## Kambalda Cleans up at WA Queens

All those early, cold Sunday mornings throughout this year's freezing winter months, paid off for the members of the Kambalda Full Bore Rifle Club when they attended the 2016 Western Australian Queens Prize Meet in Albany in late September.

Team Kambalda's success began in the days leading up to the Queens Prize. Kambalda Team members, Shayne McDonald (coach and shooter), Dave Bliss (captain), Laurie MacKay, Micheal Green and Dave Martin, battled the rain at the 800, 700 and 600 metre ranges to take out runner-up in the Ray Miles Team Shoot for Target Rifle. They finished with a grand aggregate score of 405.35.

With the team shoots done and dusted, the battle for the Duke of Edinburgh Prize began. Albany hosted some atrocious weather – freezing cold, fishtail winds and relentless rain – making the shooting challenging to even the most experienced shooters. Decked out in full wet weather gear (the rifles as well), Kambalda club members gave it their best shot and by the last day of the 'Dukes', FTR shooter Vanessa Bliss had snuck past Dave Bliss to take out the Number #1 badge for the FTR Class with a grand aggregate of 329.12.

After a bite to eat at the end of the 'Dukes', we were straight into the prize shoot we all came for – the esteemed 2016 Western Australian Queens Prize Meet. Albany didn't let up on the weather (it snowed on Bluff Knoll!) which made for some mixed scores. Regardless, Kambalda finished the competition strong with the following results: **Continued P11**

## Shire of Coolgardie

Message from the Shire Acting President  
September 2016

On Tuesday 4 October, the Coolgardie Shire Council held a special meeting to appoint an acting CEO to steer the organisation through the coming year. In accordance with due diligence Council advertised an EOI with clearly defined expectations that were relevant for the successful applicant. Having received 4 expressions, and numerous enquiries, Council were unanimous with their decision to appoint Mr James Trail to this position with his commencement date being effective as of the 1 November 2016.

Mr Trail's appointment comes with strong support from the Department of Local Government and credible recommendations from former Local Government bodies. James has been engaged by the Coolgardie Shire since 2013, also other high profile LG organisations. During this time his contractual services and expertise have been sought to assist and improve Governance, Risk, Compliance, Policy Revision, Local Laws and Financial/Administrational functions.

Council are united in their vision for the coming twelve months. Defined actions in relation to the Governance and the financial future of the Coolgardie Shire are to be implemented during Mr Trail's tenure. The professional calibre of experience, knowledge, and integrity that Mr Trail is able to offer the organisation will undeniably secure a solid foundation as the organisation works toward re-aligning with the shifting expectations of Local Government and their communities imposed by the State.

The Coolgardie Shire would like to welcome Mr Trail to his appointment and envisage a productive and progressive year ahead.

On behalf of the Coolgardie Shire Council, I would like to take the opportunity to thank our Acting CEO Ms Jill O'Brien for accepting this position of responsibility and leading the organisation through a challenging past few months. Ms O'Brien has represented the Shire with professional integrity and is to be commended for her diligence and management in this role. Jill will return to her commitments as the Manger of Recreational and Regulatory Services as of 1 November 2016.

As ratepayers, of Shire are aware, Council had rescinded the adopted 2016/2017 rate model and budget in light of the implications of the Valuer General's 2015/2016 revaluation of Gross Rental Valuations on the rate setting statement. At a special meeting of the Coolgardie Shire Council held on the 11 October 2016, Council adopted the new rate setting statement and budget and are now able to proceed with the issue the Coolgardie Shire rates notices. We would like to acknowledge, with thanks, the patience and support of those affected by this delay.

The Shire President, Malcolm Cullen and our Acting CEO, Ms O'Brien took swift action this month as an opportunity was presented to resolve the ongoing issue with wild goats in the township of East Kambalda. The muster will begin in two weeks and within a week the goats will be mustered and transported to Geraldton.

Members of Council were invited to view the progress on the restorative works on the historical Post Office building in Coolgardie. Early in 2016 Polassis Architects were engaged to consult, identify and direct repair priority works in conjunction with Safeway Building and Construction on site to complete this stage of restoration works. With a long awaited boost in funding from the Country Local Fund, supplemented by a supporting loan from the Shire, the works completed to date will significantly

From P2

improve the drainage and diversion of water away from the building. Masonry works have also improved the appearance and structural well-being of the building.

Councillors and Officers have been committed to reviewing service levels and assets across the organisation over the past months. The dynamics of the State Government are shifting and it is our responsibility to ensure the governance in relation to future financial sustainability is assessed in order for the Shire to maintain quality levels of service to our communities. As a means to supporting this we have been investigating the feasibility of shared services with the City of Kalgoorlie Boulder. During the course of a meeting held on the 12 October with the Mayor and CEO of the city, Ms O'Brien, Mr Trail and myself, it was identified that there are significant opportunities that will offer relief in the areas of Waste Management, Administrative Services and Asset Management. This initiative would serve to optimise service delivery by significantly reducing the impact of financial constraints, contractual deliveries, and enhance the resilience of the Shire and the City of Kalgoorlie Boulder moving forward into the future.

Tracey Rathbone  
Acting Shire President

## Shire of Coolgardie

From the desk of the Acting CEO

I am extremely honoured and excited that I have been appointed as the Acting Chief Executive Officer (CEO) for the Shire of Coolgardie.

The next 12 months will be a critical period for the Shire as it implements the recommendations of the Coolgardie Probity Audit which identified a range of statutory non-compliance. I was engaged by the previous CEO in an internal audit, risk management capacity to oversee and implement the recommendations of the Probity Audit reporting to Council and the Department of Local Government monthly since July 2016.

In my appointment as Acting CEO, the Council has set very clear performance objectives some of which are listed below:

- Implementation of the Probity Review Action List
- Undertake a service level and structure review of the organisation and implement the review
- Review the Shire's policies, local laws and delegations in accordance with the Probity Review.
- Implement a performance management framework Review and Implement the Shire risk management framework
- Investigate opportunities with the City of Kalgoorlie-Boulder to implement shared services
- Develop a compliance framework
- Written and verbal requests, complaints and enquiries from the community be dealt with in accordance with Council policy
- Ensure monthly financial reporting to Council is in accordance with statutory and legislative requirements

Continued P4

From P3

The responsibility to ensure daily operations, financial management, compliance, governance and risk within the Shire are managed will be of primary focus. I believe my work for the Shire as a contractor for the past 3 years will assist me with these responsibilities.

With good systems and process and most importantly competent, empowered staff, well informed decisions will be made. I intend to ensure the CEO and senior executive team are all truly held accountable to the values and principles in the Strategic Plan and Code of Conduct and walk the talk, outcomes will be achieved and sound decisions made. Good leadership is about honesty no matter how much the truth may momentarily hurt. I take great pride in the fact that I always look to lead by example and take my responsibilities seriously. I always endeavour to act with a great level of humility and ensure I "walk the walk" not "talk the talk".

Over the past two months it appears that the community may have been misinformed or not provided with all the facts over certain issues. I encourage any concerned members of the community to contact the Shire office in Kambalda or Coolgardie and I will happily make myself available to meet and discuss any concerns or answer questions you may have.

I am extremely grateful to the Council and my wonderful wife and three daughters for giving me this exciting opportunity to make a difference.

Kind regards

James Trail  
Acting Chief Executive Officer

# Outdoor Summer Movie Series

## Starts up for 2016

The Shire of Coolgardie are bringing you cinemas under the stars. On Friday 21 October we kicked off our summer series movies for the 2016/2017 season.

There were approximately 60 viewers there all rugged up and ready to sit back and relax to watch Zootopia.

Although the night was a little bit chilly getting down to 10 degrees there was still a great turn out for this screening.

Thank you to The Shire of Coolgardie for the maintenance of the Town Square, the venue was perfect for the event. The grass was green, soft and ready for the little ones to lie on a blanket under the stars and watch a good movie.

Thank you to BHP Billiton Nickel West for the continuous support for making this event possible. Without the continuous sponsorship we wouldn't be able to provide events like this for the community.

### Next Screening

**Date:** Friday 18 November 2016

**Venue:** Lions Park, Barnes Drive Kambalda

**Movie:** Home Alone

**Cost:** Gold coin donation to the T-ball Club Kambalda.

The Summer Outdoor Cinemas is a great opportunity to fundraise for local groups or clubs.

## Kambalda Police Station – Spring 2016

Just to introduce myself, I am the officer in charge of Kambalda Police Station and have been in the role since April 2016.

Currently Kambalda is enjoying a relatively low crime rate, this is usually expected during the colder months. There have been a few reports relating to vacant properties around town being targeted and commonly it has been hot water systems stolen. If you are a property owner it is important to ensure that you have any boundary fencing secured with pad locks to deter and prevent thieves gaining access to the rear of properties, where most hot water systems are fitted. If you are living next door to a vacant property and see any suspicious persons or vehicles please contact the police station to report it at the time.

As the weather starts to warm up it is important that households in the community take responsibility for securing their property. This includes locking doors and windows, securing valuables and other equipment like bicycles, off road motorcycles and gardening equipment in locked outdoor sheds and garages. If you take reasonable steps as above you will prevent the likelihood of your property being stolen by opportunist thieves. Crime prevention advice can be provided by officers at the police station, so feel free to come into the station or make a phone call.

There are several social media sites available to the community to make comment on local issues, believe it or not most the staff at the police station do monitor these sites. As a member of the community, if you see or hear something that isn't right then I would encourage you all to contact Kambalda Police Station by phone in the first instance. There was recently an example where a local posted on Facebook that they had seen a dark 4WD acting suspiciously in the light industrial area. That person didn't call the police station to report the suspicious activity and it transpired the following morning that the Shire of Coolgardie depot had been broken into and several thousand dollars' worth of tools stolen. So remember, if it doesn't look right it probably isn't!!

Finally, I am aware and concerned by the lack of activities available to the local youth in and around Kambalda itself. Kambalda Police Station has recently been given approval to commence Blue Light activities within the community and has received full support from the Shire of Coolgardie, local schools and the wider community. There will be notices of upcoming events posted in the coming months, so keep a look out for these and I would encourage you all to get your kids to come along and have some fun

### Kambalda Sub Branch

During 2014 and 2015 Kambalda Volunteer Fire & Rescue Service assisted the RSL, Kambalda Sub Branch to raise much needed funds for Legacy.

Being 100 years since the departure and landing of our ANZACS on the Gallipoli shores the Brigade wanted to do something for the fallen and those families left behind.

Life member of the Brigade Bevan Hamilton was the driving force behind the fundraising as, like most of us he has a strong bond to those that served. Bevan designed special commemorate stubby holders which were sold through various locations around town.

The Kambalda Club Inc was a driving force in assisting the brigade with selling and the promotion of the stubby holders and a special mention must go to Sue Tagliaferri and her staff for their efforts.

We would also like to thank our local businesses and wider community for your support in this venture.

A total of \$3000.00 was raised during the 2 years.

The proceeds were duly passed on to Legacy.

## Hon Dave Grills MLC

Member for the Mining and Pastoral Region

October 14, 2016

### Tough new laws to tackle graffiti vandalism

The State Government has delivered another blow to graffiti vandalism in Western Australian communities with its tough new graffiti laws coming into force this week.

Member for the Mining and Pastoral Region Dave Grills MLC said the State Government had fulfilled another key election commitment by creating a stand-alone graffiti offence, which carried significant maximum penalties of a \$24,000 fine and two years behind bars.

"I believe that these new measures will give offenders some sense of the impact of their crime and send a message that one simply cannot trash a piece of public or private property without consequence," Mr Grills said.

"Under the new laws, those sentenced to a community-based order or, if a juvenile, a youth community-based order must undertake at least 10 hours of community work to clean up graffiti."

In addition to mandatory clean-up orders for convicted vandals, Mr Grills said the Graffiti Vandalism Bill also included measures such as:

- confiscation of property, like smart phones and laptops, used to record and transmit graffiti vandalism;
- strengthening Public Transport Authority (PTA) powers to ban serial offenders from buses, trains and stations;
- strengthening local government powers to enter private property to remove graffiti; and
- creating an offence for possession of a graffiti tool or implement.

"These tough new laws will support our local communities and help reduce wanton damage to public and private property. Home and business owners know the effort it takes to clean up graffiti vandalism and now offenders will also understand the work involved to remove graffiti," Mr Grills said.

Nationals WA candidate for Roe Peter Rundle said the laws strengthened what the Liberal National Government was already doing to combat graffiti vandalism, which cost WA about \$8 million a year to remove.

"The State Government endeavours to clean graffiti vandalism within 24 hours and now they will remove the ability for a vandal to broadcast it. If it isn't already, now graffiti vandalism will be the most pointless past-time in WA," Mr Rundle said.

In 2007-08 there were 16,025 verified graffiti offences, dropping to 2139 in 2015-16. The cost of removing graffiti vandalism in 2013-14 was \$7.84 million.

# Dealing with snakes

In spring and summer, many reptiles emerge to bask in the sun. During this time you should take precautions to minimise the chance of encountering snakes.

Remember, snakes are an integral part of the natural environment and play an important role in

## If you find a snake:

Do not approach or aggravate it in any way. Most bites occur when people accidentally step on snakes, or while attempting to kill them. As the warmer days of spring approach, snakes become more active as they leave their winter retreats in search of a mate and food.

If you find a snake in a garden or a house, contact **Wildcare Helpline (08) 9474 9055** to be referred to a volunteer reptile remover. If volunteers are unavailable, there are commercial snake removal services. Advice can be provided by phoning the Department of Parks and Wildlife on **(08) 9219 9840** Wildlife ecosystems.

## Precautions

- Take care in bushland and grassy areas.
- Walk and/or cycle in cleared areas only, where you can see the ground.
- When bushwalking, wear long trousers and boots or other enclosed footwear that preferably cover the ankles.
- Keep a watchful eye on the ground about a metre ahead of where you are walking, and avoid entering areas of long grass, rushes and undergrowth.
- Around your home remove long grass and items lying on the ground such as corrugated iron, which may provide cover for snakes.
- Reduce mice numbers around the house.
- Learn the [correct treatment for snakebite](#). (*First aid information from St John.*)

## **Why should I have a pap smear?**

Up to 90% of the most common type of cervical cancer can be PREVENTED if early cell changes are detected. As cervical cancer does not cause any symptoms early in the disease, the best way to detect cell changes is by having a pap smear. A Pap smear is the best method available to detect these early cell changes.

A pap smear is a painless, quick and simple screening test. All women between the ages of 18 -70 years should have a pap smear every 2 years. Younger women who have been sexually active for 3 years should also have pap smear screening.

# Shave for Charity

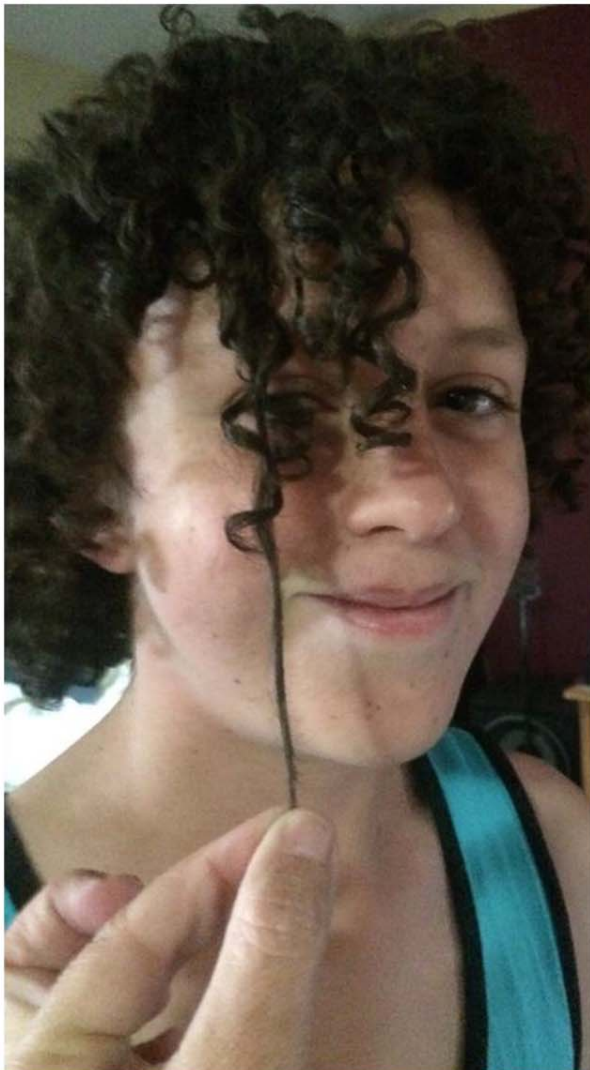

Young Kambalda West District High School, Year 6 student Regan Willcocks-Fish is about to embark on a hair-losing adventure. He is taking part in this year's Goldfields Relay for Life, in the **parkrun** team.

Regan has decided that he is going to bravely shave off his lovely curly locks and hopes that you will help support him by donating to this worthy cause.

'Relay is the chance for the Kalgoorlie-Boulder community to come together to recognise and celebrate local cancer survivors, patients and their carers, to honour loved ones lost and to help raise much needed funds to help save more lives'.

This year's Relay is being held over the weekend of 5 – 6 November. Teams will walk the track at Digger Daws Oval in Kalgoorlie. Kicking off at 10.00am on Saturday 5 November and continuing for the next 24 hours. There will be a moving Candlelight ceremony starting at 8.00pm on Saturday evening, where the word 'HOPE' lights up and adorns the edge of the track.

We would like to encourage as many people as possible to come along during the event, buy a raffle ticket, roam the different team stalls and their individual fundraising activities, and just enjoy the atmosphere. There will also be food/drink vans and kids entertainment throughout the day.

We would love to see the Kambalda Community support Regan by visiting the Goldfields Relay for Life website, you can either type in his full name – Regan Willcocks-Fish or via the parkrun team page and PLEASE donate. Alternatively there are links on the Kambalda Our Community and Kalgoorlie General Enquiries face-book pages.

Regan will be supported by local Kambalda hairdresser Sarah Palmer-Edwards who will be conducting the 'Big Shave' at 2.00pm on the main stage.

Whatever you can afford would be so gratefully appreciated, as it all adds up and goes together to raise big money at the end of the weekend.

## ANNUAL GENERAL MEETING

Wednesday 1 February, 2017  
5.00pm - Kambalda Football Club Rooms

All 2016 held positions will be declared vacant.

In this meeting we will be looking to fill these positions:

Secretary	Treasurer
Junior Delegate	Home Game Umpire/s
Auskick Co-ordinator	Auskick Assistant Co-ordinator
10's Coach	10's Team Manager
12's Coach	12's Team Manager
14's Coach	14's Team Manager
16's Coach	16 Team Manager
and Committee Members	

The 2016 Committee hope that by advertising this meeting early, player's parents and community members will consider and decide to volunteer their time and take on a position for the 2017 season. We would really like to have all positions filled and organized before we open player registrations in late February, early March.

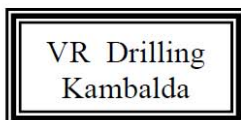

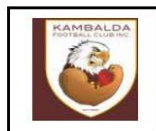

These positions require the volunteers to attend fortnightly committee meetings wherein club business is discussed and events are organised.

- \* Coaches will need to be available Monday & Wednesday afternoons for training (5.00pm – 6.00pm) and Saturday mornings for games.
- \* Team Managers organize jumpers and the team on game day, time-keep the game and wash the team's jumpers ready for the next week.
- \* Home Game Umpires are required on Saturday morning to umpire home games only.

Please if you can volunteer your time, please take on a position for the 2017 season.

Thank You.

## **NOVEMBER SQUASH NEWS**

The **2016 Spring Pennant** season has just re-commenced after the school holiday break and now head into the second half of the season. Individuals and teams now have to produce their best form in the run home to the Finals in late November.

Individually there are only a few points in it for the top players #1's: Glenn Smith (50 points) has a narrow 4 point lead over Brock Leeson (46 points); #2's Dean Fraser (52 points) and Reed Leeson (50 points) are vying for honours separated by only 2 points; #3's – Chris Poke (47 points) and Montana Leeson (43 points) are battling it out only 4 points apart; #4's sees a 3 way tussle with Felicity Murray and Calinda Leeson tied on 43 points with Cheresse Leeson only 4 points adrift on 39 points. Looks like its going to be very close all around for the run home.

Ladder below after the completion of 10 rounds:

<b>Ladder</b>		
<b>Team</b>		<b>Points</b>
EUCHUA'S	1	35
AUGUSTA'S	2	32
DARWIN'S	3	32
BROOME'S	4	32
FINLEY'S	5	26
CASURINA'S	6	23

## Shire of Coolgardie Coolgardie Visitors Centre

### Camping in the Shire of Coolgardie

The warmer weather and camping season are upon us, hopefully to stay for a little while this time. Having had such a long and wet winter the bushland around the Shire of Coolgardie is looking very beautiful and green. The wildflowers are slowly coming to an end but the water reserves still have plenty of water in them. Its the perfect time to get out and explore all the beautiful places around us.

### Victoria Rocks

Victoria Rocks was originally called "Queen Victoria Rock" named in honor of Queen Victoria by John Holland in 1893. It is one of the largest, most spectacular Granite outcrops in the Goldfields. From the top of the rocks you will have panoramic views of the surrounding woodlands.

In the 1920's the woodlands below were completely cleared for their use of timber, Today however, you will find plenty of Salmon Gum, Gimlet & Redwood growing. There is also plenty of wildlife to be seen with Emus, Echidnas and Ornate Dragons (type of lizard) often spotted here.

It is an ideal spot to go camping if you dont want to travel to far from home but still want a bush retreat to explore in our stunning region. The Victoria Rock camping spot is perfect for sightseeing, bush walking, photography, star gazing or just to spend the weekend relaxing.

Victoria Rock is located 48kms south of Coolgardie along the Victoria Rocks Road, it should take you about 30 – 45 minutes from Coolgardie and It is accessible in a 2-wheel drive car.

Once you get there, you will find an information shelter, shady picnic spots, camp sites, toilets & barbecues.

Please make sure you pack your own drinking water and fire wood.

Please note, as the area is in a conservation reserve, no dogs are allowed.

Victoria Rocks - from the top of the rocks you will have panoramic views of the surrounding woodlands

The Australian Breastfeeding Association (ABA) is now holding monthly meetings in Kambalda!

Our last meetings for 2016 will be 24 November and 15 December. All welcome J.

**The topic for November is 'The silly season with baby'. Facilitated discussion will cover a range of topics including heat, travel, alcohol and dealing with unwanted advice!**

Our December meeting will be a casual morning tea, with a breastfeeding counsellor present to offer individual counselling if required.

We meet at the Kambalda Community Recreation Facility, 10am-12noon. We may move to Lions Park if the weather is fine.

Recreation Centre staff can direct you to the right area.

Each month will feature a presentation or discussion facilitated by a volunteer breastfeeding counsellor, or guest presenter. We will offer a range of breastfeeding and other parenting topics.

Meetings offer an opportunity to chat with other parents as well as receive breastfeeding information and support in a relaxed, non-judgemental Environment. Parents, parents-to-be, health professionals, babies, toddlers and other breastfeeding supporters welcome. A plate to share would be appreciated, but not essential. A \$2.00 per adult donation toward room hire would also be appreciated.

For further information check out:

# A COMMUNITY IS ONLY AS STRONG AS ITS PEOPLE.

## HELP YOURS BY BECOMING VOLUNTEER WITH ST JOHN AMBULANCE TODAY.

Volunteers are important people who donate their time to help others. Kambalda relies on local volunteers to keep this vital service running.

To find out more about making a real difference in Kambalda, visit [changelives.stjohnambulance.com.au](http://changelives.stjohnambulance.com.au) or call 1800 069 393.

# HAPPY BIRTHDAY ROSIE!

Last month our one-and-only Rosie celebrated her birthday with a well-earned break away. As one of our Sub Centre's Volunteer Development Officers, Rosie is responsible for the ongoing training of our operational volunteers. She plays an essential role in our ability to provide an ambulance service to the town, and her dedicated efforts are valued immensely.

## AMBULANCE DRIVER TRAINING COURSE

We recently conducted a Driver Training course in Kambalda, which involved a variety of exercises including driving under priority conditions, and the testing of lights and sirens. We extend our thanks to the Shire of Coolgardie for allowing access to designated areas, Caryn Hargrave for organising, and our community paramedic Shaun Davis for running the training. If this sounds like something that interests you, go to [changelives.stjohnambulance.com.au](http://changelives.stjohnambulance.com.au).

## THANK YOU!

Our ambulances are serviced regularly by the team at SMS Silverlake Mechanical and Split Systems, who generously fund and support our Sub Centre through the maintenance of our vans. From all of us, thank you for again keeping us operational this year!

## FIRST AID KITS

We stock a variety of first aid kits, from just \$20.50!

### ***Kambalda Mosaic Pathways Proposed Community Art Project***

We are looking at commencing a pathways project based on our culture, identity, life in Kambalda to be created by our community, including those who have left town. Any subject, group, business, life, history etc.

To do this we need creative people to join us at inception point and are seeking expressions of interest from mosaic Artists and people who are interested in participating in the creation of this wonderful public art.

The idea has been developed around Bruce Rock Centennial Mosaic Pathway concept, not emulating it, but based on 50 years since the official opening of the Nickel Mines on 15th September 1967.

The first stage will be implemented at the Arts Centre, hopefully being installed leading into the monument in Kambalda East Town Square, with appropriate local authority support to follow.

Holiday's at the Coolgardie Museum a success

The Coolgardie Museum held its first Holiday Program during the October 2016 School Holidays. What a busy and fun time we had with everyone who attended.

In week one, we invited children from around the Goldfields to come out and explore the Museum with a guided tour and treasure hunt. This event was quickly booked out. The Children aged 5 -13 had such a fun and educational morning learning about the history of Coolgardie and testing their memory skills as we explored the town centre looking for Treasure and getting prizes.

In Week two the Kambalda Community Recreation Facility staff brought a bus load of children across to Coolgardie and what a great morning it was! We had fun exploring the Museum and then enjoyed an old fashioned game of Quoits over lunch. This game was a real skill tester with the offer of prizes for each ring to land on the peg, it still proved to be much harder than we thought but it was a great opportunity to enjoy the beautiful sunny day outside.

The Treasure hunt had the children exploring and investigating the different spots around town to find the items in question while learning lots of interesting facts along the way.

Later in week two we had two organizations from Kalgoorlie GIFSA & the YMCA visit us. They brought the children who had booked into their school holiday programs. What a great day out joining in the Coolgardie fun and everyone involved had a great time.

The Programs were a huge success with 122 children going through the Museum over the four days. Many of the children had never been to explore Coolgardie before and loved the experience.

Due to the interest we received during these school holidays we will be looking at running a few programs over the Christmas School Holidays - Watch this space!

If you would like further information on upcoming activities

## EXPRESSION OF INTEREST

### Remove and Dispose of Scrap Material at the Pro-Force Plant Site

#### Description

The introduction of the Mining Rehabilitation Fund (MRF) provides a dedicated course of funding to address abandoned mines in Western Australia. The Department of Mines and Petroleum (DMP) has accessed MRF interest to undertake rehabilitation activities at the Pro-Force site near Coolgardie.

DMP is proposing to engage a suitably qualified and experienced contractor to remove scrap metal from the Pro-Force Plant Site near Coolgardie and dispose of the material at a suitable refuse facility nearby. This work will be done in Q4 2016.

DMP is seeking Expressions of Interest from stakeholders who may be interested in providing quotes to undertake this work.

#### Responses

If you would like the opportunity to provide a quote for this work please confirm your interest by emailing your contact information and 'DMP01MRF' to: [abandonedmines@dmp.wa.gov.au](mailto:abandonedmines@dmp.wa.gov.au) before 3.00pm on 7 November 2016.

## Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain - David Shilton

As you are aware from media coverage and the change in the weather temperatures, the Bush Fire Season is approaching us. Are you prepared? Have you done what needs to be done to protect your family and property? If not do it now!! Clear away all flammable materials and ensure that you have a cleared area around the outside of your property, do it now before it's too late.

The Junior Running Teams are going well with their trainings and at the end of November they head down for the State Championship Competition held in Fremantle. The teams have also been actively involved in fundraising for this event. Thank you to the community who have come along and have supported us. We look forward to representing Coolgardie at the competition.

The Coolgardie Fire and Rescue Service is always looking for volunteers to join our Brigade. Our trainings are on a Tuesday night at 7pm and call outs - well as we know can be anytime of the day or night! When you become a member of the brigade you will learn the skills and become qualified as well as becoming part of a team with your community and the DFES organisation.

If you are interested in joining the Brigade call David on 0412 859 582 or Steve on 0438 421 130

Kambalda School Holidays another success

The Kambalda Community Recreation Facility once again ran the School Holiday Program with every program fully booked out these holidays.

We kicked off with Tuesday 27 September Dream catcher in the Library craft where the children made their own dream catchers under the watchful supervision of our Librarian, Mikaela.

Children showing off their culinary skills

Wednesday 28 September was cooking up in the function room kitchen with the children showing off their culinary skills making chicken nuggets from scratch with real chicken, then followed by giant ice cream sandwiches.

Thursday 29 was drawing with Madi for the little ones and in the afternoon for the older group cartoon drawing with Fin Alexander. Some great pieces of artwork were produced and some very valuable drawing skills learnt as well.. Thank you Fin and to the Kambalda Community Resource Centre for their kind donation.

Excursion to Coolgardie Museum

Friday 30 September was a bus excursion to Kalgoorlie to watch Storks at the cinemas, then onto Hammond Park for a sausage and a run around in the park.

Tuesday 4 October Halloween bags were made in the library for all the little 'trick or treaters', they weren't your normal sized shopping bag, however the children turned out some very creative bags.

Coolgardie Visitor Centre guide Meghan Kent keeps the children focused

Wednesday 5 October an excursion to Coolgardie this time to check out the Museum. We met with Meg our museum guide at the Coolgardie Visitor Centre, who is very informative and kept the children listening and occupied the whole time. We ended the tour with a historical scavenger hunt. Thank you Meg you were fantastic.

Thursday 6 October another round of cooking, on the menu this time was potato and corn fritters with mars bar slice for dessert. YUM!

Friday 7 October was our last program for the holidays, sand art. It may not sound all that exciting, however the finished products were quite impressive.

I would like to thank all who attended and supported our school holiday program. We hope everyone had a great school holiday and have settled back into school with ease. We look forward to seeing you all again next holidays.

## The Pastor's Pen with Bill Kirkland

One of the best known characters in the Bible is a man called Jacob. Jacob was the younger of twins. Through deception he cheated his brother Esau of the blessing which fathers gave to their firstborn. In Hebrew Jacob's name actually means deceiver. After stealing his brother's birthright Jacob found himself running for his life. Esau was very angry and felt very aggrieved by his brother's actions. Jacob settled down and married into his mother's family. Jacob's father-in-law then deceived Jacob, first of all in regards to getting married to the daughter he loved and then in regards to his wages which were continually changed and not usually for the better. In one sense you could see that Jacob was reaping what he had previously sown. Jacob had deceived and now it appeared he was receiving a dose of what he had given out.

The Bible records Jacob having an encounter with God resulting in Jacob's surrender. God then changed Jacob's name to Israel. From Israel's family came twelve tribes which made up the nation of Israel. The most famous of Israel's children was Joseph. He too was a casualty of deceit as a couple of his brothers sold him into slavery and then told his father that he had been killed by a wild animal.

Many people feel deceived in life. The gospel of John records a meeting Jesus had with a man called Nathanael: 'When Jesus saw Nathanael coming toward him, he said, "Here is a true descendant of our ancestor Israel. And he isn't deceitful." John 1:47 Meeting someone without deceit seemed very refreshing to Jesus. Jacob had been transformed by a meeting with God. Now Jesus described a true child of God as one who had had their nature transformed. It was Jesus Christ Himself who transformed Jacob's nature and He still does the same today. Some people feel they can do this transformation without God. There is hope that we can be transformed from being deceivers to being trustworthy, from faithless to faithful, from blasphemers to worshipers, from liars to truth tellers. Certainly outward behaviour can change but inward purity comes from God alone.

## Kambalda residents turn it on for Halloween

They had everything you could think of for the evening! Hot dog competitions, grave yards, headless brides, bagged bodies enough to spook even the toughest.

A Kambalda resident has been preparing most of the year for Halloween to catch the eyes of the locals and the children. Traditionally an American holiday Halloween is becoming well embraced in Australia.

## Shire of Coolgardie Kambalda Community Resource Centre

October has been a month of celebrations and you couldn't have asked for better venues to do it in.

On Thursday 20 October the Community Resource Centre celebrated Grandparents morning.

It was a fun filled morning starting with story time activities – sing-a-long, story time reading and finishing with crafts which was fit for the occasion – crowns to be worn by Grandparents, Guardians, Carers' and Custodians.

With a big number of children participating we were heading for a wonderful celebration.

Grandparents morning celebrates the vital role that grandparents play in our society, as custodians of individuals and cultural memories and as providers of care and love to their children and grandchildren, it is a morning that recognises the irreplaceable role grandparents have in their families and in their wider community.

Thank you to all who attended to help make the morning a special celebration.

On Friday 7 October Centrecare Kalgoorlie, HOPE Community Services, Headspace to name only a few service providers came to Kambalda to start the celebration of Mental Health Week.

Lions Park was the perfect venue, stalls were set up offering numerous information and support.

Mental Health Week is a national event, held every October to coincide with World Mental Health Day (10 October).

The aim of Mental Health Week is to promote social and emotional wellbeing to the community, encouraging people to maximise their health potential, enhancing the coping capacity of communities, families, individuals and increasing mental health recovery.

This year the Western Australia Association for Mental Health used the Act – Belong – Commit message with a focus on suicide prevention as the official theme for Mental health Week.

### Coolgardie Community Resource Centre

We are all loving this warmer weather at the Coolgardie CRC. Warm weather on the outside and warm hearts on the inside.

#### **Carer Support Luncheon**

On Wednesday 19 October we held a Carer Support Luncheon in conjunction with Centrecare Kalgoorlie. This month we did something a little different. It was a "Create your own Burger / Wrap" and wow the room was lite up with lots of delicious and fresh creations. Alison brought along a quiz for everyone to do and there was lots of laughs while completing that. Thank you Centrecare for an amazing morning and luncheon.

#### **Tuesday Morning Craft Sessions**

Our craft mornings are still going well. Thank you everyone for the huge donation of bottles that we have received. They are certainly being put to good use and Rosemarie and Marlene are clearing that collection each week, so keep drinking and with these hotter months, drink more as we need your bottles. ☺

We also have other projects that we are working on and are always open to new ideas and members, pop down and see us on a Tuesday morning from 10.30am.

#### **Bike Ride – Coolgardie to Laverton**

On Wednesday 19 October the Coolgardie CRC in conjunction with the Coolgardie Police ran a fundraiser BBQ breakfast and send off for Senior Sergeant Heath Souter and his team of riders who rode their bikes from Coolgardie to Laverton in two days. (400 kms in three days). This was a charity ride to raise funds for the Royal Flying Doctors as well as a commeration of the historic bike ride that Dr Laver, a true Goldfields Pioneer did 120 years ago. It was a early morning gathering in Coolgardie Park, thank you to the Coolgardie Fire and Rescue Service and St John Coolgardie Sub Branch for coming down and supporting the riders with the escorted engine and ambulance send off. Thank you to everyone who came down and donated and also to the children who came to the park before getting on the school bus.

Sergeant Brett Pengilly presents the donation tin to Senior Sgt Heath Souter at Coolgardie Park
