Shire of Coolgardie

Message from the Shire President
October 2018

Main Roads WA have given confirmation to all local governments, that they are now able to process and pay invoices for road projects being undertaken this financial year. This process has been delayed due to ongoing negotiations between WALGA and the State Government regarding the State Road Funding Agreement, whereby WALGA had been trying to increase the level of funding from 20 to 25 per cent of vehicle licences over four years. This is still a good outcome for local governments as it will enable the first and second payments to flow through to enable road projects planned for this year to commence.

St John Ambulance have released a list of frequently asked questions into the Kambalda community about the provision of medical services in the town. These include:

1. St John is considering providing a general practice, telemedicine plus a variety of other medical services.
2. St John and the Shire are endeavouring to access patient records from Jupiter Health, however it appears that previous patients may have to contact Jupiter directly to obtain their records, which may incur a fee.
3. St John have met with a former doctor from Kambalda Medical Centre with a view to provide future doctor services.
4. The Shire is expecting an announcement from St John in the near future regarding a commencement date of medical services including a local doctor in Kambalda.

Restoration works on the public building in Coolgardie commenced this month, with contractors on site replacing the weathered stonework and building foundations. It is good to see this work finally started and we may soon have the Department of Mines and Mining Registrar Office reopening in town. It's anticipated these works will be completed in December.

Councillors and staff hosted several local and interstate visitors at the Coolgardie Cemetery on September 5 for the unveiling of a memorial plaque for former Australian Test Cricketer John Cottam, who passed away at a young age in the Coolgardie typhoid epidemic. Deputy President Tracey Rathbone opened the ceremony, with Dr Colin Clowes from NSW Cricket officially unveiling the plaque. John Cottam is one of many notable people interred at the historic Coolgardie Cemetery; others include the famous explorer Ernest Giles.

The waste water treatment plant in Coolgardie suffered serious damage recently at the hands of a group of young vandals who broke into the control shed and smashed all the pressure gauges, switching panels and connecting copper piping. The damage is expected to run more than \$70,000 and may take several weeks to repair. Luckily there is surplus storage in the ponds for the waste water, however the park and oval will now have to be watered with scheme water until repairs are completed, resulting in added costs to the Shire.

Shire planning consultant Francesca Lefante has been working tirelessly with Little Industries over the past weeks to put together a workable solution for the provision of a temporary fuel outlet for the town of Kambalda. This agreement has enabled the purchase of diesel fuel and emergency supplies of unleaded petrol from Little's depot located on Granby Road in Kambalda. This is a great result for the Kambalda community and I would like to thank everyone involved in achieving such a successful outcome.

Coolgardie Day 2018 was celebrated on September 16 with a huge crowd of more than 20,000 people attending from all over WA. With the weather gods smiling on the day, there was a great array of rides, stalls, food, and many attractions on display for our visitors to enjoy. I would like to congratulate the hard-working committee members on a successful day and for creating such a showpiece for our Shire, as Coolgardie Day has developed into the biggest one-day event in WA, outside of the Royal Show in Perth.

Meetings, forums and events attended this period:

- Meeting with Rachelle Russell regarding local community issues, on August 27.
- August 28: CDC trial working group meeting in Coolgardie. Discussed the trial extension and evaluation of CDC trial.
- GVROC teleconference to discuss State Council Agenda, on August 29.
- Teleconference with Swimming WA CEO Darren Beazley to discuss swimming pool management.
- Hosted Federal Member Rick Wilson and Minister for Aged Care and Housing Ken Wyatt in Coolgardie on August 30.

Continued P3

From P2

- Travelled to Dongara for State Council meeting, on September 6-7.
- Met with MRWA representatives to discuss Black Spot projects on Bayley Street, Coolgardie.
- September 18: Meeting with Tim Philips to discuss the preservation of the Long Shaft Headframe.

Malcolm Cullen
Shire President

Shire of Coolgardie
From the desk of the CEO
October 2018

Hi everyone

Hope you are all well and enjoying this great weather.

The BP service station tank removal is happening and the Shire was pleased to be able to successfully negotiate an interim solution for the supply of diesel at Kambalda. Thank you to Joe Little at Little Industries in Grandy Road, Kambalda in conjunction with Eagle Petroleum for making this happen. You can purchase the Diesel 24/7 via use of a credit card, Eagle Fuel or Debit card. Light and heavy vehicles up to a max of 20 metres (Rav1 network) are able to refuel at the site. There is also a limited emergency supply of petrol that is available in 20 litre containers on request, contact Clint Walding directly on 0448 548 853 or operations@littleindustries.com. Full details are on page 4.

Update on medical services

As part of our integrated modelling, St John is endeavouring to have a doctor located in Kambalda who is supported by a range of medical services such as telemedicine and volunteer supported services including ambulance, transport and First Aid. St John Medical strives to provide affordable healthcare for all patients and will endeavour to provide the most cost-effective model and service. St John is investigating the local needs of the Kambalda community and will endeavour to meet the needs of the community. It is hoped that by providing more diverse primary health or pre-hospital care to a community such as Kambalda, it actually reduces the strain on the local ambulance service, freeing them up to focus on emergency response in the region. It is our aim, with the proposed integrated medical model that is developing, to address the local need for patient transfer and community patient transport. St John is also exploring the use of some telemedicine service to the Kambalda community as part of its integrated approach to medical services. It is anticipated to have a medical service operating by early November.

I would like to congratulate the Kambalda Colts football team for winning their grand final against Railways. The Kambalda Community is very proud of their achievement. After a disappointing loss in the Grand Final in 2017, it is a credit to all involved to bring the cup to the home of the Eagles Boys in 2018.

Shire staff are to be commended on completion and submission of the Draft 2017/2018 Annual Financial Statements to the Shire Auditors. This is the first time for some years this compliance deadline has met. The Shire has finished the 2017/2018 Year in a strong financial position.

Well done to the Coolgardie Day Celebrations committee for a very successful Coolgardie Day which attracted a huge crowd. It was enjoyed by all with a lot of positive feedback. It was a wonderful day out with excellent weather and once again an excellent opportunity for Coolgardie to shine. We look forward to next years event.

Congratulations to Meghan Kent, Jacinda Evans and Gaynor Jefferies for their being awarded the Judges Site Visit award in the GWN7 Top Tourism Awards for 2018. You all worked hard and it is well deserved.

Take care,
James Trail
Chief Executive Officer

Shire of Coolgardie

Media release: Temporary fuel supply - 8 Granby Road, Kambalda

Coolgardie Shire President Malcom Cullen is pleased to announce that the Shire has successfully negotiated an interim solution for the supply of diesel fuel at a site in Kambalda with local business owner Joe Little at his property at Little Industries in Granby Road, Kambalda in conjunction with Eagle Petroleum.

The temporary arrangements commence on Monday 17 September 2018 and will have effect until 31 March 2019. Diesel Fuel will be available to the public 24/7 by use of credit card, Eagle Fuel card or Debit card. In addition, emergency limited supply of petrol is available in 20 litre containers on request by contacting Clint Walding directly on 0448 548 853 or by email at operations@littleindustries.com.

The fuel arrangements are:

- Diesel fuel available 24/7 by use of credit card, Eagle Fuel card or Debit Card
- Vehicles – light and heavy vehicle up to a max of 20 metres (RAV 1 network) are able to refuel at the site.
- Access to the site is via Granby Road. Follow the directional and site signage
- Once at the site there is a dedicated one-way driveway through the site. Please follow the directional signage
- Petrol - Limited emergency supply of petrol being available in 20 litres contained on request by contacting Clint directly on 0448 548 853 or by email at operations@littleindustries.com

Shire of Coolgardie Ordinary Meetings for 2018

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

Day	Date	Time	Location
Tuesday	October 23	6pm	Kambalda
Tuesday	November 27	6pm	Coolgardie
Tuesday	December 18	6pm	Kambalda

See the CoolRambler in full colour online!

You can view each month's issue (as well as loads of other Shire information) in full colour from the Shire website on your computer, tablet and phone. To find the online version of the Rambler go to:

Coolgardie Police News

From Acting Sergeant Rob Beck

We are happy to report Coolgardie Day was a great success as far as the police were concerned. We were delighted with the turnout and the day concluded without any significant incidents. Credit to the organisers and all the volunteers who work behind the scenes to make the event run smoothly. Without such people in the community we would not be able to enjoy events such as Coolgardie Day and that would be a shame.

During September we have seen an increase in juvenile offences in town compared with the previous month. Sadly, Coolgardie Primary School was vandalised and the following day a significant amount of damage was caused to the water treatment plant on Bayley Street. Four bicycle wheels were stolen from the CAPS school during the same time period.

On all three occasions police located and charged the suspects. Three offenders are currently on bail awaiting a court appearance next month.

These offences were committed by children, and the recurring theme is the absence of parental supervision on each occasion. Police will continue to work alongside both Coolgardie Primary School, CAPS and the Department of Child Protection to ensure we are doing our best for the child.

For those among us who like to dress up we are happy to announce another Blue Light Disco in partnership with the Coolgardie Community Recreational Centre. On Wednesday, October 31, 2018 we will be having a Halloween-themed disco. For further information you will find posters up at Coolgardie Police Station and the recreation centre.

■ For up to date information on policing in Coolgardie, which includes some of the work that goes on, please follow us on Twitter: @CoolgardiePol

"We were delighted with the turnout and Coolgardie Day concluded without any significant incidents."

Coolgardie Day shoppers used cashless debit card successfully

Coolgardie Day

The Cashless Debit Card was a success on this year's Coolgardie Day, with 95 per cent of stalls accepting the card due to having EFTPOS facilities available. Only seven stalls were unable to accept the Cashless Debit Card as they were cash-only.

Centrecare Financial Counselling

The Cashless Debit Card Shopfront would like to remind participants of the financial services that are available for those wanting assistance with their finances. Centrecare can help with the balancing between two different bank accounts, assisting with how to better manage money, and more.

They will be making regular visits to Coolgardie at the beginning of October and are happy to make appointments with people in need of help. Come down to the Cashless Debit Card Shopfront for a referral form or contact Centrecare Kalgoorlie on (08) 9080 0333 for more details.

■ The Coolgardie Cashless Debit Card Shopfront is open Monday-Friday from 9am-2.30pm at the Coolgardie Recreation Centre. Alternatively, the Department of Social Services Cashless Debit Card Hotline is available to call on 1800 252 604.

PROTECTIVE BEHAVIOURS WORKSHOP for parents and carers

At Coolgardie Primary School, we believe that all children have the right to feel safe at all times but we also know as parents, carers and teachers we cannot be with each child every minute of the day.

The physical and emotional impact of bullying, cyber bullying, child abuse and domestic violence is now much better understood. Research consistently shows that teaching children preventive ways of staying safe, such as those described in the protective behaviours program, is an effective way of strengthening children's ability to recognise danger, seek help and minimise risk.

Coolgardie PS is committed to teaching every child the protective behaviours program in partnership with you. Parents and carers play a vital role in helping children

develop personal safety and resilience skills and it's very important children hear the same messages at school and home. Working together, we can help our children to recognise unsafe situations and be proactive and confident in their response.

By attending this workshop, you will:

- learn the key principles of the protective behaviours program;
- understand the positive impact of the protective behaviours program for children;
- discuss how the protective behaviours program is being taught at school; and
- practise activities and ways to speak with your child at home about personal safety that aligns with what they have learnt at school.

DATE: Tuesday, October 9, 2018

TIME: 6.30pm-8.30pm

VENUE: Coolgardie Primary School

**PRESENTER: Tracey (Lecturer at North Metro TAFE)
and Shanarla (Aboriginal Support Worker)**

TO REGISTER: Please ring the school and RSVP on 9026 6014 or reply to the Facebook post by typing YES.

Please note: Because of the content of this workshop it is not suitable for children to attend. Thank you.

Notice of Annual General meeting

Sunday, October 28, 2018

10.30am

Held at the Old Railway's Good Shed,

Woodward St, Coolgardie

All positions are available

Everyone is welcome to attend and after the AGM it will be "Shed Open", so come down and see the exciting projects we are currently working on.

We have been busy at the Coolgardie Community Men's Shed, thank you to everyone who came and saw us on Coolgardie Day and thank you to the guys at the Kalgoorlie Regional Prison who restored our bread cart.

Come down and see us at the Shed, everyone is welcome. Telephone Wayne on 0438 267 180.

Tricks and tunes at skate park concert

The Coolgardie youth and wider community were treated to a fantastic performance recently when the amazing Barefoot Bands put on a concert at the town's skate park.

The show kicked off at 4.30pm on Tuesday, September 18, with the visiting band members having spent the afternoon setting up their drums, guitars and microphones in the skate park.

They hammered out wicked tunes for the community, while the children and youth, wearing their cool blue helmets, skated and demonstrated all the cool tricks they had learnt at the skating workshop held on Coolgardie Day. The recreation centre ladies cooked up sausages to serve to the community, along with fresh fruit and bottles of water donated by the Coolgardie Day Celebrations committee.

We were also lucky enough to listen to our local bag pipe player, Willy Corcoran, and he put on such a great performance. The band absolutely loved playing along with Willy and his bag pipes, who was lucky enough to record a song with them during their workshops and recording sessions at the Coolgardie recreation centre.

It was great to see the community come down and enjoy the free concert and watch the kids in action. We do hope to have them return next year for more fun and recording in our function/studio room.

- Heather Kent, Coolgardie Community Recreation Centre officer

Shire of Coolgardie

Kambalda Community Recreation Centre

The launch of Metafit in the Shire was a fantastic success with more than 30 people smashing the opening workout at the Kambalda Community Recreation Centre on September 6.

The launch included door prizes and giveaways on the night. Congratulations to Zoe Murray for winning the free monthly class voucher.

Metafit is a high-intensity, 30-minute workout. It uses a series of body-weight exercises with interval-style training and is designed to keep your body burning calories long after your training session is complete. Metafit is suitable for all fitness levels from beginners through to advanced.

The program has been running for a few weeks now and has received great community support. Kambalda Community Recreation Facility staff, especially Bernie, have been amazed with the commitment and support shown by the community.

■ Metafit is run every Thursday at 6.30pm at the Kambalda Community Recreation Centre.

Ms Meghan Kent
Manager
Coolgardie Visitor Centre

Visitors.centre@coolgardie.wa.gov.au

Dear Ms Kent

Congratulations on Coolgardie winning the *Judge's Visit* category at the 2018 GWN7 Top Tourism Town Awards.

It is awards like these that highlight important achievements in tourism and contribute to making a destination a positive experience for visitors.

The accolade is well deserved and recognises that local tourism members have worked extremely hard to make the town a more enjoyable tourist destination. It is especially pleasing to see the vision of community leaders and the efforts of you and your team being rewarded.

Significantly, the award acknowledges the importance of the strong partnerships that Coolgardie has nurtured with the tourism industry, Kalgoorlie Boulder Visitor Centre, Australia's Golden Outback RTO, Tourism Council WA, Tourism Western Australia and the community. I believe that partnerships like these are critical for the continued development and sustainability of the tourism industry.

Please pass on my congratulations and best wishes to your team, Visitor Centre members and to all those who played a part in the towns success.

Yours sincerely

Coolgardie takes out judges' visit award

This year the Coolgardie Visitors Centre entered the GWN7 Top Tourism Towns awards for towns with a population under 5000. Coolgardie was up against Carnarvon and Christmas Island, with Carnarvon taking out the top prize.

Coolgardie Visitors Centre officer Jacinda Evans and myself, along with councillors Malcolm Cullen and Sherryl Botting, attended the awards dinner on September 5, where it was announced that Coolgardie had won the "Judges' Site Visit". This is an amazing achievement for the whole community.

During the site visit, the judges' itinerary allowed them to see as many highlights of Coolgardie as possible, starting with a culture talk given by Councillor Betty Logan at the bluff. This was followed by:

- A guided tour through Warden Finnerty's with caretakers Peter and Robyn Carey;
- A walking historical tour with Vic Dale;
- A guided tour through the museum with Jacinda and myself;
- A beautiful lunch at the Way Out West Café with local entertainment; and
- Visits to the local businesses followed by a driving tour of the town.

We would like to take this opportunity to congratulate and thank the community and the Shire of Coolgardie for coming together to make this event an extra special one. To win the site visit over all other entries speaks volumes of what Coolgardie can do, and does do, when we all have a goal in mind.

Thank you to our councillors and CEO for their ongoing support and to the wonderful team that worked endless hours on the awards application and itinerary for the judges' visit.

A special thank you to the Shire's outdoor crew for keeping our town looking beautiful for the visit and always to the local store owners Jacqui Mills, Rose Mitchell and Maurice Costello for the personalised experience, the team at the Way Out West Café for the beautiful meal, Willie Corcoran for his lunchtime entrainment, Vic Dale for another amazing history lesson, the lovely caretakers, Robyn and Peter Carey, from Warden Finnerty's for their passion and enthusiasm and to all the community members who stopped and chatted with the judges during the day.

- Meghan Kent, Team Leader Recreation & Community Development

The tourism awards judges were treated to a culture talk with Councillor Betty Logan during their visit to Coolgardie.

RSL Coolgardie Sub Branch Remembrance Day Ceremony

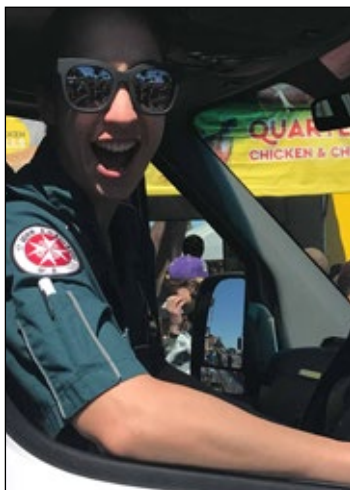

Sunday, November 11, 2018
at 11am

People to assemble at the Coolgardie RSL Memorial
Garden on Bayley Street at 10.30am–10.45am
for a 11am Service.

It is also with sadness that we farewelled one of our members, Michael Pavlinovich,
on Monday, October 1, 2018 – RIP Mick - Lest We Forget.

Coolgardie Day wows huge crowd

What a perfect day! Sunday, September 16, 2018 delivered the best and biggest fun-filled Coolgardie Day ever with attendance of over 20 thousand people. The Coolgardie Day Celebrations committee worked hard to bring even more action and entertainment than ever before and from the huge crowds and smiles on the day we believed we achieved it.

Coolgardie Park rocked with the free entertainment, stalls and children activities and on the main stage we had the band Bounty Hunters and MC Ken Sharpe, as well as Ashley Hall, Mal Cullen, a welcome to country by Brian Champion, Vic Dale, Coolgardie Primary School, Goldrush Cheer, and Pure Gold Bootscooters. The food stalls and the woodchoppers kept the crowds entertained. Barefoot Bands had their own stage on Bayley Street, with a fantastic range of entertainment, and nearby the rock drillers impressed the crowd with their skills.

Coolgardie skate park hosted the Act-

Belong-Commit freestyle event, with coaching sessions and a competition, hosted by Freestyle Now.

We had another great street parade. Congratulations to everyone that participated and our winners:

Open Float

- 1st Place – Coolgardie Primary School
- 2nd Place – Pure Gold Bootscooters

Community helps Warden Finnerty's gardens bloom

Hello to our community, from Robyn and Pete at Warden Finnerty's Residence.

We became the caretakers here last November, right before the summer months. We enthusiastically began planting and watering, wanting so much to make our mark on the grounds and gardens. It was a lot of fun and also hard work and we were sadly disappointed to have most things razed to the ground by the galahs and parrots, and of course those searing 44 degree days.

But here we are, after much advice and help from various people, keen to have you come and wander around to see what we have been busy doing.

During the past few months, with the awesome cooler weather, we have been busy making a veggie garden, and Pete has put together several raised garden beds using pallets. We hope to have it all established before the summer months. We have so many of you to acknowledge and thank.

The Shire of Coolgardie for the purchase of plants, pots, soils, hoses, sprinklers and gardening tools; Bergies Soils for a trailer load of soil and mulch; food scraps daily to build an awesome compost from Vicki and Bill at the Goldrush Motel; Allana Lind for several trailer loads of horse manure and plant cuttings; Tom from the local rubbish tip for pots and pallets; Ken Messenger for donations of plants and cuttings and also great advice; Harvey Norman and Bunnings for donations of pallets, and many others who have dropped by with donations of plants and cuttings. And, of course, the ground crew and workers from G.E.T.S, who all worked around the grounds, removing green waste, trimming trees, raking and general cleanup. It was a fantastic help, thanks guys.

Kind regards to you all and thank you for all your support. We hope to see you visit soon.

BUSH FIRES ACT NOTICE FOR OWNERS AND OCCUPIERS

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required on or before the first day of November 2018 or within fourteen days of your becoming owner or occupier of land should this be after this day to clear all firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from the first day of November 2018 up to the thirty first day of March 2019.

1. Land Outside Town Sites

- 1.1 All buildings on land which are outside town sites shall be surrounded by two firebreaks not less than two (2) meters wide cleared of all flammable material, the inner firebreak to be not more than twenty (20) meters from the perimeter of the building or group of buildings and the outer firebreak not less than 200 meters from the inner firebreak.
- 1.2 The removal of flammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

2. Land In Town Sites

- 2.1 Where the area of land is 2000 square meters (approximately $\frac{1}{2}$ acre) or less, all flammable material shall be removed from the whole of the land.
- 2.2 Where the area of land exceeds 2000 square meters, firebreaks at least three (3) meters in width shall be cleared of all flammable material immediately inside and along the boundaries of land. Where there are buildings on the land additional firebreaks three (3) meters in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council not later than the first day of November 2018 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its' duly Authorized Officer, you shall comply with the requirements of this notice.

"Flammable material" does not include green growing trees or green growing plants in gardens. It also does not include plants native to the region that are fire resistant, for example; saltbush shrubs.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fire Act 1954.

The penalty for failing to comply with this notice is a fine of \$5000 and a person in default is also liable, whether prosecuted or not, to pay cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

THE PROHIBITED BURNING PERIOD WILL BE FROM 1 NOVEMBER 2018 TO 31 MARCH 2019 AND SHALL APPLY THROUGHOUT THE WHOLE SHIRE.

By Order of the Council

James Trail
Chief Executive Officer

Our Community, Our People, Our Future

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer
Fire and Rescue Captain David Shilton

Hi everyone

It has been a busy couple of months at the Coolgardie Volunteer Fire and Rescue Service. Our volunteers have been training and attending incidents, and everyone would have seen the recent house and bush fires in the Goldfields on the news.

We need you to do your part! Please have smoke alarms in the house! We can't stress enough how important and affordable these are and they do save lives! Check the batteries in them and start fitting some in the house. House fires do not happen only in the day time when everyone is awake, they can happen during the night or early morning while everyone is asleep, and if looked after smoke alarms do not sleep!

Are you bushfire ready? Everyone would have seen the media campaign that is currently being advertised. With the dry winter that we have had and the summer temperatures starting to kick in, it is time now to check your properties for any overgrowth and rubbish that could put your property at risk. Act now, and don't delay; clean up now before disaster strikes .

Our sub juniors and junior running teams are going well with their training and will soon be starting their zone competitions. We have some competitions coming up and the state competition will be in Perth on Saturday, November 23 and Sunday, November 24, 2018.

There is a raffle happening as a fundraiser at the moment, with the prize a signed West Coast Eagles and Fremantle Dockers ball. \$2 a ticket or three tickets for \$5, and there will be some fundraising stalls at Morans on Saturday, October 6, Saturday, October 20 and Saturday, November 3.

Come down and support our young runners. They have been cooking and baking and getting ready for their stalls and all money raised goes towards them representing Coolgardie at both the zone and state competition.

■ **If you are interested in joining us, come down and meet the team on our training nights, which are Tuesdays from 7pm. For more information contact David Shilton on 0412 859 582.**

Kerbside Waste Collection

REFUSE COLLECTION

Hard refuse should be placed neatly on the verge as close as possible to the kerb and your driveway. The following items will be collected from your verge;

- WHITE GOODS - Stoves, refrigerators (doors to be removed), washing machines etc.
- TRAMPOLINES/SWING SETS must be dismantled
- SCRAP METAL
- OLD FURNITURE
- GENERAL RUBBISH

The white goods and scrap metal should be placed on the verge in a pile separate to the other hard refuse as this will be collected separately and recycled. All items of hard refuse will be collected by hand. A maximum weight will apply and as a general rule, two (2) people should be able to lift the item easily to shoulder height with the item being no longer than 4 metres. Please note this service is available in townsites only. It is important that residents pay close attention to the requirements of the roadside collections. All waste is to be placed in a pile neatly on the verge no earlier than one (1) week prior to the advertised collection week. All waste must be placed on the verge by 6.00am on the advertised starting date as the truck will only travel down your street once. All waste is to be placed on the verge without obstructing footpaths or line of sight particularly adjacent to road intersections. Waste will not be collected from Vacant Properties, Public Land or Land outside townsite boundaries.

THE FOLLOWING ITEMS WILL NOT BE COLLECTED

- GREEN WASTE
- Sand
- Rubble
- Bricks
- Cement
- Tyres
- Pesticides
- * Chemicals
- * Flammable liquids
- * Asbestos
- * Batteries
- * Motor Vehicles
- * Car Parts
- * Foodstuffs (Household Waste)

Scroungers Page

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as -

- Aluminium cans
- Copper pipes
- Car batteries
- Lead flashings
- Brass taps and fittings

If you think it might be of some value please contact Ray on 0458 187 009.

Thank you in advance

- Would you like your child to start interacting with other children?
- Looking for a bit of adult conversation?
- Structured and free play for your under 5s.
- Come down for a coffee and a chat while your little ones play.
- A healthy morning tea will be provided. Commencing Monday the 8th of October.

Every Monday morning.

9:30am - 10:30am

\$2 per supervised child.

Please call 9025 0309 for further information.

Thermal imaging

Is water damaging your house?

- Locate underground leaks with less damage
- Pinpoint exact location of roof leaks
- Confirm failed shower waterproofing
- Locate damp areas before damage is done

Call us now for a free quote to discuss further how we can help protect your home from multiple sources of damage.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round.

Your aircon will work better, smell better, and cost less to run

Hot Water Systems

- New installations
- All servicing
- Anode changeovers
- Gas, Electric and Instantaneous

By getting a simple service or an anode changeover you can increase the life of your system and the quality of your hot water.

Rotting anodes can destroy an otherwise perfectly good system, changing them before this happens is very important and will save you the cost of replacing your system before its time.

No job too big or small, Taps does it all

Calling all junior cricketers

As footy, netball and soccer start to wind up, it's time to start thinking of the warmer weather and that means the cricket season is on its way!

It should be an exciting season for our juniors this season and we are looking forward to helping our kids enjoy and improve their game. We will be utilising the new playing kits most of you purchased last year, for newbies or replacement clothing the following is applicable:

Clothing kit:	\$100 inc playing shirt, pants & training shirt
Individual clothes:	\$40 ea
Caps:	\$20 ea
Baggy green club:	\$30 ea
Hoodies:	\$50 ea

We will be seeking parental help once more to assist with scoring and a manager will be required for each team. Please let me know if you can help with this.

It would be great if we could have at least two parents to assist with the scoring so this isn't left to the same person each week.

- Janine Ringrose, North Kal Cricket Club Secretary

Fees:	\$120/child
Grades:	12s, 14s 17s
Playing days:	12s Monday and Wednesday, 14s Wednesday and Friday, 17's Friday.

For further information please email Janine at maja.ringy@bigpond.com

The Pastor's Pen with Bill Kirkland

You often hear the comment that if a person loves themselves that will result in them being able to love others. Jesus gave the command that we should love others as we love ourselves. As a result of that command many assume that if we hate others it's because we hate ourselves. However I believe we often hate others because we measure ourselves against them.

Contrary to popular belief the Bible reveals that love comes from outside of ourselves rather than inside. God has made it possible to receive His love rather than try to find it inside of ourselves. God is love and hence the source of love. Paul, writing to Timothy, describes how in the last days men would be lovers of themselves (read it in '2 Timothy 3:2').

Those who are lovers of self can turn out to be great at signalling where slogans and hashtags are fashionable but any sacrifice or action to love others is in short supply. In reality, we probably have the most narcissistic culture in history where we love to judge previous generations, measure our worth on how we look and turn to self-harm if someone says something nasty about us on Facebook or Twitter.

I would suggest that to truly love ourselves and others we need to make space in our lives to receive God's love, which is pure and perfect. It is a love that is not dependent on us being lovable but depends only on us being willing to receive from Him. We receive it and then give it out. We are created to be vessels of love. God is love and through His Son Jesus fills those hungry and thirsty to receive.

KAMBALDA WEST

PLAYGROUP

OCTOBER/NOVEMBER 2018

With the warmer weather Kambalda West Playgroup has been enjoying some much-loved outdoor play lately, with the outdoor toys getting pulled out of the shed again to every little one's excitement. Even though it was a little quiet this month with a lot of our members on holidays, it was not any less exciting or fun.

We could not wait to use our brand-new tuff trays for the first time, and have used them many times since. They are such a great addition for sensory play for the youngest but also the kindy kids in our playgroup. Our first set up was a princess vs. dinosaur creative wonderland of coloured rice, glitter, nature treasures and playdough. The children loved building mud pads and tepees in the dinosaur tray and not only the girls but also the boys showed a lot of interest in the princess tray full of all things pink and sparkly.

Another beautiful spring day was spent making ice creams in our ice cream parlour. Who would have thought how much fun it could be making our own ice cream flavours with sprinkles on top by using shaving cream and a bit of colour? Definitely a session we want to repeat in summer with real ice cream as a treat for the little ones afterwards.

Kambalda West Playgroup also took the opportunity to learn some new social media skills, hints and tricks at the digital marketing workshop organised by the Kambalda Community Recreation Facility and Sharni from Goldfields Business Local. It was such an informative event to be part of and we are currently working on setting up a Facebook page in addition to our already existing Facebook group after all that we have learnt.

To mark "Clean up the World" weekend we created our own little Kambalda Recycling Centre, asked the children to sort rubbish into piles of paper, metal and plastic and told them all about how important it is to make sure to reuse and recycle.

If everything goes well we might hear back shortly if our grant application with SUEZ went through. Keep all your fingers and toes crossed for us – we have got some pretty big plans for our outdoor area for this coming summer.

Continued P29

From P28

On another note Kambalda West Playgroup has just welcomed our 10th family for this year. Welcome Morgan and her cute little girl Milla.

Others are off to new adventures, with Stephanie, Dakota and Paityn leaving town. Thank you for being part of our little community group, we wish you all the best in your new exciting chapter in New Zealand.

In October we are looking forward to going on a trick or treat walk through the neighbourhood this Halloween.

If you would like to join us, follow us on Facebook or come to one of our sessions to see what Kambalda West Playgroup is all about. Our doors are always open for visitors.

If you are unsure whether or not playgroup is something that you or your young ones can benefit from, come and find out. The first three visits are FREE and with the year coming to an end we now offer a reduced membership fee of \$50 to sign up.

Upcoming events

Friday, October 5 - Odd Socks Day

Friday, October 12 - Mud Faces for National Gardening Week

October 15 - 19 - Water beads for National Water Week

Friday, October 19 - Loud Shirt Day

Friday, October 26 - Kambalda West Playgroup AGM

Wednesday, October 31 - Halloween Walk

Kambalda West Playgroup is open for children aged 0-5 and families with homeschooled children. We hold playgroup sessions on Mondays, Wednesdays and Fridays from 9am-11.30am (unless specified). Our room is located opposite One Tree Day care. If you have any questions, please contact Jacinta Perkins or Nancy McCulloch, or find us on Facebook.

Butterflies and forests for story time

Story time in the Kambalda Community Resource Centre had another busy month, with the usual curious little visitors attending for the singing, reading and craft activities Mikaela has in store for them every Thursday morning.

Earlier in September the children from One Tree Community Services attended and joined the younger members of our community, who all enjoyed creating beautiful butterflies for Children's Book Week, and leaving behind a lot of smiling faces and glitter.

In the same month we had a visit from Miss Bourke's class from KWDHS to read *How Many Trees*. This is a story that raises the question of how many trees it takes to make a forest. The class also sang along to some all-time favourite nursery rhymes.

Dog and cat owners: registrations almost due

Registration renewals for dogs and cats are due by October 31, 2018

Dog registration - Penalty: \$200

A dog owner is legally required to register the dog with the appropriate local government once the dog is three months or older.

Dog Microchipping - Penalty: \$200 to \$5000

All dogs must be microchipped once they reach three months of age. Non-microchipped dogs cannot be sold or transferred to a new owner. This rule applies even if the dog is under three months of age. Dogs may be exempt from receiving a microchip if they cannot receive one due to medical grounds. In those situations, the owner will need to obtain a medical exemption certificate from a registered vet.

Cat registration

All cats that have reached six months of age are required to be:

- Microchipped
- Sterilised
- Registered.

Your cat will be required to wear a collar and registration tag to ensure they can be easily identified and returned to you if they become lost.

Breaches of the regulations may incur the following penalties:

- Cat registration - Penalty: \$200
- Cat microchipping - Penalty: \$200 to \$5000
- Cat sterilisation - Penalty: \$200

■ To arrange for registration of your dog or cat, please visit one of our recreation centres (Coolgardie Community Recreation Centre at 69 Sylvester St, Coolgardie; or Kambalda Community Recreation Centre on Irish Mulga Drive, Kambalda) or call the Shire on (08) 9080 2111.

Canine parvovirus in the Goldfields

Is YOUR dog protected?

Canine parvovirus (or parvo for short) is a highly contagious virus that affects dogs of all breeds and ages, with puppies most at risk.

This virus attacks the lining of a dog's intestines, causing inflammation, damaging bone marrow and affecting the cardiovascular system. If left untreated by a vet, an infected dog or puppy will die from this virus. Humans and other pets cannot get parvo.

What are the symptoms of parvo?

The virus can take seven to 10 days to take effect and within that time, not all dogs will show each sign of parvo. If you notice any of these symptoms, contact your vet immediately:

- Lethargic and lack of energy
- Loss of appetite
- Vomiting repeatedly
- Diarrhoea and bloody diarrhoea

How can a dog get parvo?

Parvo is shed mainly through an infected dog's faeces (poo), which infects another dog if they sniff the poo and ingest the virus. In the recent weather the Goldfields has experienced, the rain and warmth can increase the risk of parvo exposure when mushrooms sprout, as they can carry the virus.

If your dog wanders, he/she is at great risk, but even if they don't leave the property, they can still catch parvo as it can be brought home on shoes, clothing, tools, car tires etc. Parvo is very resistant and can survive in an environment for up to a year.

How can I protect my dog against parvo?

Parvo is easily preventable through vaccinations. Check with your local vet to see if your dog is up-to-date. If you think your dog could have parvo, let the vet know before you come in to the clinic, to prevent exposure to other dogs.

■ **Want more information? Contact local veterinary services on: Kalgoorlie Veterinary Clinic: 08 9021 3965 and Kalgoorlie Animal Hospital: 08 9021 600.**

Shire of Coolgardie

Coolgardie Community Resource Centre

Well there has certainly been lots of springtime fun at the Coolgardie CRC this month, with flowers, music, craft, healthy cooking sessions with tasty food and an unveiling of a memorial plaque for a test cricket player.

Centrecare – Wednesday morning free social and craft sessions

We have been spoilt this month by Alison and Cindi, the team from Centrecare Kalgoorlie, bringing lots of colourful, creative crafts, as well as some very interesting but delicious, healthy cooking sessions with Hannah Dunn from Population Health. Every Wednesday is a surprise for our attendees and this month it was about creating an awareness of the food that we eat and the importance of reading the labels to check the sugars, fats and other ingredients in our foods. Every session ended with tasting the recipe that was created that morning with everyday products that we easily have in our cupboards.

The Unveiling of John Thomas Cottam's Memorial Plaque

On Wednesday, September 5, we attended the unveiling of the memorial plaque for John Thomas Cottam, who was a NSW test cricket player and sadly passed away on January 30, 1897 in Coolgardie due to typhoid at the young age of 29. There was a good turnout despite it being a bitterly cold and wet morning. Deputy President Tracey Rathbone welcomed everyone and Dr Colin Clowes, the NSW Honorary Librarian and Official Historian who flew over from Sydney for the event, gave a very interesting talk on John Thomas Cottam and his life. Well done to Clint Easton who was the driving force behind the memorial plaque and recognition of Cottam's final resting place. Clint also made the initial contact with Cricket NSW who generously paid for the stunning plaque which was crafted by Monumental Works, Kalgoorlie. After Clint delivered a speech, Mr Clows presented him with a beautiful memorial book, a gift from Cricket NSW. After the unveiling everyone attended a morning tea at the Coolgardie Community Recreation Centre. Thank you to everyone who attended and also to the Kalgoorlie Miner and GWN7 who also came out and provided media coverage.

Barefoot Bands

Once again we were spoilt with Barefoot Bands who came back to play for Coolgardie Day. The Coolgardie CRC and Recreation Centre hosted Brenton Meynell, Drew Goddard, Dan Oltmans, Ian Weggler and Darcy Hay for a fun-filled two days. On Monday, September 17, there was a free song writing and recording workshop, a children's after-school jam session. Later that night there was a community CD launch where the CD that was produced back in May 2018 here at the recreation centre was played and copies were handed out. It was a good mixture of the children singing, Willy Corcoran and his bagpipes, (including an AC/DC number) Dan Oltmans and Tapping Stickz. The event then carried onto a late night adult jam session.

On the Tuesday there were school visits, more recording sessions and a free community concert at the Coolgardie skatepark. This was the first time a band has ever played live there. Meanwhile, the children showed us their skills on their scooters, bikes and skateboards. Thank you to the Coolgardie Day Celebrations Committee who made it possible for us to host Barefoot Bands and also for the supply of delicious fresh fruit and water bottles and use of the bike helmets for the concert. To finish off I would like to take this opportunity to once again thank Barefoot Bands, who travelled a long distance to be with us, from Kalbarri, Hopetoun, Geraldton and Perth to our small town of Coolgardie - you guys rock and we cannot wait to see you again!

Shire of Coolgardie

Kambalda Community Resource Centre

This month two Kambalda sporting teams won their grand finals. We would like to wish a big congratulation to the Colts Kambalda football team, and to the Kambalda Flyers netball team. We are currently providing the opportunity for the community to pass on congratulations and messages to the teams which are being displayed in the recreation centre foyer. If you would like to pass on your message, make sure you come in.

In late September we organised for Chris from Woolworths Cricket Blast to come to Kambalda and hold a 'come and try' session with the kids. We had a great number of kids come and join in to learn tricks and techniques in the lead up to the cricket season.

For October we have organised a morning tea with Silver Chain, who will bring some ex Kambalda residents to Kambalda for a social catch up. If you are interested in attending, please let me know.

The Seniors Christmas Luncheon date has been set for Thursday, November 29. This year it will be held in Coolgardie.

Do you want to join a social craft group? We would like to create a group for people who want to socialise and make crafts or items that can be used for events and the community. If you would like to join in, come and see the team at the Kambalda Community Recreation Facility to register your interest, or keep an eye out for the poster to come.

**If you would like further information call in to see Leesa at the CRC, phone 9080 2111
or email kambaldacrc@coolgardie.wa.gov.au**
