CROWD PLEASER!

Community cheers Goldfields Giants to victory in Kambalda

A jam-packed Kambalda stadium hosted a crowd of more than 450 people when the Goldfields community came together for a fun and exciting night to watch the Goldfields Giants take on Perry Lakes Hawks recently.

The very vocal crowd got to witness a 94-89 victory for the Giants on the evening of Saturday, June 15, 2019. The win means the team now qualifies for the State Basketball League play offs for the first time since 2015.

Message from the Shire President
May 2019

Kambalda residents would be noticing the flurry of activity in and around the swimming pool enclosure during the past few weeks. The contractors are making good progress with the works at the site with major excavation of the old pipe work and removal of tiles in the pool shell. The engagement of a project manager for the pool upgrade is making oversight of the pool work much more beneficial for Shire staff, with regular updates on the progress of work, whilst enabling our staff to continue with their own tasks.

The recent announcement by State Sport and Recreation Minister Mick Murray, that the latest application from the Shire for state government funding for the pool refurbishment had been successful, is a massive boost in confidence for the community and the Shire. The amount of \$700,000 from the State now reduces the funding gap to only \$400,000, which will greatly reduce the amount of Shire own funding required.

Coolgardie residents may have noticed the installation of several new street bins along Bayley Street last week. The reason for these larger bins being the volume of waste received by residents and passing travellers depositing into the older style bins and the birds being able to access the open bin, pulling the rubbish out, which then blew around on the main street. The new bins fit in well with the amenity of Bayley Street, and hopefully we will have a much neater street.

With the resheeting work on the Kambalda Airport road now completed, the Shire Road Crew has commenced maintenance grading of our gravel road network, with the first of these being Coolgardie North and Jaurdi Hills roads. With the increased mining and exploration activity in the Shire in recent times, this has meant large volumes of both light and heavy vehicle traffic on our road network, thereby increasing the cost of maintaining these roads. Shire contractors have replaced and widened several sections of the bitumen road to Bonnie Vale, where the road surface has broken up and suffered surface damage. As part of the Shire strategy to maintain and upgrade the road network, we are continually juggling mining contributions, Regional Road Group funding along with Shire own funds in an endeavour to maintain and upgrade these roads into the future.

The Shire was privileged recently with a visit to Coolgardie by newly promoted Federal Minister for Families and Social Services, Anne Rushton. Shire Staff, CEO and myself hosted the Minister, Member for O'Connor Rick Wilson, Secretary to Department of Social Services Kathryn Campbell, representatives of local governments from the City Kalgoorlie/Boulder, Menzies, Leonora and Laverton on a tour to learn and assess the implementation and positive impacts following the implementation of the CDC trial in the Goldfields region.

The Minister and entourage also visited the Coolgardie IGA store and met with the new owners to discuss their experiences so far with the use of the CDC transactions in their store. The message from the Minister was for all the local governments to continue to collect imperative evaluation data from throughout the region in an endeavour to continue and extend the use of the card into the future.

The St John, Shire of Coolgardie Primary Health Alliance continues to gain momentum, with the recent launch of the new community transport bus. The service will officially commence in July, with volunteers currently undertaking basic training to be able safely transport residents to and from destinations in both Kambalda and into Kalgoorlie as well. This will be a really great initiative and benefit to many of our residents that require transport in the community.

The annual state basketball event was held in Kambalda on Saturday, June 15. The basketball game was prelude by a Goldfields football league match between the Kambalda Eagles and Mines Rovers.

From P2

The Eagles were successful in winning both league and reserves matches in front of a large parochial home crowd, who gave much encouragement to both teams. The last quarter of the league match was close, with the Eagles securing a hard-fought win.

Meetings and workshops attended this period:

- GTNA meeting Kalgoorlie.
- May 20 - GNRBA meeting re hudson pear and cactus growing in townsites.
- May 28 - MRWA meeting Kalgoorlie road funding opportunities.
- May 30 - GEDC, GVROC, GNRBA meeting in Kalgoorlie re camel management program and funding.
- May 31 - Masonic Homes, opening of Pringle Aged Accommodation Village in Kalgoorlie.

From the desk of the CEO
May 2019

Hi everyone,

School holidays are now upon us and if you are looking for ways to entertain the kids, our amazing Community and Recreation staff have put together a variety of programs to keep them busy. Details of all these great activities are on page 6 and 14 of this Rambler.

Thank you to everyone who came down to support the Goldfields Giants vs Perry Lake Hawks basketball game in Kambalda - what a great win by the Giants. We received excellent feedback from the players on our amazing facility, staff and especially, the community that made them feel so welcome. The Shire is looking forward to planning next year's game.

We held our inaugural Community Conversation day in Coolgardie on Saturday, June 22. What a fantastic turnout by over 30 community members who took the time to give valuable feedback on the exciting projects planned for Coolgardie. There will definitely be more Community Conversation days in the near future for both towns.

The staff have working tirelessly these past few weeks for the end of financial year as well as planning for the future year. We have posted our Corporate Business Plan and Long-Term Financial Plan on the Shire website if you would like to read more. Staff have also been working on developing their action plans in each Department.

I have recently held some fantastic meetings with local residents who took advantage of my open door policy. Please contact Bree my Executive Secretary on 08 9080 2111 to make an appointment if you want to chat.

Take care,

James Trail
Chief Executive Officer

Furry friends visit park for community action day

RSPCA Western Australia came to Coolgardie Park on Tuesday, June 11, to deliver a community action day.

The RSPCA regularly holds action days like these for communities around the state, and offers various free services during the event.

The event saw around 20 community members attend with their dogs.

A huge thanks to Kalgoorlie Animal Hospital who provided free health checks, de-sexing vouchers and microchipping, while RSPCA WA inspectors and our own Shire rangers, Wombat and Yvette, monitored the event and had a chat to members of the public.

Other benefits of the event included free dog food and free flea and worming treatments. Around 15 dogs were vet checked and they were all very well behaved.

Thank you to RSPCA WA for organising the event and the Shire of Coolgardie Rangers Yvette and Wombat for assisting.

Creative journeys at art therapy workshop

Art therapy classes were held at the Coolgardie Community Recreation Centre on Sunday, June 23 and 29, 2019.

We have had a great turnout when these classes are offered, and look forward to holding more again in the future.

Art therapy is a form of psychotherapy involving the encouragement of free self-expression through painting, drawing, or modelling, and can be used as a remedial or diagnostic activity. The practice helps one discover their inner self, explore their feelings and emotions and express themselves subconsciously through art.

Our participants all went on a relaxing journey through their mind and the result was some beautiful artwork and stories of empowerment. The first stage of the workshop involved a warm-up, during which participants drew a collection of circles and then painted the resulting pattern in colours that each person was drawn to the most.

After a quick break for lunch, we jumped into the main activity of creating a picture of ourselves – imagined as a superhero. This was a very thought-provoking exercise that brought out a lot of stories and emotions to the surface.

A huge thank you to Carlie, our art therapy guide, who delivered the workshop, and we can't wait for more in the future.

The first wedding in Coolgardie

Clara Saunders was living in Southern Cross with her mother and sisters when Evan Wisdom - the licensee of the Exchange Hotel in Coolgardie - returned to Southern Cross looking for a woman to assist Mrs. Fagan, the wife of the manager with the domestic work.

Although Clara was only 15 at the time, she was mature for her age and keen to take up the opportunity. She already had experience helping her brother-in-law in his hotel while her sister was pregnant with their fifth child.

It was April 1893 when she came to Coolgardie, and quickly made friends with another girl named Florrie Cheshire.

In June of 1893, Paddy Hannan was travelling back to Coolgardie following his find at what became known as Hannans. On the way he ran out of water. He filled his water bags with brown water from a clay pan, which resulted in him getting dysentery. He carried on to Coolgardie to seek help.

The little Irishman went to the Exchange Hotel and asked for a room, but there were none available. Clara, seeing how sick he was, offered up her own room and looked after him. She mended a hole in his water bag, gave him plain boiled rice and food, and medicine from the chemist. He was better within a few days and was eager to get back to his find. When he left, he gave Clara a small piece of gold. He said it was the first piece he'd picked up at the new find.

Towards the end of 1893, Jack Raeside, a friend of Clara's from Southern Cross, arrived. She was pleased to see him again and agreed to accompany him to Coolgardie's first ball on Boxing Day.

Early in the New Year, Mrs. Fagan left for Hannans with her husband to help set up the Exchange Hotel there, and left Clara in charge of the domestic arrangements.

One morning not long after Mrs. Fagan left, Warden Finnerty came to the hotel to inform Clara that Jack Raeside's body had been found. He had been shot in the face, and a rifle was lying next to his body. The inquest into his death revealed that Jack had borrowed a rifle to shoot a dingo nearby. It appeared that as he was climbing a ridge he tripped, and the gun went off. The Warden

declared it an "accidental death". Clara went to the funeral (Jack's grave is in the pioneer cemetery) and as she had neither Mrs. Fagan nor her best friend Florrie there for support, she felt terribly depressed and alone.

Arthur Williams, who ran the billiards room at the hotel, tried his best to comfort her, but it took some time for her to recover from Jack's death.

Shortly after the tragedy, Evan Wisdom left the hotel and Coolgardie. Mr. De Baun asked Clara if she would take over the dining room at his hotel, The Great Western, and she agreed.

In the meantime, Arthur Williams had been doing all he could to woo Clara, often taking her on outings. During these excursions he told her of his plans for the hotel and billiard room he was having built at the 90-Mile (Goongarrie). She was uncertain about continuing the friendship, worried about the age difference as there was a 13-year age gap between the pair.

Molly Brennan, a barmaid, helped Clara make up her mind about marrying Arthur by explaining that "he is a young man who is going to do well in life". Clara knew that the best way to improve her situation was to marry someone in a well-off position. So, she continued to accept Arthur's attention and when he did officially propose she thought it over for a while and then said yes.

News of the engagement spread across the Goldfields and congratulation messages started to pour in.

It didn't take long for Clara to get caught up in the excitement of planning the wedding, Coolgardie's first, and the couple chose July 4, 1894, for the event.

The Great Western Hotel was the venue for the reception. The owner, Mr. De Baun, gave the bride away, while the manager, Mr. Aitkin, served as best man.

The couple's house was being built while they prepared for their wedding. In the meantime, Arthur had gone to Perth and ordered furniture for their house and to be fitted for his wedding suit. He also selected an assortment of engagement and wedding rings, so Clara could make her own choice.

One other thing on his list was to carry out a special assignment for his fiancé. Clara asked him to have the nugget Paddy Hannan had gifted her made into

"The couple was pelted with rice as they stepped outside following the ceremony and the crowd lining the street sang to them as they rode away in the bridal buggy."

a brooch which she was very pleased with. Clara's family still have the brooch and it is one of their most treasured possessions.

Men from out of town began drifting in a day or two before the wedding. Their early celebrations turned Coolgardie into a carnival like atmosphere.

On the day of the wedding, Molly helped Clara dress and they made their way to the ceremony. Those who could not fit inside lined each side of Bayley Street. The couple was pelted with rice as they stepped outside following the ceremony and the crowd lining the street sang to them as they rode away in the bridal buggy with old boots and kerosene tins clanging and rattling behind.

Outside the dining room of the Great Western, men crowded into the bars, passages and every other available space, all toasting to the happy couple. Dancing lasted well into the night and all enjoyed themselves thoroughly.

I imagine having something like a wedding in those early days of Coolgardie would have been a welcome distraction for the people living and working in the area and was the perfect excuse to dress up in your finery and dance until your feet were sore.

The Road to Old Coolgardie

A poem written by Victor Churchill Dale (copyright)

There are no mile pegs on the road
Nor is it kind by scenic view
Furrowed ruts of the big dray wheel
Are broken in the horse's shoe
Summer leaves on the distant haze
And winter brings her bitter cold
A man must search his sanity
When he's drawn to the lure of gold

My soul is driven on the dream
Where water holes are far and few
And I'd trade a year of Sundays
To taste a good old English stew
My boots groan with the heavy load
And the miles pass me in their grace
'Til the twinkle of the campfires
Sits gentle on the stranger's face

A man must pride his yesterdays
Accept the value in his past
Should he wrestle with tomorrow
Against where time may call her last
Fate deals her hand the unseen card
While law of chance sits in between
A hungry family far away
Or the prayer that's beside my dream

Seven long days from Southern Cross
I walked with the strong and hardy
I camped those days among good men
On the road to old Coolgardie
I walked the road many would follow
In the days when our years were bold
I came the way of pioneers
We walked the outback lure of gold

Shooting hoops in the Kambalda library

Another busy and crafty month of storytime activities has passed and the term is almost coming to an end.

We have introduced a few morning stretches to our storytime sessions which helps the children to warm up and get ready for our movement songs. It is fabulous to see the same familiar smiling and many new faces every week on a Thursday morning. We have noticed the children joining in more and more and starting to remember the lyrics very well by now.

Last month it was all about wind and basketball. With the weather having started to get colder we read a story about "Ollie and the Wind" and made wind socks, which all children enjoyed. Such a great craft for the kids to watch the weather change without having to go outside.

In the lead up to the Giants v Hawks state basketball game hosted by the Shire of Coolgardie last month we selected a book from the non-fiction section, telling the kids all about basketball as a sport and the rules of the game.

Very unique back boards were created and everybody got to take their own basketball hoop home to show off their skills. We may have discovered a few new Kambalda talents to be future Giants players.

A great conversation about Mum's and Dad's favourite sports started after the book was read and everyone got all excited to come and watch the game on the weekend.

Storytime is a unique and fun 45 minute morning session of singing to popular action and movement songs, reading and engaging in a story with a matching craft activity, suitable for toddlers up until 4 years of age. It gives both adults and children the opportunity to focus on books, stories and rhymes.

During school term, weekly sessions are held at the Kambalda Public Library every Thursday from 9.30 am for \$2 per child. Bookings are not required.

Our library staff set up weekly craft activities and a story with a focus on international and national days and is looking forward to seeing you and your little ones at one of our storytime mornings soon.

■ **The last storytime in the Kambalda library for Term 2 will be held on Thursday, July 4, 2019. Storytime for Term 3 will commence again on Thursday, August 1, 2019.**

When: Thursdays (during school term)

Time: 9:30 am

Cost: \$ 2.00 per child

Hear great stories and join in on songs and rhymes, before you make a masterpiece of craft to take home. You don't need to register, just turn up!

What's been happening at Coolgardie Recreation Centre and Community Resource Centre

Storytime at Coolgardie CAPS School

Jess, our Storytime hero, held a magical, fun and interactive Storytime program at Coolgardie Primary School on June 10 and again on June 24. The kids all made their very own story-specific craft, sang silly songs, played fun games and listened to an interactive story with Jess. The kids all had a blast and look forward to her next visit!

Youth Headspace

Headspace Kalgoorlie come to the Coolgardie Recreation Centre to offer the youth of Coolgardie craft sessions, computer sessions and yummy food every Tuesday afternoon from 3pm-4.30pm. We have had a great turnout of numbers, which continues to increase. The kids have recently been working on a craft book about themselves, using photos, decorations and words to describe themselves. Bring your kids along and have a chat and cuppa, all are welcome!

Centrecare Social Craft

Centrecare Kalgoorlie continues to visit every week – with the new day changed to Tuesday instead of Wednesday. Their session runs from 10.30am-1.30pm at the Coolgardie Community Recreation Centre. Come along and join in for a shared lunch, socialising and craft session. We would love to have some more members of the community attend and encourage anyone to contact Alison or Cindi at Centrecare on (08) 9080 0333 for more information.

Wednesday Social Craft

Come and join the social craft and morning tea group at the Coolgardie Community Recreation Centre from 10.30am-12.30pm every Wednesday! The day has also changed and the session is now being held on Wednesdays, weekly. Enjoy the friendly atmosphere, grab a cuppa, and play some games, do some crafts or colour in!

Bright Minds

The ladies from Bright Minds are still visiting Coolgardie schools and the recreation centre. They no longer have anymore developmental playgroups at the recreation Centre due to appointments with clients, but will still be around to answer any of your questions. The 1-2-3 Magic parenting workshop went well and was very informative for our

clients. We hope to be able to hold more of these in the future.

Thursday YMCA for youth

YMCA Kalgoorlie comes out every Thursday afternoon from 3pm-5pm for the youth of Coolgardie. The team at YMCA deliver fun activities including various sports at the Coolgardie Park and courts, sausage sizzles, fun games and more! Bring your kids on down to join in the fun in a safe and interactive environment!

Pingo

On Wednesday, June 19, Coolgardie Community Recreation Centre held it's new start to MONTHLY Pingo! Pingo has been held bi-monthly recently but we have decided to give it a go monthly. Pingo is a huge hit in the Coolgardie community, giving everyone a chance to win some great prizes, while having fun and enjoying socialising with other community members.

This month Pingo had some awesome winter goodies up for grabs, delicious soup, tasty snacks and a good sense of humour from our hosts, Leanne and Jess. Thank you to all who attended and we can't wait to see you next Pingo – keep a look out for the next advertisement.

Barefoot Bands

They came, they delivered and they left after two inspiring days of songwriting, guitar lessons and music jamming in our community. It was excellent to see the interaction with the community of all ages and songs were produced.

Barefoot Bands is back for Coolgardie Day - and watch this space for future events.

Fans cheer Giants on to exciting win

From P1

Fans from across the Goldfields, including Coolgardie, Kambalda, Kalgoorlie and even Leonora, gathered for the annual event hosted by the Kambalda Community Recreation Facility and enjoyed a great family night out.

Tickets were available from the recreation centre prior to the event as well as on entrance, with patrons being greeted by members of the Kambalda Amateur Swimming Club who took care of sales during the night of action.

Oil and Spice Café opened for the event and treated attendees with their delicious dinner options and yummy coffee. A bar, hosted by the Kambalda Football Club, was also available.

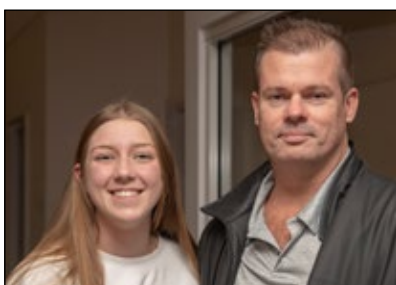

Thank you to the Kambalda West District High school leadership kids for volunteering to be sweepers on the night.

With the doors open from 6.30pm there was plenty of time for patrons to check out the stalls in the foyer set up by Kambalda West District High School P&C, their leadership group and Kambalda West Playgroup.

Each of these groups offered fantastic raffles and sales and thanked the Shire of Coolgardie very much for being invited to have a stall this year.

Goldfields head coach Wayne Creek was pleased with the vocal crowd in Kambalda and the support for his team. We even caught captain Daniel Forlano striking a pose with our photo frame (photos by Frank McCubben) and having a good night.

Congratulations to both teams and a big thank you to everybody involved and helping to make the community event possible and such a success.

Monthly focus from Ranger Services

Have you recently taken on the joy of owning a pet or just moved to town with pets?

If you answered yes, are they microchipped and registered with the Shire of Coolgardie?

If you answered yes again, then high five to you and thank you for being a responsible pet owner.

If you answered no, then here's what you need to do:

1. Arrange with your preferred vet to get this done or organise a time and date with our local Ranger, Kevin, aka "Wombat", to have your pet microchipped at a cost of \$65.
2. Gather your pet's details including their microchip number and sterilisation certificate.
3. Attend your local recreation centre with your pet's info and complete a registration form and pay the required fee as per below: *(Please note a 50% discount off the below prices are available for pensioners who present a valid pension card.)*

| Dogs | Sterilised | Unsterilised |
|----------|-----------------|--------------|
| 1 year | \$20 | \$50 |
| 3 years | \$42.50 | \$120 |
| Lifetime | \$100 | \$250 |
| Cats | Sterilised ONLY | |
| 1 year | \$20 | |
| 3 years | \$42.50 | |
| Lifetime | \$100 | |

Why register and microchip your pet?

- In the event of your pet getting lost or stolen, microchipping is an excellent way of identifying your beloved pet and being able to reunite them with their rightful owner.
- If for some reason your pet escapes and is found wandering, if it is wearing its collar with registration tag, the person who has found your pet can call the Shire and provide the tag number. The Shire can then attempt to contact you to inform you your pet has been found and can arrange to reunite you and your pet.
- In WA it is law that all dogs are to be microchipped and registered after three months of age, and all cats after six months age or on transfer of ownership. (See Cat Act 2011 and Dog Act 1976.)

Have your details changed?

If yes, make sure you give the Shire a call on 9080 2111 or pop in and update your records. Office hours are Monday-Friday, 9am-4.30pm.

Please don't hesitate to contact the Shire for any further information on the above number.

Jess's sausage rolls

INGREDIENTS:

- 1kg sausage mince
- 1 large onion, diced
- 4 slices bread, crusts removed
- 4 Tbsp approx. mixed herbs
- Salt & pepper to taste
- 5 sheets puff pastry
- 1 Tbsp milk

METHOD:

1. Preheat oven to 180 degrees Celsius and line a large baking tray with baking paper.
2. Lay the puff pastry out to defrost as per packet instructions.
3. Place the bread into a bowl of water for 1 minute.
4. Squeeze the water out of the bread and mix all the ingredients, including the bread, in a large bowl.
5. Cut pastry sheets in half.
6. Evenly place mixture along one side of each half.
7. Roll up and place on oven tray.
8. With a back of a knife (blunt side), create segments along the rolls.
9. Brush each roll with milk.
10. Cook in the oven for 35-40 minutes or until golden brown on top.

Term 2 at K.P.S.

Room 6 students were given the challenge of designing an input device to connect to a computer to play a game. Students applied their knowledge of user interface design to create their own remote controls using Makey Makeys. They were fabulous!

Room 1 students were challenged to build a tower using chocolate, marshmallows and a tray of warm water. Students had to apply their knowledge of how a temperature change causes chocolate to become a solid or liquid in order to weld their towers together.

Room 1 were learning about the roles of the three levels of government and their responsibilities. They were fortunate to have Mr James Trail CEO of the Shire of Coolgardie to come and discuss responsibilities of our local shire. Students loved his very informative session.

Room 1 also had a fantastic Excursion to the Kalgoorlie Town Hall and Museum; they were able to learn about the Kalgoorlie Boulder Council meetings and the history of the Town Hall and Council Chambers.

YCDI P&C Colour Fun Run

On Friday 21 June we held our biannual "You Can Do It" Colour Fun Run. There was a great display of our school values throughout the afternoon that was full of activities and chalk dusting. Thank you to our amazing P&C members together with parent and community helpers that helped out on the day to ensure this event was such a success.

2020

Kambalda Primary School is now taking enrolments for 2020. If you know of anyone with a child born between 1 July 2015 and 30 June 2016 could you please let them know that enrolments are now being taken to assist with 2020 school planning.

When you apply to enrol please bring:

- ⇒ Birth Certificate
- ⇒ Immunisation History Statement
- ⇒ Proof of current address

PLAYGROUP

JULY/AUGUST 2019

'Come to playgroup they say. Have fun and make new friends they say!'

2019 has been by far the most fun year already. July has certainly come around very quickly, and we feel like it was only yesterday that we celebrated Easter in the park. What a busy six months lay behind us, with fun-packed events, creative and busy little people "at work" at our playgroup sessions every Wednesday and Friday morning.

Fiona Buckley has been successfully making use of our space on Mondays, bringing out her Yoga Mums sessions while the children get to enjoy and explore all that playgroup has to offer for the little ones. The activity room at the Kambalda Community Recreation Facility is such a fantastic shared space for small community groups like ours and offers an airconditioned, heated and safe indoor - and fully fenced outdoor - area, a kitchen with plenty of cupboard space and two store rooms for all the fantastic toys and what feels like thousands of crafty supplies we have accumulated over the years.

What have we been up to in June?

June was a month of celebration, exploration, discovery and fundraising.

We celebrated 30 years of the iconic children's book, *A Very Hungry Caterpillar*, written by Eric Carl, which included caterpillar making, food sorting and caterpillar hunting along with a nice sit-down storytime followed by a scrumptious morning tea thanks to our wonderful members. We also now have a life-size caterpillar displayed on our wall for all to enjoy (made by Jacinta Perkins).

For Multicultural Day on June 7 we set up a play dough area for the kids to make faces with all shapes and colours and asked every family to share a little bit about their heritage before enjoying the most amazing delicious multicultural morning tea playgroup has ever seen. We certainly do have some very talented home makers in our playgroup who made

From P28

the day just that little bit more special for our little ones. The Giants basketball game hosted by the Shire at the Kambalda Community Recreation Facility on June 14 was a great opportunity for us to raise much-needed funds for the next financial year. Last year the event fell right in with Mother's Day and it was just as successful. This year's fundraiser helped us raise \$500.

A massive thank you to Oil & Spice Cafe who allowed us to sell some more tickets the week following the event and for their kind donation. Big thanks also to Woolworths Kambalda, Soul & Soy Candle and Co., Bunnings and Grumpy's Bar & Restaurant for all their generous donations. Not to be forgotten about is the honour of the Giants autographing our first prize. The raffle was drawn on Sunday, June 24, 2019 with many thanks to Hayley Trail for pulling out the winner's names. All winners were notified shortly after.

Congratulations to Erin from Kambalda for winning first prize, the family Bowler from Kalgoorlie for winning second and third prize, and to Angus Cooper who won the fourth prize.

Thank you Kambalda for continuing to support our local community group. We are forever grateful.

School holidays

Did you know that there are no school holidays at playgroup? If you become a member of Kambalda West Playgroup, no school holidays will ever be boring for your kids. Be it the long summer holidays or the colder school break in July. Pop on down and check out what playgroup is all about. Playgroup is for any children ages 0-5 years of age with the exemption of home-schooled children aged above 5 years.

Welcoming new members!

With the number of families continuing to rise, so does the amount of friendships that have been built recently. With 14 families currently part of our organisation our little group is not so little anymore, and we have welcomed yet another lovely family onboard. Here is to many adventures and memories made at Ppaygroup and a warm welcome to Nicole Lloyd and Robert Fougret, and their little girl Bella. "May this be a space where your imaginations run wild and inspiration rules."

Calling all Yoga mums!

Our wonderful local yoga and meditation guru Fiona Buckley has kindly teamed up with us to bring Kambalda mums a yoga session where the little ones can socialise and play while mums relax, meditate and stretch. Sessions run every Monday from 10am-11am with a cost of \$15 per session (partial proceeds go to KWPG). For more information join Fiona's facebook page 'Yoga Mums Kambalda'.

What else is happening at KWPG

Bright Minds hosted the parenting course '1-2-3 Magic & Emotion Coaching' throughout June with three sessions and have made use of our space during the seminar. If you have missed it and require any further information, please email Hayley Willis: admin@brightmindsot.com.au Or check out our facebook page Kambalda West Playgroup.

Available here  

St John Ambulance WA has released a new, free smart phone app, First Responder.

The St John First Responder app has a range of features, one being its unique first responder capability. The app allows qualified first aiders to sign up as a first responder and be notified when someone has called 000 for an ambulance within 500 metres of their current location and in a public place.

To become a first responder you will need to provide evidence of having completed a first aid course within the last three years. Minimum qualification level of HLTAID001 Provide cardiopulmonary resuscitation. We now offer the ability to become a BASIC level first responder in the app, by uploading your Photo ID.

If you're not looking to sign up as a first responder yet, then that's okay! The app also contains a number of other resources, including:

- **First aid instruction guides** – helping you to treat a range of injuries and illnesses.
- **Triple zero (000) calling with automatic GPS location** – calling 000 from the app will send your GPS coordinates direct to the St John State Operation Centre, making it easier for an ambulance to locate you.
- **Defibrillator (AED) locator** - showing all the defibrillator locations near you.
- **Upload the location of new defibrillator (AED) locations** that aren't currently appearing on the app.
- **Locate nearest medical centres and emergency departments** - including live ED waiting time information.
- **Patient transport services information.**
- **Your first aid course information** and refresher reminder notices
- **First aid tips and special offers** - keeping you up to date with handy first aid information.

Bright Minds helping families across the Shire

At Bright Minds Occupational Therapy we have had a busy term 2 within the Shire of Coolgardie.

Whilst during term 1 we focused on building awareness and referrals into the service with lots of community activities, term 2 changed direction with focus on service delivery.

Many families have been provided with screenings of their child's speech and language skills, and functional skills for learning through the speech pathologist and occupational therapist. Some families have also commenced further sessions to work towards their goals set by parents and therapists.

We were lucky enough to have two fourth-year OT students with us in term 2, which also helped to provide more services to clients referred to OT.

We have continued our library storytime sessions in Kambalda, through which we continued to build connections with local families.

We also held some developmental playgroup sessions in Coolgardie which gained interest when held in the mornings. We had some services that didn't gain any attendees or interest however on review of these and feedback we are working towards providing more appropriate services and schedules times to cater for families.

Term 2 also included the launch of our 123 magic and emotion coaching program, which aims to teach parents about emotional and brain development; and arm them with strategies to help nurture and encourage positive behaviours and build emotional regulation skills while setting appropriate limits.

This program had limited interest in Coolgardie however there was a great turn out in Kambalda and further interest within the community to run the program again in term 3.

An attendee of the Coolgardie course said she found it valuable and would recommend it to other parents and carers.

"The information was very helpful, with plenty of practical advice and tips on how to apply it at home. It was delivered in a way that was easy to understand and in a convenient timeframe," said Emma.

Another parent said: "This course has given me tools and the confidence to cope as we head into the "terrible twos". I'm much less worried about it now."

Feedback from the Shire regarding our service has been positive, and we hope to continue to provide a valuable service throughout the rest of 2019.

Shire of Coolgardie

It is intended to make the following Local Laws:

Bush Fire Brigades

The purpose is to provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of bush fire brigades in the district, and prescribe their respective duties. The effect is that the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of bush fire brigades in the district is prescribed, as are their respective duties.

Cats

The purpose is to set a 'standard number' of cats that may be kept on premises, and areas where cats are prohibited. The effect is that persons must not keep more than the standard number of cats unless provided for by the local law, the Cat Act, or its associated Regulations or permit a cat to be in a prohibited area.

Cemeteries

The purpose is to provide for the orderly management of cemeteries under the care, control and management of the Shire and to create offences for inappropriate behaviour within cemetery. The effect is that all persons in the administration of the cemeteries, burying deceased in the cemeteries, or otherwise providing services to or making use of the cemeteries, are to comply with the provisions of the local law.

Dogs

The purpose is to make provisions about the confinement of dogs, control the number of dogs that can be kept on premises in the district, and to require removal of dog excreta. The effect is to extend the controls over dogs which exist under the Dog Act 1976 and Regulations.

Fencing Amendment

The purpose is to amend the Shire of Coolgardie Bylaws Relating to Fencing and Obstructions at Intersections 1996 to reflect more up to date terminology and legislative references, and to increase penalties for some offences. The effect is that the Shire of Coolgardie Bylaws Relating to Fencing and Obstructions at Intersections 1996 are amended.

Local Government Property and Public Places

The purpose is to regulate the care, control and management of property of and under the care, control and management of the Shire including thoroughfares. The effect is that some Shire property is set aside for particular uses, some activities are allowed only under a permit or under a determination, and others are restricted or prohibited. The local law also establishes offences for inappropriate behaviour in or on Shire property.

Meeting Procedures

The purpose is to regulate the conduct of council, committee and electors meeting. The effect is that meetings of council, committees and electors are to be conducted in accordance with the local law.

Parking

The purpose is to enable the Shire to regulate the parking of vehicles within the district and provide for the management and operation of parking facilities under the Shire's care, control and management. The effect is that a person parking a vehicle within the parking region is to comply with the provisions of the local law.

Continued P35

From P34

Repeal

The purpose is to repeal local laws relating to Signs, TV Antennae and Masts, and Bee Keeping. The effect is that the local laws are repealed.

Waste

The purpose is to regulate the storage, collection and disposal of waste and refuse from premises and on waste facilities in the Shire. The effect is that unless otherwise authorized, the storage, collection and disposal of waste and refuse within the Shire must be carried out in accordance with the provisions of the local law.

The proposed Local Laws may be inspected at the Shire offices at Irish Mulga Drive Kambalda, and Sylvester Street, Coolgardie and libraries at Barnes Drive, Kambalda and Sylvester Street, Coolgardie during normal opening hours or via the website at www.coolgardie.wa.gov.au.

Submissions about these proposed local laws may be made to the Chief Executive Officer, Shire of Coolgardie, PO Box 138 Kambalda WA 6442 by 4 pm Monday 19th August 2019.

The Pastor's Pen with Bill Kirkland

For many today the pursuit of happiness seems to be the main goal in life. Some parents, having felt deprived themselves as children, make it their goal in life to do everything that will make their children happy. While every parent obviously wants their children to be happy, the endless pursuit of happiness often ends in selfishness and emptiness. In the pursuit of happiness relationships can become shallow. Children grow up ill equipped if the only thing they have pursued is happiness. Spouses walk out on each other if they have not met the barometer of happiness for their spouse.

Happiness can be very much determined by circumstances around a person. Some situations are determined by our choices while others are determined by other people's choices. A far better option than seeking happiness is receiving joy. Joy is the kind of happiness and contentment that comes from God alone. Joy is not determined by circumstances but instead is a gift from God that is available to His children.

With joy comes strength to persevere through hardships, thankfulness to the joy-giver and a realisation that whether happy or sad one's destination will be reached. When Jesus was crucified for the sins of the whole world the Bible describes how he was able to endure the cross because of the joy set before Him (Hebrews 12:2). In other words, He had joy knowing that His actions, despite great pain and hardship, were going to lead to eternal life for many.

For those who know the Lord Jesus Christ personally the Bible describes "unspeakable joy" (1 Peter 1:8). It is not only described as "unspeakable" but also as "everlasting" joy. We all love happiness however joy will be the only lasting happiness. Joy is a gift for all believers as well as part of the fruit of the Holy Spirit.

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer
Fire and Rescue Lieutenant Steven Forward

The Coolgardie VFRS held its AGM at our clubhouse in Sylvester St, Coolgardie, on Saturday, June 22, 2019 from 2pm.

The captain gave an address thanking the previous leadership group for the past 12 months of hard work, and dedication from our valued office bearers, active members, support members, coaches and life members.

With the time we put in at trainings, meetings, community events and the 35 call outs we had - ranging from structure fires, bush fires, animal rescues, road crashes, scrub fires, a helicopter mayday call and truck fires - our brigade will endeavour to deliver a service to our community when emergencies may arise.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round.

Your aircon will work better, smell better, and cost less to run

Are your drains constantly blocking up?

You may have a build up of fat or roots growing in your pipes.

Contact us to ask about our camera inspection and drain cleaning options.

Our high pressure jetter machine and expert knowledge will get your drains working like new.

Heating

We have solutions to keep every home nice and toasty, just give us a call today!

- Wood and Gas heaters
- Installations and Servicing
- Flue cleaning

No job too big or small, Taps does it all

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as -

- Aluminium cans
- Copper pipes
- Car batteries
- Lead flashings
- Brass taps and fittings

If you think it might be of some value please contact Ray on 0458 187 009.

Thank you in advance
