the intention of adopting the new rate setting statement and 2016/2017 budget, this shall result in the rates notices being issued shortly thereafter.

Should any property owner wish to make a contribution toward the pending invoice, please do so at Coolgardie Shire offices in Kambalda or the Coolgardie Recreation Centre.

Thank you for your support and patience.

Kindest regards

Tracey Rathbone

# Coolgardie Community Men's Shed Incorporated

We have been busy at the shed for the last few months finishing off some jobs and getting ready for Coolgardie Day. I would like to thank the members who got the Old Leyland Truck up and running again after such a long break of it being parked up and on display.

The Coolgardie Community Men's Shed entered the Old Leyland Truck into the Coolgardie Day 2016 street parade and we won first prize for the best Community Float which is very pleasing as we have put a lot of work into it.

A big thank you to Gorrie Williams who has spent a lot of time at the shed with me working to get the stationary engines finished and working so that they could be displayed on the deck of the Leyland. Also a big thank you to Bob and Ryan Kippin, Paul Webb and Rob Connor who have also helped with the engines.

Thank you to Ron Anderson (Ando) for doing such a fantastic job on the new hand painted signs as they really set the old truck off and we have lots of positive feedback on how impressive they looked.

The Prize money is greatly appreciated and some of it will go towards some repairs and maintenance for our old and very reliable Crane which we would be totally lost without it.

We recently applied to the Shire of Coolgardie for a \$2000.00 Community Assistance Grant and we were successful with the application and on behalf of the Coolgardie Community Men's Shed we would like to thank the Shire of Coolgardie and look forward to purchasing some badly needed tools and equipment that will be put to good use at the shed.

Although some of us are keen just to do up old motors and things we are starting to get a really good collection of woodworking machinery and we have someone who is keen to teach it so if anyone is interested in the woodworking please do not hesitate to get in touch with Wayne on 0438 267 180

Come down and say hello. Men's Shed is open most Sunday's from 10.00am, but at times there may be people there irregularly visiting through the week. If you see the door open, drop in and say hello. We are a friendly bunch who will be happy to share a cuppa with you.

For more Information please contact Wayne 0438 267 180

# Essential Works

## Kambalda East

**Water Corporation** will carry out essential works in Kambalda East starting in late-September 2016 and carrying through to mid-late December.

The upgrade works involve the installation of new valves and the changeover of a number of fire hydrant services which will improve the reliability of Kambalda's water supply.

The work will be carried out between the hours of 7.00am and 5.00pm .

This upgrade will help us to limit the impact of future water supply interruptions in this area of town.

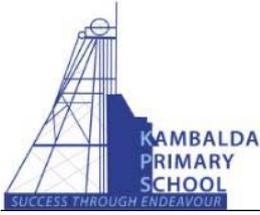

During the works you may experience lower pressure and you may also notice discoloured water for a short period.

Temporary discoloured water may occur when we undertake this type of work as small amounts of natural sediment that settles within pipes over time is stirred up and causes discolouration,

While the sediment is harmless and the water is safe for use, running a tap closest to your water meter for two minutes should clear this up.

Thank you in advance for your co-operation and understanding during this essential work and we apologise for any inconvenience this may cause.

***Please contact our 24/7 Operations Centre on 13 13 75 if you have any concerns with regard to your water supply during this period.***

## Welcome to the New 2016/17 Season

The weather is warming up and the pool has opened along with the Kambalda Amateur Swimming Clubs new swimming season. The club has a lot of events and fun already in their calendar, kicking off with an Open Fun and Information Day on Sunday 30<sup>th</sup> October 2016 at the Kambalda West Pool, starting at 12.30pm. Different stations will be set up where the public can come and experience a variety of drills in a typical training session to see if they would like to join the club.

The Anaconda will be set up at 2.00pm, along with a sausage sizzle, ending at 3.00pm.

In November, Kambalda will be hosting the Sun Smart Splash and Dash event on Saturday 12<sup>th</sup>. This event is open to novice swimmers aged between 6-14 years whom may have never swum in a club before but would like to try it out and also swimmers in the club. We encourage everyone to come along and have a go.

December will be a busy time as the club prepares to hold their annual Kambalda Long Course Qualifying Meet on Saturday 10<sup>th</sup> and Sunday 11<sup>th</sup> December, which coincides with the Kambalda Community Christmas Tree.

Thank you to the Kambalda Football Club for giving us the opportunity to man the Football gate this year as a fundraiser at home games and thank you for all that have put their name down to help.

Our next club meeting will be the 12<sup>th</sup> October 2016 at the Kambalda Club Rooms, starting at 6.00pm.

See you all at the pool!

### Great Cycle Challenge

This October, swimming club members **Kara, Mitch and Joy**, are taking part in the **Great Cycle Challenge to fight kids' cancer!** None of us had been on a bike in a good long while until recently, but we're motivated for this worthy cause. Because right now, cancer is the largest single killer of children from disease in Australia – over 600 children are diagnosed with cancer every year and sadly, 3 die every week.

Kids should be living life, not fighting for it.

**Together our goal is to ride a total of 1200km's** and we're hoping to raise \$2,000 to support the Children's Medical Research Institute to continue their work into the prevention, diagnosis, treatment and finding a cure for childhood cancer.

It would be really great if you could support our challenge by making a donation through one of our personal fundraising pages:

<https://greatcyclechallenge.com.au/Riders/KaraTeHira>  
<https://greatcyclechallenge.com.au/Riders/JoyCharlton>  
<https://greatcyclechallenge.com.au/Riders/MitchellTeHira>

or to our team page :

<https://greatcyclechallenge.com.au/Teams/PaihikaraKids>

We want to help give these kids the brighter futures they deserve. Together, we can save little lives.

Thanks for your support. Kara, Joy and Mitch

## SQUASH NEWS OCTOBER

The **2016 Spring Pennant** season is now almost at the half way point and heading into the mid season break for the school holidays. There isn't much separating the top few teams, but there is plenty of time for the lower placed teams to catch up and make it more difficult for the others. Some of the new faces to line up this season are starting to find their way around the court very well with a couple taking it up to some of the seasoned players. There have been a number of close 5 gamers contested with long rallies and great shot selection on show for all to see: Sean and Brock with Sean just slipping over the line in a tight one; Montana and Kayla with Montana prevailing on the night; Cheresse and Tam with Cheresse just too strong and Tam and Calinda with Tam just being able to reach the close balls.

Ladder below after the completion of 7 rounds:

### Ladder

Team		pts
DARWIN'S	1	28
EUCHUA'S	2	26
AUGUSTA'S	3	23
BROOME'S	4	21
CASURINA'S	5	15
FINLEY'S	6	13

### KAMBALDA JUNIOR FOOTBALL - AGM

Wednesday 1 February, 2017, 5.00pm, Kambalda Football Clubrooms

All positions will be declared vacant. In this meeting we will be looking to fill the following positions: Secretary, Treasurer, Delegate, 10's Coach, 10's Team Manager, 12's Coach, 12's Team Manager, 14's Coach, 14's Team Manager, 16's Coach, 16 Team Manager, Home Game Umpires and Committee Members.

We would really like to have all positions filled and organized before we open registrations and start training in early March so please if you can volunteer your time and take on a position it would be most appreciated not only by this year's committee but by more importantly... the kids.

Kambalda Juniors in 2016 were proudly supported by

The Australian Breastfeeding Association (ABA) is now holding monthly meetings in Kambalda!

4th Thursday of each month, next meeting 27 October. All welcome J.

At the Kambalda Community Recreation Facility, 10.00am-12noon. We may move to Lions Park if the weather is fine.

Each month will feature a presentation or discussion facilitated by a volunteer breastfeeding counsellor, or guest presenter. We will offer a range of breastfeeding and other parenting topics.

The topic for October is 'Life with a toddler and new baby'. Whether it is sibling jealousy, tandem feeding or contemplating breastfeeding again after things not going to plan with a previous baby. This stage can present a wide variety of challenges! Sharing experiences can help us to make the most of this exciting stage.

Meetings offer an opportunity to chat with other parents as well as receive breastfeeding information and support in a relaxed, non-judgemental environment. Parents, parents-to-be, Health professionals, babies, toddlers and other breastfeeding supporters welcome.

A plate to share would be appreciated, but not essential. A \$2.00 per adult donation toward room hire would also be appreciated.

# AMBULANCE SUB CENTRE UPGRADE PROJECT

Goldfields-Esperance Regional Grants Scheme funding has been made available to assist with the development of infrastructure, services and community projects across the Goldfields-Esperance region.

Our Sub Centre was one of ten projects selected in the 2016 round to receive funding towards the upgrade of our facilities. The project will mean that our Sub Centre is able to better serve the needs of our community by administering more first aid courses and attracting new volunteers to meet the needs of the ambulance service in Kambalda.

### **Our donation to Christmas Box Appeal**

With pleasure we have donated a wonderful collection of goodies that will bring joy to overseas underprivileged children. This is in support of the call for shoeboxes for Kalgoorlie-Boulder Samaritan's Purse Operation Christmas Child combined church's appeal.

A lot of this collection was selected while shopping, clearance items and community donations to our organisation.

Now we start collecting for the next opportunity to help.

Our program is supported by our regional partners, the Shire of Coolgardie, Independence Group and Kambalda Boulevarde. We have in the past been kindly funded by Country Arts WA.

# Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain – David Shilton

We recently attended the 2016 WA Fire and Emergency Services Conference held in Perth from Friday 9 September to Sunday 11 September 2016. This year's theme was "Valuing our Volunteers". This conference presented an opportunity for volunteers from across all services to enhance their knowledge, update skills and network with peers from across the State.

The weekend offered a diverse line up of speakers with a wide range of interesting and relevant workshops but also really highlighted the support and training that is available for all Volunteers and of course how important they are to our community.

If you would like to join to Coolgardie Volunteer Fire and Rescue Service come down and see us on a Tuesday night at 7.00pm. Come down and meet the team. For more information call David Shilton on 0412 859 582 or Steven Forward on 0438 421 130.

Coolgardie Day 2016 - A big congratulations to the Coolgardie Day Committee and all attendees for a very fun and successful day. It was also a great day for our brigade to take part in the parade, to do a street display of our Junior Running Team and their events as well as our Junior Running Team fundraiser's with the "Milk a Cow" and the huge 10kg Chocolate Bar raffle which was kindly donated by Coolgardie Yards.

Thank you to the community and attendees for your support and thank you to our volunteers that also participated on the day.

Just a reminder to everybody that we are approaching the "Bush Fire Season" and now is a good time to start clearing up around your yards, gutters and fence lines. Remove all flammable materials and clear any overgrown vegetation that could be putting your property at risk. We are now also in the "Restricted Burn Time" season, so any burn offs, you are required to get a permit from The Shire of Coolgardie Rangers or the Chief Bush Fire Control.

# Newsletter - October 2016

Loads of fun has been had at Playgroup!

We had a craft day where we made paper plate snowmen.

The children have played in doors with the train sets, dress ups, dolls, not to mention all the other toys we have available. They have also managed to spend the warm weather, outside on the outdoor equipment, playing with the sand toys and bikes.

Mums and Dads have interacted and we have met lots of new people which has been fantastic to see.

On behalf of all the members at Kambalda West Playgroup we would like to give a huge THANKS to **MJH Mechanical** (Kambalda) for their donation to our fundraiser.

# The Pastor's Pen with Bill Kirkland

Most people experience a number of highs and lows throughout their life. As a general rule we see people who study hard, work hard and consider others end up living a good life. Many pitfalls and disappointments can be avoided by wisdom and understanding.

There are some events in life that no matter how much you prepare it appears that factors outside your control lead to disappointments. An athlete might train diligently for 4 years only to catch a cold the day before the big event. A person might study and work hard for a management position only to receive the dreaded diagnosis of cancer. A child loaded with potential who gets in the wrong company can lead to major disappointment for loving parents. A woman might marry the man of her dreams only to find out he isn't the person he presented himself as.

Disappointments can result in great bitterness in peoples lives. As painful as they are, they can also make us better people. They can create empathy and even cause us to have a less self centred focus.

Having faith in Jesus Christ does not diminish the pain felt in disappointment however it does help a person put things into perspective. Life is short even if one gets to live a to a long age here on earth. The prophet Isaiah wrote hundreds of years before Jesus came on this earth 'And so the LORD says, "I'm laying a firm foundation for the city of Zion. It's a valuable cornerstone proven to be trustworthy; no one who trusts it will ever be disappointed.'" (Isaiah 28:16)

Personally I have had some great highs in this life and some disappointments. I have learn't through these events that Jesus Christ is One who will never disappoint. He is completely trustworthy, loving, gentle and kind. Modern versions translate Romans 10:11 as ' "Whoever believes in him will not be disappointed." A thief who was put on a cross next to Jesus received grace and mercy on the day that many others mocked and cursed. He entered paradise the day he died as He encountered the love and mercy of God rather than judgement. He certainly was not disappointed with Jesus.

Kambalda Community Resource Centre

September has been a month filled with celebration. It has been one of those months where I look back at the activities the Community Resource Centre has delivered to the community and make special recognition to our locals who continue to turn up and support the event, no matter what it is. Big thank you ladies, you all know who you are – your presence has not gone unrecognised.

On Tuesday 6 September a group of 22 ladies boarded the bus at 8.30am at Kambalda to head to Menzies for a Wildflower expedition. You couldn't ask for better weather on the day, with temperatures reaching 30 the wildflowers were out in bloom ready for viewing. Our first quick stop-over was at Broad Arrow where photos were taken and a few memories shared.

Once on board again we were headed for Menzies. Laura at the Menzies Community Resource Centre spoke with us about the best places to see the wildflowers and she wasn't wrong. They were beautiful. More photos were taken and then on to Niagara Dam for a picnic lunch. It was wonderful listening to the chatter and stories shared amongst the ladies and how great it was to see the start of new friendships made.

We did a quick trip to Kookynie in the hope of seeing the horse waiting outside of the hotel ready for his lunch and a 'cold one'.

I thought we may have had a very quiet trip home but how wrong I was, it was exactly the opposite. It was lovely hearing the chatting and laughter all the way home.

Thank you ladies for making this trip a truly enjoyable one.

All aboard for our exciting Wildflower trip to Menzies

Walking through some of the wildflowers that we were lucky to get up close to

On Wednesday 14 September, if you were down at the Recreation Centre you had every reason to think the competition 'The Voice' had come to Kambalda.

An extremely gifted couple living in Kambalda and known as 'Soundz like Us' were invited to share their singing talents with the locals. You could see some very emotional and teary eyed listeners throughout the performance. Songs that everyone knew the words to, the clapping to the rhythm, the sneaky dancing and laughter, the joy seen and heard was incredible.

This was a morning that no one wanted to see end.

From P40

Soundz like Us will be performing at the Seniors Have a Go on Thursday 10 November and with a huge demand from the locals will perform at the Seniors Christmas lunch on Wednesday 14 December.

On Friday 16 September Kambalda Community Recreation Facility and Kambalda Community Resource Centre partnered together to entertain the youth of Kambalda with the 'Outside In' movie screening of "Daddy's Home".

As you entered the stadium you were greeted with FREE popcorn, juices, fizz drinks and pizza.

Thank you to our youth who came along to watch the movie and for making it an enjoyable one.

On Friday 23 September, Kambalda Community Resource Centre and Country Image Development brought to Kambalda 'Dressing for your Body'.

What an amazing evening this was. Eshe Christie, Director of Country Image Development brought a fun-filled evening to the community to learn more about the seasons fashion trends, dressing for your body shape, which the ladies were keen to learn more about and how great it was to see so many eager beavers willing to try on the clothing items, colour and accessorising.

Laughter and jokes shared throughout the evening made for an even more fun night.

Thank you ladies for another awesome event with you all.

At the end of a wonderful evening

### Coolgardie Community Resource Centre

Wow where did September 2016 go? Once again we have had another busy fun, learning and creating month here at the Coolgardie Community Resource Centre.

#### **Adult Learning Week**

On Tuesday 6 September 2016 we held an information morning in conjunction with Adult Learning Week. Louise (the Commercial Business Coordinator) and her amazing team of lecturers from Tafe at Kalgoorlie came out for the morning and had a talk with us on the courses available and how easy it is to further your education. There is so much variety in the courses offered and it is now so user friendly and affordable that anyone in any situation can do it. The Lecturers will even travel out to Coolgardie for their students!! If you would like more information on Tafe and what they can offer, we have a big range of documentation here available as well as contact details for the different Lecturers. Thank you to the Tafe team for coming out, you certainly inspired and motivated us.

#### **Tuesday Morning Craft Sessions**

We have been ticking along nicely with our morning craft sessions followed by a delicious shared lunch every Tuesday.

Rosemarie (nicked named Poppy after her project!) is creating at great speed the Poppies for Anzac day 2017 but we desperately require more plastic soft drink and water bottles as we can't keep up with her. So please keep drinking, and recycling them for us.

We are about to start a scrapbooking journal project for those who are interested in coming down. It is going to be all about pictures, glue, paint and glitter with a beautiful finished project. You don't have to be an experienced artist to take part in this, its all about getting out of the house and having some fun.

#### **Ned and Josh from Hot FM visit to Coolgardie**

We were pleased to welcome Ned and Josh to Coolgardie. They bravely rode from Northam to Kalgoorlie in five days by tandem bicycle as part of an fundraiser for Lifeline. They were escorted into Coolgardie by the Coolgardie Police, Coolgardie Volunteer Fire and Rescue Service and St John Ambulance welcoming them to Coolgardie Park. What a impressive way to arrive into town with the flashing lights and sirens. We held in conjunction with the Shire of Coolgardie a BBQ fundraiser where they raised approximately \$550.00. Thank you to everyone who came down

If you would like further information on upcoming activities, please see the Community Resource Centre Calendar on page 43 or if you have suggestions for future projects Please contact: Leanne on 9025 0301 or email: [coolcrc@coolgardie.wa.gov.au](mailto:coolcrc@coolgardie.wa.gov.au)
