

**Profile (as it will appear in the election materials)**

**MITCHELL, Rose**

MITCHELL, Rose is eligible to stand for election as a resident of the Shire of Coolgardie.

I moved to Coolgardie in 2006 on the day of the AFL Grand final when West Coast Eagles defeated Sydney Swans by 1 point.

I worked for the Shire from 2007 until 2017 when I started my own business at Desert rain Designs. I still have my business but do more online sales and selling through Judumul Aboriginal Corporation.

I ran for Council in 2021 and was elected to represent the people within the Shire. I made no promises except to do the best that I could and was one of two Councillors to oppose the building of the Bluebush camp.

Not everyone can be pleased and happy with decisions I made. Be assured I thought I was doing the right thing. I have also learnt that not everything is as it should be and plan to do better. I will push for an Independent person to be on the financial committee should I be re elected.

I believe Coolgardie should remain independent of KBC council and it is something I will fight for.

I would also like to be instrumental in having the footpaths fixed.
