Shire of Coolgardie

Message from the Shire President
September 2017

As the Goldfields - Esperance representative on WALGA State Council, I attended the meeting in Perth on 7 September 2017.

The meeting this month was held in the North Metro Zone and State Councillors were given a chartered tour of the Mindarie Regional Council facilities including the Mindarie Landfill site and recent subdivision developments in Stirling and Wanneroo City zones. It was extremely informative to hear about the changes to the way city landfill facilities are adapting toward Zero waste into landfill into the future, and highlights some of the issues we are facing dealing with future waste in our Shire.

There will be a slight delay with the opening of the new Skate Park in Coolgardie due to the loose gravel and surrounding verges on the slopes of the facility not being fully completed. Our Technical Services staff are investigating ways to rectify this problem as soon as possible so as to be able to open the Park for the kids of Coolgardie, who are chaffing at the bit to get on and use the facility. It is anticipated to be opened early in October.

Our Technical Services staff attended the annual Regional Road Group meeting last Thursday for the allocation of MRDWA road funding for the 2017/18 financial year. The Shire has applied for increased funding this year in an endeavour to expand our road programme for the benefit of all road users in our Shire, with works scheduled to commence in October.

The opening of the Time Capsule buried under the big rock in the Kambalda Town Square in 1992, was celebrated at the Kambalda Club on Friday 15th September, 25 years to the day it was buried. Former Shire President Mrs Billie Ingham, who was Deputy President at the time, had the honour of performing the opening of the Capsule in front of 45 excited Kambalda residents, many of whom were present during the original burial ceremony. Should anyone wish to view the many photographs or articles that came out of the Capsule, please contact our staff at the Kambalda Community Resource Centre. A Big thankyou goes to our maintenance crew for their work in unearthing the Capsule and Val and CRC staff for organising the opening ceremony for this very historic event.

Funding has been made available for the installation of a 40kw solar powered system onto the Coolgardie Recreation Centre. Along with the system installed onto the Kambalda Community Recreation Facility last year. This will result in further cost savings to the Shire of Coolgardie. This funding was provided through the Goldfields Regional Councils renewable energy programme, which resulted in similar systems fitted to Local Government infrastructure throughout the Goldfields - Esperance Region.

The CEO and I met with the leader of the National Party, Mia Davies along with her associates Jacquie Boydell and Nick Fardell last week to lobby their support for funding toward the Coolgardie Post Office development, as well to make them aware of the closure of the Mining Registrar Office in Coolgardie due to lack of funding being allocated to the building in the WA State Government Budget. There is a Senate estimates hearing scheduled in Perth next week where there may be an opportunity for the Nationals to question the WA Treasurer to ascertain there has been any provision in the State Budget for these building maintenance programmes.

Continued P3

From P2

Over 15,000 people flocked to Coolgardie on Sunday 17 September 2017 to join in with the 125th Birthday Celebrations of the town. Many former residents travelled back for the weekend which commenced with a spectacular fireworks display on Saturday night during the Cabaret at the Recreation Centre.

The Rock drilling competition also returned this year with 80 drillers competing for the coveted Championship Trophy. A vibrant sideshow alley along with various rides and street stalls made for a really successful event for all who attended, and congratulations to the Coolgardie Day Committee for the work and effort they put into making this years event such a success.

At the close of nominations for the four positions on Council at this months Local Government Elections, there were eight candidates nominated and received by the Shire Returning Officer. This means there will be an election held on the 21st October 2017 with polling places at the Recreation Centres in Coolgardie and Kambalda. Residents who wish to do so can place an early vote by contacting our staff at each of these centres.

Malcolm Cullen
Shire President

Shire of Coolgardie

From the desk of the CEO

Hi everyone

We have had another busy month here at the Shire and September has certainly been a four season's in one week weather pattern. Great to see the sun is out now and the warmer temperatures for the School Holidays, the parks and playgrounds have been well used and it's great to see children and families outside and having fun.

September was also a month of celebrations, Coolgardie Day went well with the huge crowd numbers exceeding previous years. There was certainly lots of food, stalls and entertainment this year which was all a part of the well organised 125th Birthday celebration. Well done to the small Coolgardie Day Committee who not only had that big day to organise and run but they also put on a very enjoyable Cabaret Evening the night before and Wow, Wow, Wow can only describe the fireworks that lit up the Coolgardie skies that night for all of Coolgardie to enjoy. Once again Happy Birthday Coolgardie, I was pleased to be a part of this year's celebrations.

The Kambalda Time Capsule opening went well with its hidden 25 year old treasures being revealed to the community. The crowd were very excited to see the contents and it was great to read the old School Roll, and the publications that were in the capsule. A reminder of how things do change in 25 years.

Continued P4

From P3

The Coolgardie Skate Park is currently closed off and we are waiting for the contractors to come along and finish the last stage. They should be here within the next three weeks and we will also have an official opening day. Thanks to the community for your patience with completion of this project and we can see already that it is going to be well used.

Well done to the Recreation Staff at both Kambalda and Coolgardie, once again another great line up of activities for our School Holiday's, all of the activities have been well supported.

The Local Government Elections is on Saturday 21 October 2017. This year we have four vacancies for a four year term. All of the Nominees information has been displayed in the Recreation Centres, Shire Notice Boards and are on the front page of this edition. Early voting is now open. I encourage you to cast your vote. Local Government is the closest tier to you the people and can make a real difference to the community you live in.

It was extremely pleasing to have this years rates issued on the 21st August with the first instalment due on the 26th September. The positive impact of this to Shire cash flow cannot be taken underestimated. As of the 30th September we had in excess of \$4.2 million in reserve funds and in excess of \$5 million in the Shire operating account. The Shire is in a strong financial position.

We look forward to commencing our road programme in October for the first time in many years.

The next Council meeting will be held at Kambalda on Tuesday 24th October 2017 at 6.00pm. We have copies of all council Agenda's and Minutes available for reading at the public libraries or they can be easily accessed on the Shire of Coolgardie website www.coolgardie.wa.gov.au.

Kind regards

James Trail
Chief Executive Officer

Spargoville bypass main

September 2017 to January 2018

Improving Kambalda's water quality

Currently customers in Kambalda are supplied drinking water which passes through the Spargoville Reservoir, west of the town.

From time to time we have detected the presence of algae, which occurs naturally in this reservoir. Although this is not a health risk, we are aware that the water can look and smell unpleasant for some Kambalda residents and in some instances can affect household appliances.

By delivering this project to supply customers through a new water supply main, which goes around the reservoir, we will be able to significantly improve the quality of Kambalda's water supply.

This work will involve decommissioning the Spargoville Reservoir and constructing 160 metres of new water supply main to go around the reservoir.

Where is this happening?

The work will occur within Water Corporation's Spargoville Reservoir site. See the map below. The water main will mainly be installed by digging an open trench, which will be backfilled and restored.

Hours of construction.

Work will take place between Monday to Sunday, 6.00am – 6.00pm.

Will this work impact me?

This work will be confined to the reservoir site and therefore local residents will not experience any construction impacts such as noise, dust or vibrations from this work.

More information.

For further information regarding this project, please contact Elecia Wheat, Community Engagement Office, via email at elecia.wheat@watercorporation.com.au or call (08) 9420 3265.

For more technical enquiries contact the Project Manager, Shane Priddle via email at Shane.Priddle@watercorporation.com.au or on (08) 6330 6676.

If you are currently experiencing problems with your water supply service, please contact us on 13 13 75.

Water Corporation thanks you for your cooperation and patience while this essential work is carried out.

Time Capsule Contents Unveiled 25 years later

Shire President Malcolm Cullen and
Former Shire President and Deputy
President Billie Ingham

Time Capsule objects revealed

Excitement as people look through objects

During a celebration afternoon on Friday 15 September 2017, people of the Kambalda community and neighbouring towns reflected on exactly 25 years ago.

They thought about what has changed over the past two and a half decades - fashion, Local Government, Rates, Education, Food - as well as what hasn't.

On 15 September 1992, the Shire along with local schools filled a time capsule with numerous items and buried it at the Kambalda Town Square.

On 15 September 2017, the Shire dug it up and unveiled the contents in the presence of 45 people. Former Shire President Mrs Billie Ingham, who was Deputy President at the time, had the honour of performing the opening of the capsule.

A variety of objects preserved for a quarter of a century; Woolworths catalogues, a dog tag, 25th medallion, photos, newspapers, Kambalda Primary School students work, to name a few.

Each item had been carefully placed in the Stainless Steel air tight capsule and in some cases, labeled.

Several quotes were recorded on the day, describing the experience as "nice and a little sentimental" and "the memories - the pleasantries, the people I knew, I look out here now and I see people and although older, still have the same quality people I knew back then" end quotes.

All contents from the Time Capsule will be on public display at the Kambalda Public Library for the month of October. So come on in and have a look and walk down memory lane. If your child has an item that you wish to take home from the capsule, you may do so at the end of October. Please see a staff member about the process. All photographs will remain the property of the Shire of Coolgardie for future reference.

A special mention of Thank You goes out to the following:

- Shire Maintenance Crew for their determination in unearthing the capsule
- Kathie Lindup for providing all the wonderful photos from the past
- Kambalda East Club for the venue
- Kate at Darby's Restaurant for the delicious afternoon tea

NOTIFICATION OF ROADWORKS – OCTOBER 2017 TO JANUARY 2018

Main Roads WA will be undertaking roadworks on Goldfields Highway between Marianthus Road and Durkin Road, Kambalda.

These works include:

- Improvement of the current drainage
- Replacement of the road pavement and road surfacing
- Widening of existing carriageway
- Construction of a new footpath adjacent to railway crossing

Road users can expect some delays with lane closures, reduced speed limits and changed traffic conditions. Please use caution and obey traffic management while driving through the site.

For further information, please contact Main Roads WA Customer Service Officer on 9080 1473 or the Shire of Coolgardie on 9080 2111.

Coolgardie Police Station

Message from the new Officer In Charge

Greetings from new OIC

For those that I haven't had the chance to meet yet, I extend a warm hello and look forward to meeting you. A little about me – I've been a Police Officer for over 11 years. In that time I've worked mostly frontline but also in specialist areas such as Prosecuting Services Division and Sex Crime Division. I was promoted to Sergeant in 2012 and have previously served as a Country Officer in Charge. In 2014, I was admitted as a lawyer in the Supreme Court WA and High Court of Australia. I'm married and have two wonderful children. I am passionate about delivering justice for victims of crime. I believe in the rule of law and its application on all citizens. I also believe in what President Regan said about law and order; 'We must reject the idea, that every time a law is broken society is at fault rather than the law breaker. We must restore the American precept that each individual is responsible for his actions.' To that end, I commit to conduct quality investigations to withstand legal/judicial scrutiny to ensure that wrong doers are held accountable.

Over the past few months, I'm proud of the achievements Coolgardie Police have achieved. There was an unusual increase in burglary and stealing offences during the first eight weeks of my tenure here. In that time, we've managed to identify who the offenders are and have preferred 15 burglary charges against eight juveniles. All of these offenders were convicted in Court and have been sentenced or are awaiting sentence. We've also identified and charged a 21 year old man with receiving stolen property from one of the juvenile offenders. Seven *Misuse of Drugs Act* search warrants have been executed resulting in 15 drug charges and 2 firearms charges. We've also recovered over \$4 500 worth of stolen property. It's extremely rewarding for us being able to return stolen property to the rightful owners.

Coolgardie Day was a great success and thanks to all those who volunteered their time and effort. From a policing perspective, there were nil reported offences during the day which we're quite pleased about.

May I take this opportunity also to remind you all about the importance of ensuring that your vehicles and homes are locked and secure. Heading into the warmer months, it is quite common for people to leave their homes for extended periods on holidays. Please ask a friend/relative to keep up appearances if possible i.e. taking bin out, alternate a different light to be left on inside etc.

Regards.
Sgt McGeown
OIC Coolgardie Police Station

MEDIA RELEASE

October is National Safe Work Month

It's a time for employers and workers to commit to building a safe and healthy workplace — and this year's theme is *Sharing safety knowledge and experience benefits everyone.*

Safe Work Australia Chair, Diane Smith-Gander, said that she'd like organisations to run a safety initiative and share it so that everyone can benefit from their experience and knowledge.

"Work-related injury and disease cost our community \$61.8 billion a year," Ms Smith-Gander said.

"In other words, poor work health and safety costs \$5000 per worker each year and equates to 4.1 per cent of Australia's gross domestic product. This doesn't even touch on the immeasurable cost of grief and trauma to workers and their families.

"The whole community bears the cost of poor work health and safety," she said.

"So, this October, commit to improving health and safety in your workplace."

Safe Work Australia has released a comprehensive campaign kit on the National Safe Work Month website that includes logos, posters, flyers, graphics and messages.

"There are also ideas for safety activities, and a five-step guide to building a safe and healthy workplace, and a competition that offers \$5000 in prize money to the organisation with the best safety initiative," said Ms Smith-Gander.

"The kit contains everything you need to run a safety initiative this October. Share your initiative using #safeworkmonth and by tagging Safe Work Australia on social — because your knowledge and experience is worth sharing."

[Visit the National Safe Work Month Website and access the campaign kit](#)

STEM Learning at Kambalda West DHS

Learning Journeys help children to share what they have learned throughout the year with parents. It is a great opportunity to see progress and achievement through the eyes of the child and as part of our Learning Journey on September, Ms Tisdell organised a STEM Challenge. Activities in the STEM learning areas (Science, Technology, Engineering and Mathematics) encourage our student to develop skills important for the future, and they are not necessarily what you might think. The STEM challenge was designed to encourage problem solving, critical things, trial and error and creativity and students were asked to create a marble run. Students and parents then voted for their top choice.

Here are some of the entries:

KWDHS School Council 2018

The Kambalda West District High School Council meets twice per term on a Tuesday evening between 5 and 6 pm. It consists of representatives from parents, students and staff. The School Council provides advice and feedback to the Principal about policy decisions, student achievement, and contribute to the development of the School Strategic plan. They approve the School Budget and provide a community perspective to school decision making. We are currently seeking community members who would like to support the school for the 2018 - 2019 school year. If you are interested you can either contact Tracey Rathbone, our School Council chair or Emma Alexander of 90271477 for a nomination form.

Newsletter #10

Greetings fellow "Shedders" and other readers.

Spring has sprung and just like the little lambs "The Shed" is bouncing. The Tellus/Goldfields St Ives sponsored workbenches are almost finished and ready to mount the benchtop machines too. Speaking of Goldfields St Ives, many thanks to Tim and John for the contribution of the two much needed welding screens. Another safety issue solved. Thank you Goldfields.

Saturday attendances are going really well with a good muster for coffee and biscuits. Thanks to Merv for the biscuits for the last couple of weeks.

I attended the West Australian Mens Shed Assn annual conference and AGM held in Merredin during the month and came away with some new ideas and confirmation of some old ones.

However two things struck me as a surprise:

- Most of the other sheds have the same issues to solve as we do and,
- Where Mens health is concerned, in the area of anxiety and stress, the most at risk group is aged 25yo to 45yo.

REMEMBER THE SHED IS FOR THIS GROUP TOO, NOT JUST OLD FULLAS

We would like to welcome on board as sponsors Shindig Central Photobooth and the Railway Hotel and Conference Centre. Thank you both for your contributions. We encourage our members and the Kambalda public to support the sponsors wherever

Scroungers Page

Believe it or not Christmas is not far away and you can't have Christmas without a party and you can't have a party without music and you can't have music without a band and you can't have a band without musicians!!!!!!!

So let's get cracking and start a band.

If you can Strum, Hum, Thump, Blow, Tinkle, Sing or even Yodel give Ned a ring on 0437 990 934 and get this show on the road.

As most are aware when you make stuff you get rubbish left over. We are no exception so we are looking for a kind hearted person, with an old car trailer to donate that we can do up and use for the dump run.

If you can help please ring Gary on 0457 108 094

Fundraising

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as –

- Aluminium cans
- Copper pipes
- Car Batteries
- Lead Flashings
- Brass Taps and Fittings

If you think it might be of some value please contact Ray on 0458 187 009

Thank you in advance

**The Pastor's Pen
with Bill Kirkland**

Anyone who has read the Bible will quickly come to the understanding that it is impossible for people to keep all of God's laws and standards. In my view, the ten commandments that God gave Moses are without parallel. Besides the Lord Jesus Christ, no one else has been able to keep these commandments either by intent or action.

Personally, I think most people would agree that the ten commandments are good and nations basing their laws upon them have done very well. The real problem with the laws is that while they can have an effect on people's behaviour they cannot change a person's nature. That is why the Bible tell us that in God's eyes no man will be declared righteous by obeying the law (Galatians 3:21).

God's law actually operates as a tutor or schoolmaster to lead us to the One who fulfilled the law (Galatians 3:24). When a person comes into relationship with Christ they then come under the law of love, as it is described in the Bible (Romans 13:10). It appears that the way God chose to show great mercy without removing justice is to have His own son pay the price required of lawbreakers.

Our system of law does not allow the excuse of ignorance to be used. Our own consciences speak to us about what is right and wrong. When that conscience is violated we know we are breaking God's law. Our conscience also, if listened to, will reveal that no religion, no ideology or no amount of vain reasoning can clear away a person's guilt. Only the One who never broke the law and yet fulfilled it can take our guilt and shame. His name is the Lord Jesus Christ.

COOLGARDIE SOCIAL AGILITY

Another fun day was held on 10th September.
A great day was had with awesome weather
The day was finished off with a well deserved bbq.

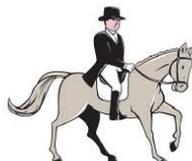

The day had events for Led & Ridden. A great day was had by all that joined in to tackle the courses, welcome to our new members.

Results for the Day.

Tickets available from

Kambalda Club Inc.

or

Vet's Club Room (building in front of squash courts) Wednesday Nights from 6.00pm

Draw will be held at the Kambalda Club starting at 6.00pm

The Kambalda Veterans Football Club is an amateur football club for players over 30 years of age. We are members of the AFL Masters WA Association. During the year and subject to players' availability we also take part in various carnivals in Kalgoorlie and Perth. We are a family orientated club and through our fund raising activities support our local community. We also enjoy a variety of club organised social events during the course of the year. If you would like to become a member of the Kambalda Veterans Football Club, membership forms can be obtained from Emma or from the club rooms on any Wednesday night from 6.00pm.

MEMBERSHIP FEES

FAMILY or COUPLE - \$50.00

Family includes two adults and the children immediately related to that relationship. If a child of the relationship is 18years old and unemployed or is a student he/she will come under the family membership

SINGLE - \$30.00 - OVER 18 years and employed

SENIORS PENSION CARD HOLDER:

\$30.00 Couple

\$20.00 Single

AGM

Thanks to everyone for making the effort to attend our 2017 AGM on the 12th of September. Special thanks to Braden, Anette, Lauren and Nathan for making the trip out from Kalgoorlie.

The Kambalda Sub Centre is bidding a fond farewell to members from previous years. Thank you to Lee Cox, Marilyn Ward and Paul Ayton for their service to St John Kambalda and we wish them well.

We are proud to announce that we were able to fill all available committee positions at the 2017 AGM. Welcoming old and new faces to a fresh and dynamic group, continuing the momentum for our Sub Centre following the recent upgrades.

Gutter cleaning

Ensure your gutters are ready for the downpour this winter by getting them cleaned out now, call us to get an estimate and book yours in.

Blocked gutters can lead to:

- Water leaks that damage walls and sag ceilings
- Rising damp and mould
- Pooling water can break down concrete and driveways
- Rotting wood fascias
- Insects living in debris and pooled water
- Cracks in foundations and damaged brickwork

Heating

Keep your family warm with our range of heating options
Need a new heater installed? Call us now to find out your options.

Already have a heater installed? A simple service and clean could get it working like new and prolong it's life.

Have an evaporative airconditioner?

A winter shutdown is a great way to save money by:

- Prolonging the life of your unit and its parts
- Reducing heat loss from your home
- Reducing the chance of split pipes caused by freezing in winter

Call us now to book yours in!

No job too big or small, Taps does it all

Shire of Coolgardie

Kambalda Community Resource Centre

Where did the month of September go? It's been another fun filled month of activities for our wonderful Kambalda community.

Thanks to the generous support of Lotterywest, Black Swan Theatre Company continued its successful live broadcast in September with its seventh broadcast, the award winning gripping psychological thriller 'Switzerland' by Joanna Murray-Smith.

On Friday 1 September, via Westlink, fifteen committed viewers brought along their home made nibbles and a nice chilled beverage to sit back and relax while watching the show. These evenings are always enjoyable with the locals taking the opportunity to catch up with each other in another way of socialising.

Kambalda CRC have been very fortunate to partner with Worklink Kalgoorlie giving Job seekers support with updating their resumes, creating resumes, preparing you for a job interview and so many more for those seeking employment.

Rod Murphy, from Worklink visits Kambalda every fortnight and if you are struggling with seeking employment Rod is your guy. Rod will work 1 on 1 to help you overcome your anxieties when it comes to seeking employment.

Our Karlkurla Wildflower Trip scheduled for Thursday 28 September sadly was cancelled due to wet and cold weather. We plan to try again soon and will keep everyone posted with a new date.

With Christmas just around the corner, dates are been set for a number of festive activities:

Seniors Have A Go Thursday 2 November
Seniors Christmas Luncheon. Wednesday 13 December

Positive Impact Postcard Campaign

We have available postcards for the community to tell our local members in the upper and lower houses of State Parliament the positive impact your Community Resource Centre has on individuals in your community.

Messages from Centre users and supporters i.e. Direct from 'voters' will have a much greater impact on our MP than messages coming from the Centre itself. Postcards from our community offer a simple mechanism for this to happen.

If you would like further information on upcoming activities, please contact Laura on 9080 2115 or email: kambaldacrc@coolgardie.wa.gov.au

Shire of Coolgardie

Coolgardie Community Resource Centre

September was another busy month at the Coolgardie Community Resource Centre. The spring weather and enthusiasm with our attendees saw the month fly by and as the saying goes "Time Flies when you are having fun" and how can we not have fun with the many different activities and events that we hold in our centre.

Meredith Water playing the Dun's

Drumbeat

On Thursday 28 September we hosted an Adult Drumbeat evening workshop and also a Children's Drumbeat School Activity which was held the next day on Friday 29 September. Wow what fun! The rooms were filled with keen enthusiastic musicians of all ages. Meredith from Esperance came up with 20 drums and a lot of percussion instruments for us to use. We all learnt the different drumming beats and also had a lot of fun with the different sounds from the instruments, from shaker sticks to carved frogs and the thunder drum. Thank you to everyone who attended and a big thank you to Meredith for visiting us at Coolgardie.

Our natural drummers

School Holiday Activity Fun

Come down and see us at the Coolgardie CRC, we have weekly activities happening and we would love to see you.

If you would like further information on upcoming activities, please contact Leanne on 9025 0309 or email: coolcrc@coolgardie.wa.gov.au
