Shire of Coolgardie

Message from the Shire President
April 2018

The shire released a community and corporate survey for community consultation and to receive submissions during April as part of the process to gather information from our communities to draft a new Community Strategic Plan 2018 - 28. To date more than 130 surveys and 40 submissions have been received and these will be evaluated into the draft plan to go back into the community for final consultation before being adopted by council.

As part of this consultation process, some concern has been raised regarding the future of the Kambalda pool. I would like to assure residents that it is not the intent of council nor our staff that the pool be closed. For some time now, our pool managers have raised concerns with several major issues that require to be addressed and as part of the community survey several options for a future aquatic centre in Kambalda were put in as suggestions. As a result of this shire staff are undertaking the following measures to assess the structure of the pool and filtration system during the winter months:

- Staff currently sourcing quotes to de-water pool surrounds.
- Scope of works for structural engineering report by 20th April.
- De-watering of pool surrounds commence 7th May.
- Emptying of pool to commence 14th May.
- Structural engineer to commence work 21st May.
- Engineers report received by mid-June.
- Community workshop end of June.
- CSP adopted by Council in July.

Shire staff have been undertaking training by DSS officers during April in preparation for the rollout of the cashless debit card trial in the Goldfields region. The rollout of the card commenced in Coolgardie with residents receiving their documents recently, and it is expected that Kambalda residents will receive theirs in mid-May. The shire has appointed two new officers, one in the Coolgardie Administration Office and the other in Kambalda Resource Centre to co-ordinate the shop fronts and assist participants in the scheme to activate their new cards.

I would urge any of our residents that have any concerns whatsoever, to call in at either shop front where our staff will be only too happy to assist with setting up the card in an endeavour to ensure a smooth transition.

Coolgardie residents and visitors alike welcomed the return of some greenery to Tommy Talbot Park in the centre of town recently, where Chris Hicks and his crew have transformed part of the park. Green synthetic grass has been placed where the ground has lay bare since the original lawn was removed to prevent further water damage to the stonework on the nearby buildings two years ago. Visitor Centre staff have received many positive comments from people following these works.

I received an invitation from our local mining and pastoral member, Kyle McGinn, to meet with him in Coolgardie on April 13, where he announced that the Minister for Mines had confirmed that the Mining Registrar's Office in Coolgardie would re-open upon the completion of the upgrade and repairs to the building being undertaken by the Department of Finance (Building Management, Works). To achieve this result has taken a lot of lobbying of various government departments and ministers, and I would like to thank Kyle for his effort, as this is really good news for our community, mining companies, prospectors and tourists alike.

Our road crew has been busy recently, working toward putting the finishing touches on the Lady Loch haulage route, and maintenance work on Binneringie Road north of Widgiemooltha. Both these roads are being prepared for major increases in heavy vehicle traffic, with the Burbank's mining centre increasing activity south of Coolgardie, and Tawana ramping up production of lithium at Bald Hill and transporting their product to the Esperance port.

Maintenance grading has also been carried out on sections of Coolgardie North and Jaurdi Hills roads, repairing washouts caused

Continued P3

From P2

by the recent heavy rains in the region.

Our Technical services staff are undertaking road assessments in preparation for funding submissions to RRG and R2R Groups for road works in the 2018/19 and 19/20 years.

Our waste co-ordinator has been kept busy with the receipt of asbestos related material from the roof replacements taking place in Kambalda following the severe storms last November. There is approximately 220 houses that will have the roof replacements in the towns during this process, most of which will be disposed of at the Kambalda tip, and this will have a part effect of modernising the towns through this natural disaster.

On a much sadder note, the Coolgardie community is mourning the sudden and tragic loss of long-time resident and councillor Bob Kippin. Bob passed away following a tragic accident on Easter Saturday and his enthusiasm and commitment to his fellow residents and our communities will be greatly missed. He was fittingly farewelled at a moving memorial service at the Coolgardie Recreation Centre on Friday 13th April by a huge crowd of family, friends and acquaintances, with the hall set up with an outback bush setting especially for Bob. On behalf of the councillors and staff, I wish to offer our sincere condolences to his wife Gill and all of the families.

The Kambalda community has also received sad news last week with the sudden passing of Mrs Maureen Kuhn. Maureen and her late husband Bert were long-time residents of the Kambalda community, and she devoted many years of service to the schools in Kambalda as well as supporting many other community organisations. They raised their family in Kambalda, with Noeline and Cyril being current members of our shire staff, and granddaughter Jessica was recently a trainee at the shire. Maureen's presence in Kambalda will be missed by all, and on behalf of the councillors and all staff I wish our sincere condolences to the Kuhn and Poke families.

Meetings and events attended this period:

- Met with Minderoo Foundation Gen One in Coolgardie with Cr Logan and Mia Hicks.
- Teleconference meeting in Coolgardie for Blackspot Road Funding with CEO and RSA Works.
- Attended Coolgardie Primary School Anzac Ceremony 12th April.
- Attended plaque commemoration of Thomas Hill at Coolgardie Pioneer Cemetery with members of the Hill Family of Laverton.
- Met with Mia Hicks and representatives of Forrest Personnel to discuss disability and CDP work programs.
- Met with Manager of Department of Communities and Cr Logan to discuss public and community housing issues.

Malcolm Cullen
Shire President

Shire of Coolgardie

From the desk of the CEO

May 2018

Hi everyone

Well the cooler weather is certainly upon us as we slip into May 2018. The mornings are a bit fresh and crisp but it's still great to see the sunny goldfield days.

The school holidays have just finished and it was good to see the children taking part in our school holiday activities in both the Kambalda and Coolgardie recreation centres. There was lots of cooking, craft, movie and sporting activities which also included the Commonwealth Games in Kambalda. Well done to the recreation staff for delivering the fun-filled days in our two communities.

Saturday May 12 the Kambalda Community Recreation Facility will host the Goldfields Giants versus Mandurah Magic State Basketball Game. The doors open at 6pm with the action-packed game starting at 7.30pm. A great night out and tickets can be purchased from the Kambalda Community Recreation Facility; we look forward to seeing you there.

Continued P4

From P3

The Cashless Debit Card trial has started in Coolgardie and shortly will be in Kambalda. Pop down and see our friendly teams that are there to help with the setting up of the card. The Coolgardie office is in the shire administration building on Bayley Street and the Kambalda office is in the Kambalda Community Recreation Facility.

It was a great sadness that one of our councillors, Bob Kippin, passed away in Coolgardie on Saturday, March 31, 2018. I only knew Bob a short time in working with him as an elected member of council. Bob was dedicated, professional and a damn good bloke. He will be missed by all of us at the shire and his Coolgardie community, where he was such an active and respected member. Bob's funeral was held at the Coolgardie Community Recreation Centre on Friday, April 13, 2018 and it was so fitting for his personality and his wishes of having a "bush funeral". Well done to everyone for making this happen for Bob, it was a brilliant send off for a person so deserving of it.

The shire crews have been spending time doing one off clean-ups of illegal dumping in the bush. This exercise is not only an added expense to the shire but it is taking our crew away from their schedules and maintenance plans. These clean-ups are still in progress. If you see anyone doing illegal dumping please report it.

Our rangers are currently targeting abandoned vehicles, registrations and microchipping of dogs and impoundment of wandering dogs. It is a dog owners responsibility to ensure that their dogs are contained at their properties and by law all dogs must be microchipped and registered with the shire. If you are unsure if your dog is microchipped, our ranger will come and check the dog and can also do the microchipping at your property rather than you having to take them into Kalgoorlie to a vet. If you contact the shire on 9080 2111 they can arrange to make an appointment with the ranger for you.

The next council meeting will be held at Coolgardie on Tuesday, May 22, at 6pm. We have copies of all council agendas and minutes available for reading at the public libraries or they can be easily accessed on the Shire of Coolgardie website at www.coolgardie.wa.gov.au.

Take care,

James Trail
Chief Executive Officer

Shire of Coolgardie Ordinary Meetings for 2018

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

Everyday hero running for a reason

If you're searching for a hero you don't have to look past the Coolgardie Recreation Centre, where one of the employees is in training for this year's HBF Run for a Reason.

Tara Davies will head to Perth this month and run 21km - a half marathon - as part of the HBF event to raise awareness and funds for research into Huntington's Disease.

It is a condition she is familiar with, as her mother and grandfather both died from Huntington's, her sister is currently suffering badly with it, and Tara herself was diagnosed two years ago.

"I need my kids to have positive thoughts and memories of their mum, so I am raising awareness and money for Huntington's WA as one day I won't be able to do any of it," she said. Tara has two children, Riley and Jayde.

"So I am making the most of my time now to show my kids anything is possible," she said.

"I'm inspired by the work of Huntington's WA (Inc) and wanted to support them by raising money by participating in HBF Run for a Reason 2018. "The more people that know about Huntington's WA (Inc), the greater their impact."

Tara has created a fundraising page on the fun run's website where people can donate to her cause.

"Please help me help them by giving whatever you can using the 'Give Now' button. Please also spread the word by sharing my page with your friends and family. Thank you in advance

Tara at the 2017 HBF Run for a Reason.

Tara Davies, pictured with children Riley and Jayde, is counting down to the HBF Run for a Reason.

for your generosity, it means a lot!" she said.

The Run for a Reason Perth event will be held on May 27, so there is still time to show your support and donate. To do so go to <https://hbfrun2018.everydayhero.com/au/tara> and click on the green 'Give Now' button. You can select your donation amount and also leave a message of support for Tara.

Huntington's Disease (HD) is an inherited disease affecting areas in the brain which control movement, thinking and emotion. It has a slow progression, and symptoms gradually worsen over time. Huntington's WA works to empower those affected by Huntington's Disease to meet the extraordinary challenges they face. All donations make a real difference to the health and well being of HD families.

■ For more information on the HBF Run for a Reason go to <https://hbfrun.everydayhero.do> and to learn more about Huntington's Disease go to <https://www.huntingtonswa.org.au>

"I'm making the most of my time now to show my kids anything is possible."

- Tara Davies

Tara and her supporters will hold a sausage sizzle at the front of Kalgoorlie Woolworths on Saturday, May 12, to help raise funds.

Large gathering for Kambalda service

At around 5.50am members of the uniformed parade; Volunteer Fire & Rescue Brigade; St John's; police and two students from the local high school, were assembled at the cenotaph.

There were approximately 300 members of the community assembled around the cenotaph, which was arguably, the best turnout ever. It was noted that the mining company Goldfields Australia, provided two large buses to transport their workers in for the occasion.

At 6am the dawn service began under the control of the President. He read out an address which detailed the origin and meaning of ANZAC Day. This was followed by a wreath laying ceremony. The parade was brought to attention and the flag ceremony began, with St John's controlling the flags. The bugle sounded the *Last Post*; the flags were lowered onto the left shoulders, the *Ode* was delivered, one minutes silence observed, *Reveille* sounded and the flags raised to the top of the flag poles and back to half-mast.

The parade was dismissed, the President thanked the community for attending and everybody, except the poor workers from Goldfields, went for a gunfire breakfast cooked by members of the Kambalda Club.

Representatives gathered again and at 11am the parade marched into the cenotaph area to the sounds of *I was only 19* by Redgum, which began proceedings.

The ceremony was very well supported by the Kambalda and Kalgoorlie Oasis Family Church where the ladies sang the songs for the occasion and the Pastor Bill Kirkland delivered prayers. A wreath-laying ceremony took place followed by the sub-branch president giving an address based on remembrance, which included the battle at Villers-Brettonneux. At 11.15am the RAAF gave us a wonderful fly past of four aircraft, which was very well enjoyed by all that were present, and followed by the remainder of the service and the final parade.

The president thanked all those who had contributed towards the commemoration. The final salute was taken by Leading Firefighter, Bevan Hamilton, who celebrates 25 years of service with the Kambalda brigade this year. He is also an RSL member, service no. 522455. The parade was then dismissed and we all went to the Kambalda Club to enjoy that 'cold frothy' refreshment, the ANZAC Footy game and the 2 UP, which was very well run by John Kempton. Thank you John.

- Allan Lindup, Kambalda Sub-branch RSL President

Bevan Hamilton gives the final salute during the Kambalda service.

Scenes from the Kambalda Anzac Day 2018 parade and service.

Coolgardie commemorates the Anzacs

The crisp Coolgardie Anzac morning started with a march at 5.50am from the corner of Renou and Bayley street up to the Memorial Garden for the 2018 Dawn Service. Willy Corcoran played the bagpipes and the March was led by the Coolgardie Police officers and Robin Wade. The salute was taken by Sergeant McGeown from the Coolgardie Police Station.

A crowd of approximately 200 people gathered for the 6.00am Dawn Service. RSL President Willy Corcoran welcomed everyone and the crowd waited for a surprise in the sky at 6.05am which was Rod Higgins doing an impressive Fly Over in his plane. Mr Corcoran then invited the crowd to sing the Hymn 'Oh God Our Help In Ages Past' the gracious harmonies were sung beautifully by the Coolgardie attendees.

Cheyenne Aird from Caps Coolgardie read out the poem *Flanders Field* and later in the service Riley Ford from Coolgardie Primary School read *The Ode*. Well done to our young readers, who delivered their readings beautifully in front of the large crowd.

Mr Corcoran delivered an address which reflected on the first world war, its conflicts and shared some stories. This was then followed by the laying of the wreaths, the lowering of the flags and a minute's silence. The service concluded just as flickering rays of dawn sunshine fell over the attendees.

Mr Corcoran was pleased with the service and the attendance and commented that it was fantastic to see the young children who participated and attended, and the impressive poppy display on the wall and the new wreaths which were done by the Coolgardie CRC craft ladies.

After the service everyone was welcomed to a beautifully cooked breakfast, prepared by the RSL committee members Tom Carr, Ann Gould, Chris Jones and Chris Burke who all had an very early

Shire president Malcolm Cullen and granddaughter Taylor Cullen during the wreath laying.

4.30am start. The breakfast was not complete without a cup of tea or coffee with the appropriate additive. A big thank you to our cooks and bar staff (Phil and Tina), we really appreciated your involvement.

Additionally a big thank you to the uniformed police, fire brigade and St John's Ambulance for attending as well as to all community members. This event would not have been possible without the support of Moran's IGA, two generous community members and sponsors, the RSL Committee, partners and friends, Robin Wade, the air cadets, Sergeant McGeown and his crew.

Once again thank you to all - "Lest We Forget"

- Willy Corcoran, Coolgardie Sub-branch RSL President

Poppy display the Biggest and best ever for community group

A year-long labour of love paid off for all the Coolgardie community members involved in the poppy project when they saw the spectacular results of their efforts on display on Anzac Day.

The art work, made up of thousands of hand-created poppies, is believed to be the biggest of its kind in Western Australia and, displayed on the western wall of the Coolgardie RSL building, made a stunning backdrop to this year's Anzac Day services.

The project took a full 12 months of planning and work by many sections of the community. Leanne Shilton of the Coolgardie Community Resource Centre said the project was a massive undertaking that resulted in a wonderful display.

"Each year's project builds on the previous one and endeavours to capture the spirit of Anzac Day and our community, and provides an memorable and beautiful display as the day deserves," Leanne said.

"It has become very important to everyone involved, who work on it to not only make something big and bold but also a fitting way to commemorate all those we remember on Anzac Day."

■ To read more about the poppy project turn to page 31 for the Coolgardie CRC report.

Holiday boredom busted!

The Kambalda School Holiday Program for April 2018 was yet again, another great success.

We would like to thank all parents and guardians for enrolling your children; with your support we are still able to offer such great programs for the youth in this town. This April we had programs including craft, cooking, a movie day, sports and treasure hunts.

These programs are a fun and social way for your child to learn more skills such as cutting with scissors, communication and hand-eye co-ordination.

The staff at the Kambalda Community Recreation Facility enjoyed every moment and we hope your children did too. We hope to see you all in the next school holidays. Stay tuned!

Crossfit, Craft and Cartwheels

The School Holidays in Coolgardie were jam-packed with heaps of activities organised by the Recreation Centre.

Arts and Craft, Monday April 16: We had a great turnout of children who created brightly coloured Popsicle stick picture frames, paper plate animals, monsters and play dough balloon balls. The staff were very impressed with the creativity from the children and loved helping them put their ideas into place. Our Playdough balloon balls were definitely the biggest hit.

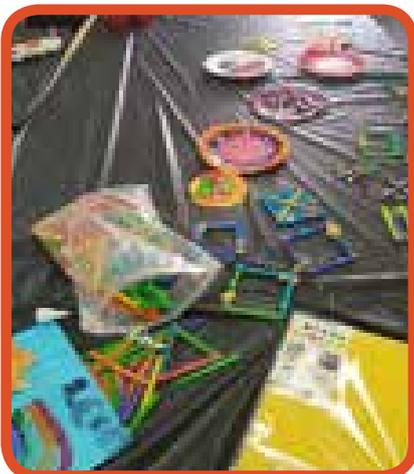

Crossfit Kids, Thursday April 19: We took our group to Kalgoorlie for a Crossfit Kids Excursion. We visited Kaye at Kal Active and everyone was definitely put to the test. Everyone had a great time while trying this new activity and really enjoyed the class. Once the class was finished we topped off our excursion by heading to Hammond Park where the kids were treated to a wonderful lunch from Plum Café and burnt off the rest of their energy at the Playground before travelling back to Coolgardie on the bus.

YMCA Gymnastics, April 23: The children travelled on the Shire Bus to Kalgoorlie to the YMCA for Rock Climbing and Gymnastics. Unfortunately, when we arrived we were informed that the Rock Wall was receiving repairs. However, the children had a wonderful time tumbling, balancing, and learning how to flip on the rings. We had a break mid session during which the kids played foosball, table tennis and monopoly. We hope to head back next holidays!

Anzac craft and cookies, Tuesday April 24: The Recreation Centre hosted a Free Anzac Craft and Cookies activity. The group created Poppies out of cupcake cases and popsicle sticks, as well as wreaths using egg cartons and paper plates and also baked the most delicious Anzac biscuits that they took home. Thank you to everyone who attended what a fun way to spend a Tuesday.

Youth Gaming Morning, Friday April 27: We hosted a group of Coolgardie teens, for a morning of Playstation, Nintendo Wii and board games. It was good to see the youth playing board games such as Twister and Jenga. They were also provided with an morning tea to keep their energy levels up.

Thank you to everyone who supported the school holiday activities, we look forward to the next school holidays!

**The Shire of
Coolgardie wishes

Destination WA visit to the Goldfields

The Shire of Coolgardie is excited to be hosting the popular travel television show, *Destination WA* this week as part of the Goldfields Tourism one-hour program.

Shires in the Goldfield will be visited, ranging from Norseman to Wiluna, and will all be featured throughout via 12 stories around the region. It will showcase the beautiful Goldfields and all the unique things we have to offer by travelling the Golden Quest Trail and beyond, which is yet to be discovered by many travellers.

Coolgardie is site one on the trail which loops through the Goldfields region on a self-drive adventure. The film crew will experience land sailing in Kambalda, check out the view from Red Hill and enjoy a meal in the Widgiemooltha Pub. Once in Coolgardie they will share a tale or two from the Coolgardie Boom Days with Mr. Vic Dale, our local poet.

We love opportunities like this, as we are able to share the stories and fun and highlight the new things to try within the Goldfields. It will help to promote and inspire people to travel a little further out and to explore and experience all the places that we all know and love. The show will air nationally in August on Channel 9.

Don't forget to follow the Coolgardie Visitors Centre & Museum on Facebook for more updates. For any more information, please contact Meghan Kent at the Coolgardie Visitors Centre on 08 9026 6090.

SAVE THE DATE

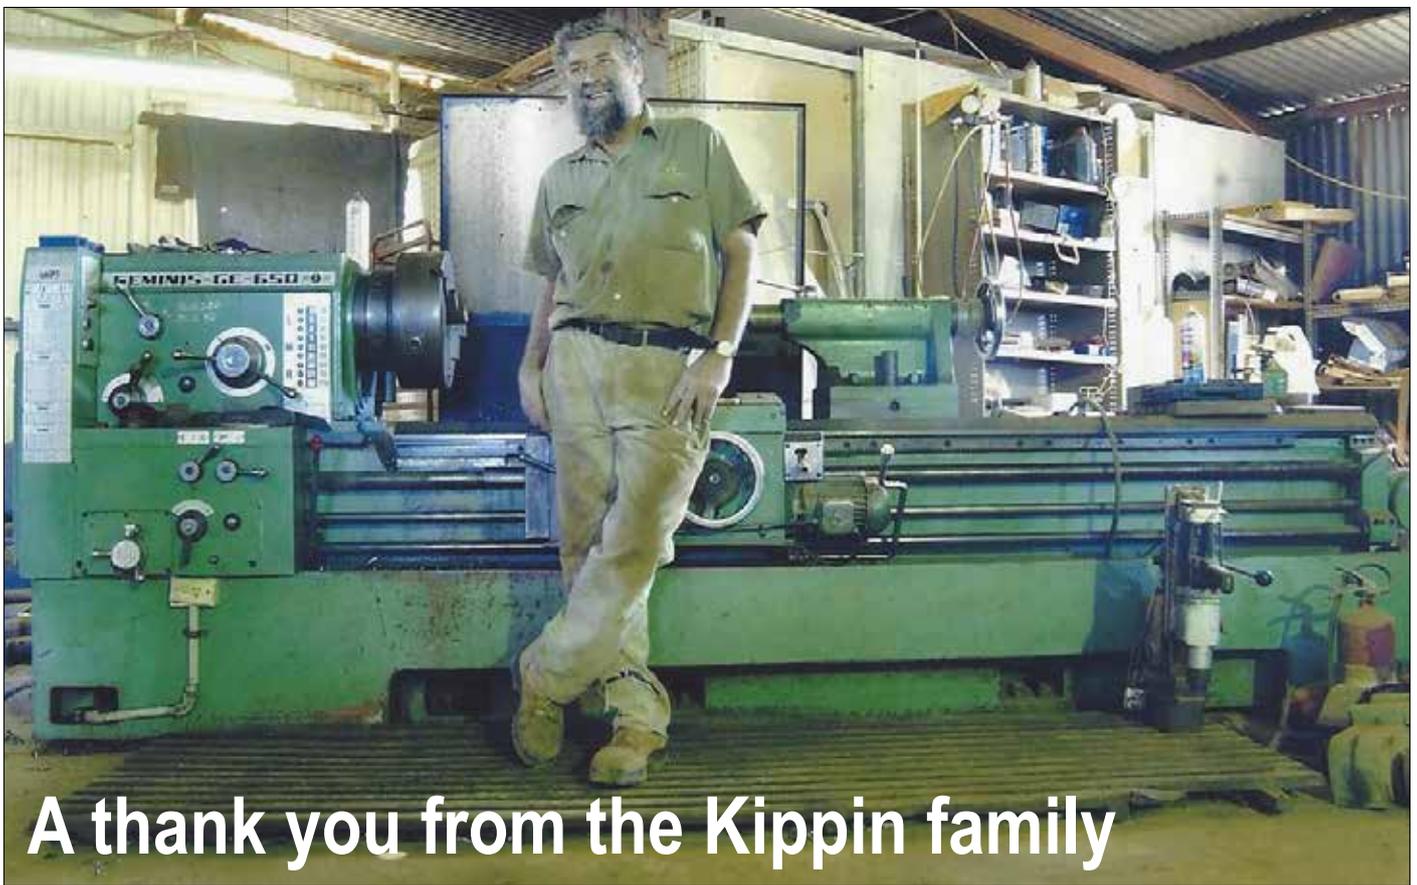

Coolgardie Day

16th September 2018

9am to 5pm

Its ALL about the FAMILY!

A thank you from the Kippin family

Gill, Ryan, Megan, Sandra and families would like to thank the amazing people in our lives who showed their love, support and respect to us in the passing of our much-loved husband, Dad and Poppy – Bob.

I would like to add a very special thank you to our kids Ryan, Megan and Sandra and their families for their love, strength and support. Dad and I are so proud of you all and love you very much. It was with great love and thought that made our final farewell befitting the man we all loved and respected.

Special thanks to St John's Ambulance, WA Police, James Trail CEO and the Shire of Coolgardie, and to Leanne Shilton and her amazing team of helpers at the Coolgardie Community Recreation Centre.

I would especially like to thank Alan Bergin, Leanne Shilton,

Sheree Forward, the Coolgardie Volunteer Fire and Rescue Service and the Coolgardie Community Men's Shed for the hours of work put into creating the beautiful bush setting in the Rec Centre and the team of helpers who collected the bush and the community who loaned their garden animals and bush props to complete the scene.

Thank you to Diane Waterman for the heartfelt service, and Willy Corcoran for playing the bag pipes and the guard of honour by the Coolgardie Fire and Rescue Service and St John's Ambulance. Also a huge thanks to everyone who donated the beautiful platters of food and the generous donations that were received. Our family was very overwhelmed by the support that we received in this sad time, it shows that Coolgardie may be a small town but it has an enormous heart.

Once again, a heartfelt thank you to all.

KAMBALDA MENS SHED

It's Glue That Holds This Joint Together

Scroungers Page

Believe it or not Christmas is not far away and you can't have Christmas without a party and you can't have a party without music and you can't have music without a band and you can't have a band without musicians!!!!!!!!!!

So let's get cracking and start a band.

If you can Strum, Hum, Thump, Blow, Tinkle, Sing or even Yodel give Ned a ring on 0437 990 934 and get this show on the road.

As most are aware when you make stuff you get rubbish left over. We are no exception so we are looking for a kind hearted person, with an old car trailer to donate that we can do up and use for the dump run.

If you can help please ring Gary on 0457 108 094

Fundraising

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as –

- Aluminium cans
- Copper pipes
- Car Batteries
- Lead Flashings
- Brass Taps and Fittings

If you think it might be of some value please contact Ray on 0458 187 009

Thank you in advance

IMPORTANT NOTICE:

Disclaimer (with tongue in cheek)

Please be aware that the members of the Kambalda Mens Shed are not just a bunch of grey-haired "old codgers" mucking around with bits of wood. We are really quite nice when you get to know us.

Our group currently comprises males and females aged from 14 to 72, although the ladies could probably enjoy a bit more female company. We are mostly focused on having a good time among friends, telling stories and joking around over tea, coffee and bikkies, but yes we do also enjoy working with wood and steel and gaining new skills and ideas from those that are wiser.

Greetings to all of our readers and supporters.

"The Shed" has gone ahead in leaps and bounds over the past few months. Too much has happened to go into great detail here but we can tell you that the rewiring has been completed (thanks to Rick Wilson MP and the Stronger Communities Program along with the Coolgardie shire), a new wood wizz planer and sander has been installed (thanks to Goldfields Australia Foundation) and a dust extractor has been installed (thanks to Coolgardie shire). A mobile saw mill is on order for an expected late April delivery.

The new 'wood wizz' machine in use.

Three new carpenters benches will be under construction over the next few weeks (thanks to Aurizon). It seems that the ladies of Kambalda aren't too interested in "The Shed". After calling two meetings to get their thoughts we have only had negative comments about women joining. However "The Shed" is still controlled by men and the offer is still open for ladies to participate if they wish.

"The Shed" is now open Monday to Saturday from 9am to 1pm or longer by arrangement.

We will soon be starting a membership drive with help from Goldfields St Ives, who are very supportive of the Mens Shed in Kambalda and encourage their employees to join. To help with this the committee has agreed to offer a 10% discount on membership fees to all Goldfields employees and their families.

Hopefully we can grow our membership before our next AGM which will be held at "The Shed" in Serpentine Road Kambalda East on Saturday 9th June 2018 at 10am. Please feel free to attend. All welcome. Until next time, stay safe and happy.

Kambalda Community Recreation Facility: a gold waterwise business

Gold Waterwise Business	Kambalda Community Recreation Facility - Shire of Coolgardie
Initiative name	Irrigation efficiencies and alternative water sources
Summary in a snapshot	When we first joined the Waterwise Business Program, we learned that 90 per cent of the water used at our Kambalda Community Recreation Facility (Shire of Coolgardie) was due to irrigation. We've been able to make huge savings through implementing irrigation efficiencies and using alternative water sources.
What we did	To reduce the amount of water being used in irrigation we fitted rain sensors and aligned the irrigation system with the watering roster. We continue to monitor our reticulation and have implemented a leak detection and repair program. Our horticultural staff are committed to improving water efficiency and have increased their water conservation awareness through use of waterwise educational tools.
Benefits/outcomes	We have reinvested the money saved by reducing water into facilitating reticulation improvements and pump replacements to maintain an efficient irrigation system.
Learnings	By concentrating our attention on a specific area of our site and using fresh thinking we have been able to make efficiency savings of over 35 per cent.
What's next for us?	Moving forward we will continue to monitor our irrigation use and settings and carry out leak detection and follow-up repairs where necessary to avoid unnecessary water loss.

'There's gold in those hills' inspires winning banner art

Banners in the Terrace is one of WA's largest art projects, featuring entrants from Councils all over the state.

Recently, The Shire of Coolgardie invited members of the community to design a banner based on the theme "Ready and Relevant", giving the community the chance to show off our amazing region and showcase local talent to the thousands of people who visit the Perth CBD during the month of July.

The designs were judged by our CEO James Trail, and the winner received a \$100 gift voucher to Woolworths.

This year's winner was Jacqui Mills. Her beautiful design will be on display along St Georges Terrace and Adelaide Terrace in Perth for Local Government Week.

Congratulations Jacqui, your wonderful artwork showcasing our shire will do us proud! Thank you to everyone who entered, there were lots of great designs.

■ To view Jacqui's winning beautiful design in colour you can download a colour version of the CoolRambler from <http://www.coolgardie.wa.gov.au/documents/coolrambler>

PUBLIC MEETING **9TH MAY 2018** **LONG / VICTOR NICKEL** **MINING OPERATIONS**

Mining operations at Long / Victor will be suspended as of the end of May 2018 and the mine will be placed into Care and Maintenance. In preparation for this, Independence Group NL (IGO) will provide a community project update to review the arrangements underway and the options being considered for Long's future.

The evening will be hosted by Long Operation's Resident Manager, Mr Philip Rixon, who will provide:

- an update on the Long Operation's transition into Care and Maintenance
- Overview of the options under consideration for the future of Long

Everyone with an interest in IGO and the Long Operation is welcome to attend.

COMMUNITY PROJECT UPDATE

DATE 9 May 2018

VENUE Kambalda Recreation
Centre Football Club
Front Bar

TIME 7:00 - 8:00pm

Drinks and light refreshments
will be served

**For further information please contact
Chris Tiemann, Environment and
Community Manager on 0457 937 990.**

Shire of Coolgardie

New weekend operating hours for Coolgardie and Kambalda refuse sites

The Shire of Coolgardie wishes to advise residents that there will be a change to the existing operating hours at both the Coolgardie and Kambalda refuse sites.

New hours for Saturday and Sundays will be 8am to 1pm commencing in February 2018. Note this change is to weekend hours only.

Monday/Tuesday/Friday the sites will remain open from 10am to 3pm. For any queries please contact the Shire of Coolgardie on 08 9080 2111.

Coolgardie Community Mens Shed Inc

We have been pretty busy at the shed this month with a lot happening in the town.

Unfortunately we lost one of our dedicated and much-loved members Bob Kippin who sadly passed away suddenly. Bob was very well known for doing anything at anytime for anyone without any hesitation. Our shed members helped Alan Bergin, Leanne and Ryan along with many others to send Bob off in the best way possible so we spent a lot of time doing up the rec centre hall and what a fantastic display it was and I know Bob would have loved it.

Getting ready for Anzac Day we finished cutting and melting (personal joke, ha ha); we then painted about 4000 poppies, which were then fitted onto rubber mats once again with the help of many people. The mats were then secured together to make the big poppy that was bolted onto wooden frames and hung up on the wall of the local RSL for the following day being Anzac Day. (The ladies at the CRC did a fantastic job with all of the cutting and melting and we were left to do the painting).

We are getting closer with the shed's concrete floor being laid but need to get some shed building posts repaired first as our dear old shed is showing its age.

We have been busy again crushing cans and thank you to all of the people leaving the cans for us and especially the sandalwood cutters for the three very big bags of cans they left us, this is a good fundraiser for the club.

We had a busy bee at the local fire station last week and we were lucky enough to pick up an old fridge that we can use for storage along with some metal flashings and pieces of timber left over from the recent construction of their new clubrooms. Thank you to the station for the donation as it all helps to keep our costs down, and we will put it to good use.

Well that's it from me for now so until next time please take care.

Arty News April / May 2018

by John Scott

Pottery Workshop

By Len Harmalin

At the Kambalda Arts Centre, Arts Shed

Corner Marianthus Rd & Goldfields Hwy, Kambalda West

Learn about hand building, wheel work, or glaze mixing, depending on demand and your preference. We have limited wheels available. Have fun making several different ceramic pieces of your own.

For those who have already been through the introduction phase, they will continue to the next stage of their skills development.

When: Saturday 12th May 2018

Time: 10am—2pm with 1/2 hour lunch break. Age limit 13+ years.

We supply: Clay, glazes, firing, Artist, venue, tools, morning Tea.

You supply: BYO lunch.

Wear old clothes or apron.

Cost: \$40 members, \$60 non-members. (Includes membership, clay and firing)

Bookings: email > scottymail.com.au or John on phone # 90273089 or Jay on 0431226357.

Our program is supported by our regional partners, the Shire of Coolgardie, Independence Group and Kambalda Boulevarde.

FIRST RESPONDER APP

St John Ambulance WA has released a new, free smart phone app, First Responder.

The St John First Responder app has a range of features, one being its unique first responder capability. The app allows qualified first aiders to sign up as a first responder and be notified when someone has called 000 for an ambulance within 500 metres of their current location and in a public place.

To become a first responder you will need to provide evidence of having completed a first aid course within the last three years. Minimum qualification level of HLTAID001 Provide cardiopulmonary resuscitation.

If you're not looking to sign up as a first responder yet, then that's okay! The app also contains a number of other resources, including:

First aid instruction guides – helping you to treat a range of injuries and illnesses.

Triple zero (000) calling with automatic GPS location – calling 000 from the app will send your GPS coordinates direct to the St John State Operation Centre, making it easier for an ambulance to locate you.

Defibrillator (AED) locator - showing all the defibrillator locations near you.

Upload the location of new defibrillator (AED) locations that aren't currently appearing on the app.

Locate nearest medical centres and emergency departments - including live ED waiting time information.

Patient transport services information.

Your first aid course information and refresher reminder notices

First aid tips and special offers - keeping you up to date with handy first aid information.

First Responder is a free app and available on [Apple's App Store](#) and [Google Play](#). You can find out more about how to use the app in our [First Aid Responder App Guide](#).

ONLY 2 IN 10 PEOPLE IN WA TOOK A FIRST AID COURSE LAST YEAR!

WERE YOU ONE OF THEM?

UPCOMING COURSES

1st May 2018 1 day (HLTAID003) \$199

WE NEED YOU!

We need your support!

The *Kalgoorlie Miner* front page heading on Thursday May 3 2018 summarizes it well. "Cuts rock Community Hubs". They are referring to the impending State Government funding cuts for 105 West Australian Community Resource Centres.

As a community the Coolgardie and Kambalda CRC need your support now! We need to show the State Government why we make a difference to your lives and the community and they need to also recognise that each community has it's different needs, one template does not fit all, and we as a CRC do matter.

The proposed funding cuts at 40% will make a huge difference to the services, the opening hours available and the many workshop and program's that we have been proudly delivering to our communities over the last five years.

We are so proud of what we have done and are still doing, and we always listen to our Community with feedback, new ideas, requests and support so that we can be delivering what is needed by you. We have built up valuable partnerships with the many Goldfield's service providers, and have them coming out weekly to visit our towns.

Our Workforce Development has been valuable in both towns for job seekers, the use of the computers, printers, and Job Link assistance has been well appreciated and well attended.

Our community group and association support and guidance has helped many people. The community and business projects, workshops, weekly mornings, family evenings and all events have been planned and delivered by your CRC and they have been well embraced and attended by you the community. We thank you for that! This will all change.

So as you can see it's not only us that will be affected, it will also affect all of you.

What can you do? Letters of support, filling out the Community CRC Surveys at the Recreation Centres , following the "crcs are the answer" facebook page and talking to your Shire President and councillors to help with the political rally that we need.

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer
Fire & Rescue Captain - David Shilton

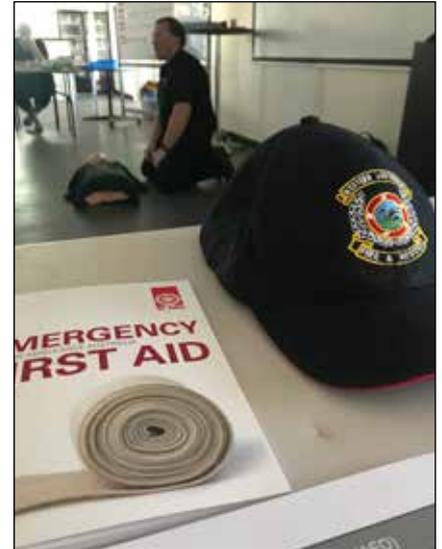

Hi everyone

Well April has been a busy month for the fire brigade with a busy bee clean-up at the station and grounds and two training courses that our members participated in: a first aid and a BA refresher course. These courses are provided by DFES and our members have increased their skills and knowledge whilst becoming further qualified.

Winter is approaching so it's time to put some precautions in place now to avoid possible fires and damages to your house. Make sure your fires and chimneys are cleaned and if the power goes off due to storms, be careful with candles and don't leave them unattended, near windows with curtains or next to any flammable products. Every year there are house fires that could be avoided doing these simple steps:

- Have you checked your clothes dryer lately? Make sure they are clean of lint and dust; if you are drying clothes in front of a fire or radiators make sure you have them at a safe distance to avoid a fire.
- Have you checked your gutters lately? Make sure you clean out your gutters to prevent flooding over the winter rainy months. Gutters should be cleaned twice yearly.
- Smoke alarms in the house. We can't stress enough how important and affordable these are and they do save lives! Check the batteries in them and if you don't have them already go and get them. Batteries should be replaced on Aprils Fools Day (1st of April) annually. House fires do not happen only in the day time when everyone is awake, they can happen during the night or early morning while everyone is asleep and if looked after smoke alarms do not sleep!

If you are interested in joining us, come down and meet the team on our training nights which is held every Tuesday from 7.00pm. For more information contact David Shilton on 0412 859 582.

Goldenmile Equestrian Club

OBSTACLE CHALLENGE DAY Sunday 27th May 2018

To start at 10am, with grades: Led Line, 11-16, open over 17, Walk Trot Junior & Senior, Halter Led Junior & Senior. Cost is GMEC member \$20; non members \$50. Shire of Coolgardie

Kambalda Community Recreation Centre

In April we were held a kids soccer clinic. This was a great opportunity to have an experienced player come and teach our local kids a few skills and have some fun. All the kids were excited to get involved and enjoyed the visit.

Thank you to those that brought in poppies to be displayed in our centre. The poppy wall looked amazing and we appreciate your efforts.

If you are a local business, we will be hosting a networking session with our new Kalgoorlie Boulder Chamber of Commerce Advisor, Chris. Chris has a wealth of business knowledge and it will give you the opportunity to meet her and ask any business questions you may have. You will receive an email soon with the details. If you would be interested in attending please email me at kambaldacrc@coolgardie.wa.gov.au and I will add you to the list.

On Thursday 24th of May from 11:00am to 12:30pm we are hosting 'Australia's Biggest Morning Tea'. Come along to enjoy fun games, great food and all to help raise funds to help those impacted by cancer. If you would like to attend you will need to RSVP by Friday 18th of May to Leesa either by phone 9080 2111 or email kambaldacrc@coolgardie.wa.gov.au

In June we have the opportunity to host the Foodbank program 'Food Sensations'. This program is held on a Tuesday from 11am-1pm and goes for four weeks. It will run by video conferencing and will teach participants about preparing food budgets, reading food labels and learn how to cook basic meals. If you would be interested in attending this please email kambaldacrc@coolgardie.wa.gov.au or come and see Leesa at the Kambalda Recreation Centre.

SAVE THE DATE

The next Pingo will be held on Friday 25th of May at the Kambalda Community Recreation Facility.

Shire of Coolgardie

Coolgardie Community Recreation Centre

April 2018 was a very busy month for the Coolgardie CRC, filled with lots of creativity and achievements, says Leanne Shilton.

The Anzac Day Recycled Poppy Project

I am so proud of our Coolgardie CRC craft ladies who have continually worked hard throughout the year to complete the 2018 display. Last year on Anzac Day the decision was made to go bigger for our RSL memorial garden wall display and wow ladies you certainly did yourselves proud. We feel that this could quite easily be the biggest poppy in WA.

All this could not have been done without the help and support from the community. The people who saved and delivered their plastic bottles to us, the Coolgardie Community Men's Shed who spray painted the poppies and the one person who humbly works behind the scenes designing the final masterpiece and bringing it all together for us Alan Bergin (Coolgardie's Steven Spielberg). We all had a few sleepless nights over how we were going to get it up on the wall. A huge thank you to everyone.

More than 4000 poppies were made this year and when we say made, it is a bit of a process. Firstly, the ladies cut the top quarter off a plastic water bottle or 600ml soft drink bottle, it is then cut into four petal shapes and then each petal is held over a candle and melted into shape. Rosemarie Pettitt is our poppy artist who so lovingly cut the leaves into shape and then patiently melted the flowers one by one – petal by petal over a single candle. Rosemarie Pettitt, Marlene Cullen, Jill Scutter, Nancy Day, Betty Furge, Elaine Brown, Lyn Sojan, and Josie Anderson thank you for your time and dedication to make this beautiful display that Coolgardie is certainly proud of.

The afternoon before Anzac Day we called in the helpers and they all worked so hard to get the heavy masterpiece up on the wall. No machinery, no winches, just ropes and pure muscle power from the roof of the RSL. Everyone worked 1000% in effort that day and it paid off. Thank you to David and Braden Shilton, Ryan Kippin, Phil Chambers, Wayne Bird, Alan Bergin, Gorrie Williams and Morris Costello and Phil's visiting friends Edy, Kevin and John from Perth.

The poppy project was well received by the Coolgardie RSL and also by the crowd who gathered on Anzac Day. There have been plenty of vehicles stopping during the week with travellers admiring it. Thank you to Andrew from the *Kalgoorlie Miner* who came out for the Anzac Day Dawn service and took some great photos.

Bob Kippin

It is with a heavy heart that I write this about one of my favourite customers who passed away on Easter Weekend. Bob attended some computer lessons at the CRC and in no time mastered social media, the internet, email and sharp digital photography photos.

Bob quite often would turn up to the CRC with a bag in his hand that was wriggling and in that bag would be an animal or reptile that he had caught with the intent of showing people up close the beauty and special features that it had before releasing it back into the bush. I have learnt so much about this wildlife and appreciated every visit from Bob. I used to call him the Lizard Whisperer and told him that he needed to do a wildlife TV show.

Bob has also been there to help with our CRC projects when needed and both Bob and Gill were the people in the first year of our poppy project who painted our poppies and designed a stand etc to make it easier. He also helped build the blanket frames and if we needed anything, Bob would have had it in his shed or he would go and whip something up. We will miss his huge smile and support but thank him for the difference that he made to our Coolgardie CRC. RIP Bob Kippin.
