COUNCIL MEETING INFORMATION NOTES

1. Your Council generally handles all business at Ordinary or Special Council Meetings.
2. From time to time Council may form a Committee to examine subjects and then report to Council.
3. Generally all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters. On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this as the last item of business of the meeting.
4. Public Question Time. It is a requirement of the Local Government Act 1995 to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting. Should there be a series of questions the period can be extended at the discretion of the Chairman.

Written notice of each question should be given to the Chief Executive Officer fifteen (15) minutes prior to the commencement of the meeting. A summary of each question and response is included in the Minutes.

When a question is not able to be answered at the Council Meeting a written answer will be provided after the necessary research has been carried out. Council staff will endeavour to provide the answers prior to the next meeting of Council.

5. **Councillors** may from time to time have a financial interest in a matter before Council. Councillors must declare an interest and the extent of the interest in the matter on the Agenda. However, the Councillor can request the meeting to declare the matter **trivial, insignificant or in common with a significant number of electors or ratepayers**. The Councillor must leave the meeting whilst the matter is discussed and cannot vote unless those present agree as above.

Members of staff, who have delegated authority from Council to act on certain matters, may from time to time have a financial interest in a matter on the Agenda. The member of staff must declare that interest and generally the Chairman of the meeting will advise the Officer if he/she is to leave the meeting.

6. Agendas including an Information Bulletin are delivered to Councillors within the requirements of the Local Government Act 1995, i.e. seventy-two (72) hours prior to the advertised commencement of the meeting. Whilst late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Should an elector wish to have a matter placed on the Agenda the relevant information should be forwarded to the Chief Executive Officer in time to allow the matter to be fully researched by staff. An Agenda item including a recommendation will then be submitted to Council for consideration.

The Agenda closes the Monday week prior to the Council Meeting (i.e. ten (10) days prior to the meeting).

The Information Bulletin produced as part of the Agenda includes items of interest and information, which does not require a decision of Council.

7. Agendas for Ordinary Meetings are available in the Coolgardie and Kambalda Offices/Libraries seventy-two (72) hours prior to the meeting and the public are invited to secure a copy.
8. Agenda items submitted to Council will include a recommendation for Council consideration. Electors should not interpret and/or act on the recommendations until after they have been considered by Council. Please note the Disclaimer in the Agenda (page 3).

8 ANNOUNCEMENTS BY PRESIDING PERSON WITHOUT DISCUSSION

8.1 President's Report

President's Report July 2019

The St John Country Primary Health Initiative in Kambalda is gaining momentum, with the introduction of the GP Telehealth Service to be conducted two days per week at the Kambalda Medical Centre. This service will provide additional assistance for Kambalda residents and should anyone require further information, please contact the Medical Centre staff.

Along with the Community Transport Vehicle service, which is due to commence at the end of July, I believe the partnership between the Shire of Coolgardie and St John will bring long term benefit to our community.

Shire Staff and Councillors conducted three community forums and presentations to residents from both Coolgardie and Kambalda during the past weeks.

The first of these was a workshop in Coolgardie to outline the progress on the Shire waste facilities and future requirements for waste management by our consultants Strategen and Australian Venture.

The second event called the "Community Conversation" held at the Coolgardie Recreation Centre, attracted a good crowd of thirty residents eager to hear the Shire proposals to improve and upgrade Bayley Street, view the Post Office Precinct redevelopment and the plans of the proposed Truck Transit Park. Most people took part in the discussion and contributed with their suggestions for these proposals. From here, staff will review the plans, make suggested alterations and represent to the community again at the end of this month.

Lastly, Councillors and Staff hosted nine members of the Kambalda community at the Kambalda Recreation Centre on July 9th, where the CEO gave a presentation on the progress of the swimming pool project, long Term Financial Plan and Rating and Budget information. Should any further information on these sessions be required by any resident, please contact myself or CEO James Trail.

Councillors and Staff have been working diligently on Budget preparations during the past weeks, with staff working overtime preparing the necessary documents for Council discussion at the series of Budget workshops that have been held. As a result from these workshops, Council will be in a position to consider adopting this year's Budget at a Special Meeting of Council on July 30th.

During these past weeks, Councillors and Staff have spent many hours reading through the Shire Local Laws, Delegations and Policies which have all been reviewed and updated in consultation with Steven Tweedie from Conway/Highbury. This comprehensive work has taken some time to complete, however it is a good result for the Shire in that possibly for the first time ever we have aligned the Shire Policies and Delegations so that they are working parallel together.

Myself and Economic Development Manager, Mia Hicks travelled to Leonora recently as part of a Regional Council Initiative partnering with the Goldfields -Nullarbor Bio-Security Group to investigate the management of large Feral Herbivores on the Pastoral leases in the Goldfields-Nullarbor regions. There were twenty eight attendees from Wiluna to the Shire of Dundas who came along to share their experiences and discuss future actions and initiatives that can be taken in an effort to reduce the damage these animals (camels, horses and donkeys) are contributing upon the management of these pastoral leases.

Another issue being discussed with the GNRBA at moment is the control of cactus in the Shire, with outbreaks of various cactus varieties throughout the region spreading into the townsites. Shire staff along with the GNRBA are developing a strategy which will hopefully reduce these populations of cacti surrounding the townsites in the future.

Meetings - Workshops attended this period:

- * Waste Strategy forum in Coolgardie.
- * Community Conversation Workshop, Coolgardie. June 22nd.
- * Pro - Force mine site rehabilitation Inspection with DMIRS at Coolgardie Gorge site.
- * June 28th GVROC, meeting in Kalgoorlie.
GTNA meeting at Goldfields - Esperance Development Commission office, Kalgoorlie.
Meeting with MLC mining and pastoral, Kyle McGinn in Kalgoorlie.
- * July 3rd attended State Council and Infrastructure meetings in Perth.
- * Leonora Camel Management meeting July 5th.
- * July 9th Councillors Workshops Budget and Rates, Community Survey results.
Kambalda Community Presentation.
- * Policy and Budget Workshops July 16th.

Malcolm Cullen
Shire President.

11.1.3 Financial Activity Statement For The Period Ended 30 June 2019

Location:	Nil
Applicant:	Nil
File Reference:	Nil
Disclosure of Interest:	Nil
Date:	20 June 2019
Author:	Martin Whitely, Consultant

Summary:

This report recommends that the Monthly Statement of Financial Activity report for the period ending 30 June 2019 is presented to Council for adoption.

Background:

In accordance with regulation 34 of the *Local Government (Financial Management) Regulations*, the Shire is to prepare a monthly Financial Statement for approval by Council.

The format for monthly reporting was introduced by the Department of Local Government from 1 July 2005; the change was implemented to provide elected members with a better idea of operating and capital revenues and expenditures. The requirement is for a Statement of Financial Activity with a report detailing material variances. The Financial Report presented includes this as well as other statements and supplementary information.

Section 6.4 of the Local Government Act 1995 requires that financial reports be prepared and presented in the manner and form prescribed in the *Local Government (Financial Management) Regulations*. Regulation 34 has been amended to require that Councils report on the sources and applications of funds on a monthly basis and that the report be noted by Council.

Comment:

Attached for consideration is the completed Monthly Financial Report.

The document attached includes Statements of Financial Activity by Program, and Nature and Type, Notes to the financial statements, an explanation of material variance as well as a summary of bank account balances at 30 June 2019, loan repayments, and reserve account status.

In accordance with the *Local Government (Financial Management) Regulations*, a report must be compiled on variances greater than the percentage agreed by Council which is currently 10% or \$10,000. With the report prepared at program level, comments have been made regarding variances. A nil variance is equal to 100%, meaning that the year to date actual is identical to the year to date budget. Comments are therefore provided where variance values are <90% or >100% and the dollar variance exceeds \$10,000.
