COUNCIL MEETING INFORMATION NOTES

1. Your Council generally handles all business at Ordinary or Special Council Meetings.
2. From time to time Council may form a Committee to examine subjects and then report to Council.
3. Generally all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters. On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this as the last item of business of the meeting.
4. Public Question Time. It is a requirement of the Local Government Act 1995 to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting. Should there be a series of questions the period can be extended at the discretion of the Chairman.

Written notice of each question should be given to the Chief Executive Officer fifteen (15) minutes prior to the commencement of the meeting. A summary of each question and response is included in the Minutes.

When a question is not able to be answered at the Council Meeting a written answer will be provided after the necessary research has been carried out. Council staff will endeavour to provide the answers prior to the next meeting of Council.

5. **Councillors** may from time to time have a financial interest in a matter before Council. Councillors must declare an interest and the extent of the interest in the matter on the Agenda. However, the Councillor can request the meeting to declare the matter **trivial, insignificant or in common with a significant number of electors or ratepayers**. The Councillor must leave the meeting whilst the matter is discussed and cannot vote unless those present agree as above.

Members of staff, who have delegated authority from Council to act on certain matters, may from time to time have a financial interest in a matter on the Agenda. The member of staff must declare that interest and generally the Chairman of the meeting will advise the Officer if he/she is to leave the meeting.

6. Agendas including an Information Bulletin are delivered to Councillors within the requirements of the Local Government Act 1995, i.e. seventy-two (72) hours prior to the advertised commencement of the meeting. Whilst late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Should an elector wish to have a matter placed on the Agenda the relevant information should be forwarded to the Chief Executive Officer in time to allow the matter to be fully researched by staff. An Agenda item including a recommendation will then be submitted to Council for consideration.

The Agenda closes the Monday week prior to the Council Meeting (i.e. ten (10) days prior to the meeting).

The Information Bulletin produced as part of the Agenda includes items of interest and information, which does not require a decision of Council.

7. Agendas for Ordinary Meetings are available in the Coolgardie and Kambalda Offices/Libraries seventy-two (72) hours prior to the meeting and the public are invited to secure a copy.
8. Agenda items submitted to Council will include a recommendation for Council consideration. Electors should not interpret and/or act on the recommendations until after they have been considered by Council. Please note the Disclaimer in the Agenda (page 3).

8 ANNOUNCEMENTS BY PRESIDING PERSON WITHOUT DISCUSSION

8.1 President's Report September 2019

With Spring in the air over the Goldfields, the month of September has been a busy period in our Shire. There is a lift in the mining sector with the Gold price over two thousand dollars per ounce and a strong indication from local nickel mining companies, that they may reopen up to three of the previous nickel mines within the Kambalda area in the new year.

This will be a major benefit for the town of Kambalda as these companies are promoting the employment of local people and the Shire is hopeful that during the recruitment phase, new residents can be attracted to relocate and live in our towns.

At the Special Meeting of Council this month, tenders have been let for the commencement of repairs to several of the Shire's facilities including the Coolgardie Recreation Centre. The Stadium in the Centre has been unusable since the hail storm last December, and it will be good to finally have this facility back in use once more.

Tenders for two other projects in Coolgardie have also been approved by Council to commence. These are the Truck Parking and Assembly area on the eastern end of Bayley Street, and the remaining sections on the Coolgardie North Road, which will see a full width bitumen seal to the Bonnievale Railway Station. Both of these projects will enhance road safety and hopefully reduce the impact of disruption within the residential area of road trains parking on the streets overnight.

The Shire was fortunate to host a visit to Coolgardie by the Premier of WA, Mark McGowan, accompanied by Regional Development Minister Alannah McTiernan on September 8th during their trip to the Goldfields for the Regional Cabinet meeting in Kalgoorlie. Shire Staff arranged for the framing of a photograph of the first Union and Labour Congress meeting which was held in Coolgardie in 1899, to be presented to the Premier of which he was delighted to accept. The Premier and Minister McTiernan were escorted on a tour of the Post Office Precinct with a view of the proposed redevelopment plans and also took the opportunity to chat with the vintage car group who displayed their vehicles on Bayley Street during their trek through the Goldfields. The Premier presented a Cheque of \$15,000 to the Coolgardie Day Committee from lotteries West during the visit.

Councillors, CEO and Staff also conducted the Minister for Sport and Recreation, Mick Murray, a tour of the Kambalda Pool to view progress of the renovation project underway on the site. Councillors spent considerable time with the Minister explaining the benefit of this facility, not only for Kambalda residents as this includes many visitors from Kalgoorlie and travellers passing through. He was quite impressed with the enthusiasm from our Councillors and commented that the progress of the works was very positive.

Myself and our Manager of Economic Development, Mia Hicks were fortunate to be invited to present a Regional Overview of the Goldfields Regional Councils to the Premier and State Cabinet on Monday 9th September in Kalgoorlie. The presentation included information on projects and strategies being undertaken throughout the region some of which include a comprehensive minerals and logistics strategy and the St John Primary Health Alliance with the Shire in Kambalda. The Premier and Ministers were very attentive and appreciative of the presentation and we received positive feedback that it was one of the best presentations they had received.

The Annual Coolgardie Day Celebrations were an outstanding success last Sunday with a huge crowd estimated at 20,000 people attending. The day attracted over 100 stalls and 5 of the Extreme Rides that only are usually available at the Perth Royal or large Cities, and the large amount of free

entertainment in the Coolgardie Park which included the popular band Tapping Sticks playing on stage. A comment from one of the showmen who travels all over regional WA to the agricultural shows, was the Coolgardie Day event is now the biggest and most popular event of its kind outside the Perth Royal, which is great accolade for the hard work and effort that Sherree Forward and the Coolgardie Day Committee have done over the past twelve months in preparation for the event. It is also an appreciation and thank you to the Shire and Sponsors whose support makes this event possible each year.

Meetings and Workshops attended this period:

11.1.1 Financial Activity Statement For The Period Ended 31 August 2019

Location:	Nil
Applicant:	Nil

Disclosure of Interest:	Nil
Date:	18 September 2019
Author:	Martin Whitely, Consultant

Summary:

This report recommends that the Monthly Statement of Financial Activity report for the period ending 31 August 2019 is presented to Council for adoption.

Background:

In accordance with regulation 34 of the *Local Government (Financial Management) Regulations*, the Shire is to prepare a monthly Financial Statement for approval by Council.

The format for monthly reporting was introduced by the Department of Local Government from 1 July 2005; the change was implemented to provide elected members with a better idea of operating and capital revenues and expenditures. The requirement is for a Statement of Financial Activity with a report detailing material variances. The Financial Report presented includes this as well as other statements and supplementary information.

Section 6.4 of the Local Government Act 1995, requires that financial reports be prepared and presented in the manner and form prescribed in the *Local Government (Financial Management) Regulations*. Regulation 34 has been amended to require that Councils report on the sources and applications of funds on a monthly basis and that the report be noted by Council.

Comment:

Attached for consideration is the completed Draft Monthly Financial Report.

The document attached includes Statements of Financial Activity by Program, and Nature and Type, Notes to the financial statements, an explanation of material variance as well as a summary of bank account balances at 31 August 2019, loan repayments, and reserve account status.

In accordance with the *Local Government (Financial Management) Regulations*, a report must be compiled on variances greater than the percentage agreed by Council which is currently 10% or \$10,000. With the report prepared at program level, comments have been made regarding variances. A nil variance is equal to 100%, meaning that the year to date actual is identical to the year to date budget. Comments are therefore provided where variance values are <90% or >100% and the dollar variance exceeds \$10,000.

11.1.4 Coolgardie Townsite- Prospecting Licence P15/6332 and P15/6333

Location: Coolgardie Townsite

Applicant: DPLH

File Reference:

Disclosure of Interest: Nil

Date: 21 August 2019

Author: Francesca Lefante – Consultant Town Planner

Summary:

The Department of Planning, Lands and Heritage – Lands Division (DPLH) are seeking comments on whether the Shire has any objections to the issues of Prospecting Licences 15/6332 and P15/6333 both located within the Coolgardie townsites

Background:

The proposed prospecting Licences relate to the following sites

- P16/6332 sites along Hunt Street, Coolgardie.
- P16/6333 sites along Lady Loch Road, Coolgardie

Comment:

This proposed prospecting licences covers a number of lots within the Coolgardie Townsite

Prospecting Licence P15/6332

The area the subject of this prospecting licences contains privately owned sites and land that the Shire is actively seeking to facilitate development to create a stronger sustainable townsite.

Under the legislation a mining tenement cannot be granted on private land without the owner's consent (unless the tenement is restricted to land more than 30 metres below the surface).

There are a number of matters for consideration in relation to this proposal including: -

- The implications on the Coolgardie townsite sustainability, built form character, local residential and lifestyle amenity and economic investment in the townsite.
- The Shire planning strategy to strengthen the townsite.

Accordingly it is recommended that the Shire advise the DPLH that it objects to this prospecting licence on these site.

Prospecting Licence P15/6333

The area the subject of this prospecting licences is crown land and comprises industrial zoned land.

The Shire has previously acknowledged the use of this land for mining activities and is actively pursuing an alternate appropriately located industrial land in close proximity to the townsite.

There are no objections to this prospecting licence proposal.

Mining Act

Under the Mining Act 1978, with respect to townsites, the Minister is to first consult and obtain the recommendation of the local municipality and the Minister for Planning, Lands and Heritage before he can grant consent to mine.
