From the Premier

Welcome to SilverSport!

The Department of Sport and Recreation in partnership with the Department of Local Government and Communities have created this trial program to address the financial barrier for older members of our community to get involved and stay active in later years. We're really excited to support you on your journey to be more physically active and connect with your community through sport and active recreation.

SilverSport will give you access to various local sport and active recreation opportunities. We hope it encourages you to join a local sport and active recreation club and even become a volunteer. If that's not your thing, try joining a regular physical activity program at the local recreation centre.

Being active not only has many physical benefits, it's also important for your mental health and wellbeing and great for connecting with your community. No matter your age or ability, being active together helps us all build stronger, safer, happier and healthier communities.

What is SilverSport?

SilverSport supports seniors aged 60 years and over to participate in sport and active recreation. SilverSport will allow eligible seniors to apply for financial assistance to contribute towards sporting club memberships or physical activity program fees of up to \$200 per person.

SilverSport is available from 1 July 2016 – 30 June 2017 subject to funding.

How do I apply?

- 1** Complete this application form and submit it to the City of Kalgoorlie-Boulder or the Shire of Coolgardie with a copy of your proof of age and Health Care Card or Pensioner Concession Card.
- 2** The local government will assess your eligibility and contact you with an outcome within 10 working days.
- 3** If your application form is approved by the local government, you can register for your chosen SilverSport activity.
- 4** The SilverSport provider will invoice the local government for the cost of your fees up to the value of \$200.

Am I eligible?

- Applicants must be 60 years and over.
- Applicant must have a valid Health Care Card or Pensioner Concession Card.
- Applicant must be a resident of the City of Kalgoorlie-Boulder or the Shire of Coolgardie.
