The Shire of Coolgardie is seeking to engage the services of suitably qualified and experienced suppliers and contractor for its proposed workers accommodation village expansion at Kambalda.

Given the critical demand on accommodation it is the expectation of the Shire that the invited Contractors will be in a position to complete all works by the 31<sup>st</sup> August 2023 or as close to this date.

The scope of works is broken down into the following Separable Portions as set out in detailed in the Scope of Works:

- a) Separable Portion 1: Facility Supply, including sourcing and/or manufacturing of the rooms and laundries and supply and installation of all fixtures, fittings and related supply as well as the required information and details to tie-in and install the units and facilities (e.g., power consumption, water requirements, layout).
- b) Separable Portion 2: Planning and Approvals, including development application planning and approvals, layout and detailed design of the Kambalda Village expansion and oversight and supervision as registered builder.
- c) Separable Portion 3: Site Preparation Works, including site clearing, bulk earthworks and site preparation.
- d) Separable Portion 4: Freight, Delivery and Placement, including transportation, delivery, building placement, tie-ins and connection of items supplied/sourced/for installation (e.g. air conditioners);
- e) Separable Portion 5: Ancillary Camp Works, including footpaths, pathways, parking, landscaping, recreational areas and seating, fencing, security and supply and installation of ancillary items such as washing lines, bollards, lighting.

Contractors can tender for any and/or all of the separable portions, however the Shire reserves the right to award Separable Portion(s) to different Contractors or none at all, subject to the best value for money considerations as set out in its request for tender.
