## **WILLIAMS, Julie-Ann**

WILLIAMS, Julie-Ann is eligible to stand for election as a resident of the Shire of Coolgardie.

I have lived in Coolgardie for the past 4 years, I work at the local IGA, I also co-own Merchants on Bayley, I am the treasurer of Coolgardie RSL Sub-Branch. I was a nominee for Citizen of the year at the Australian Day awards ceremony, for outstanding contribution to the Shire of Coolgardie, also, one of the volunteers to decorate the basketball stadium at the Coolgardie recreation centre for the seniors Christmas function. If I am elected I would like to serve the residents of the shire, by looking to the future, moving forward and a better place to live. We have so much history and historical buildings here, we have a museum, would love for people to stop, spend time and see what we have to offer in the Shire of Coolgardie. Would be more than willing for people to email me, or if they would like to have a chat and a sit down, over a cuppa, and voice their opinions, positive or negative on the Shire of Coolgardie I am more than happy to listen, and take your concerns to the meetings.

### **Additional Information**

I truly believe that the Shire of Coolgardie has so much potential and growth to offer, much can be done to help the community grow stronger.

Tourism would help this community with getting people to stay, we have so much to offer, the history we have in this shire is amazing we have one of the best museums around, people spend hours in there.

The shire of Coolgardie has caravan parks, motels and hotels, RSL, shops and two amazing recreational centres.

We need to put the Shire back on the map and put it out there with what we have to offer here.

Within the communities that are here, we need to all stay strong, be positive.

I have lived here for the last few years and when a local or even a traveler is in need of anything the community go above and beyond to help.

The spirit is still here even though we are going through some turmoil at present by if we all join together in making the shire a better place for all, it is a very good start, and would be a great outcome for all.

Mistakes are made, we learn from them, we need to move forward and put a positive mindset in place, for the whole community here in the shire of Coolgardie.
