## SHIRE SUPPORTING LOCAL BUSINESSES

Local governments in regional areas tend to have a significant influence on their local economy due to their geographic isolation and smaller markets. The Shire of Coolgardie acknowledges that it makes an important contribution to improving its economy beyond 'roads, rates and rubbish'.

As per the Shire of Coolgardie's Community Strategic Plan – an identified aspiration is for a "Thriving Local Economy" to be achieved by building economic capacity by "supporting local businesses in the Shire."

With the recent employment of Mia Hicks as the Shire's new Executive Manager of Economic Development and Projects, there is now capacity on the team to drive more economic development activities for the benefit of the Shire and its businesses. Mia has a driven passion for the Shire and its up and coming projects.

Previously Mia owned MH Consulting which assisted community groups, state government departments and local governments with business and strategic planning; business case development, community consultation and project planning.

Message from the Shire President  
August 2019

The St John Country Primary Health Initiative in Kambalda is gaining momentum, with the introduction of the GP Telehealth Service to be conducted two days per week at the Kambalda Medical Centre. This service will provide additional assistance for Kambalda residents and should anyone require further information, please contact the medical centre staff. Along with the community transport vehicle service, which is due to commence at the end of July, I believe the partnership between the Shire of Coolgardie and St John will bring long term benefit to our community.

Shire staff and councillors conducted three community forums and presentations to residents from both Coolgardie and Kambalda during the past weeks.

The first of these was a workshop in Coolgardie to outline the progress on the Shire waste facilities and future requirements for waste management by our consultants Strategen and Australian Venture.

The second event, called the "Community Conversation" and held at the Coolgardie Recreation Centre, attracted a good crowd of 30 residents eager to hear the Shire proposals to improve and upgrade Bayley Street, view the Post Office Precinct redevelopment and the plans of the proposed Truck Transit Park. Most people took part in the discussion and contributed with their suggestions for these proposals. From here, staff will review the plans, make suggested alterations and present to the community again.

Lastly, councillors and staff hosted nine members of the Kambalda community at the Kambalda Recreation Centre on July 9, where the CEO gave a presentation on the progress of the swimming pool project, the long term financial plan, and rating and budget information. Should any further information on these sessions be required by any resident, please contact myself or CEO James Trail.

Councillors and staff have been working diligently on budget preparations during the past weeks, with staff working overtime preparing the necessary documents for Council discussion at the series of budget workshops that have been held. As a result from these workshops, Council was in a position to consider adopting this year's budget at a Special Meeting of Council on July 30.

During these past weeks, councillors and staff have spent many hours reading through the Shire Local Laws, Delegations and Policies which have all been reviewed and updated in consultation with Steven Tweedie from Conway/Highbury. This comprehensive work has taken some time to complete, however it is a good result for the Shire in that possibly for the first time ever we have aligned the Shire Policies and Delegations so that they are working parallel together.

Myself and Economic Development Manager, Mia Hicks, travelled to Leonora recently as part of a Regional Council Initiative partnering with the Goldfields-Nullarbor Bio-Security Group to investigate the management of large feral herbivores on the pastoral leases in the Goldfields-Nullarbor regions. There were 28 attendees from Wiluna to the Shire of Dundas who came along to share their experiences and discuss future actions and initiatives that can be taken in an effort to reduce the damage these animals (camels, horses and donkeys) are contributing upon the management of these pastoral leases.

Another issue being discussed with the GNRBA at moment is the control of cactus in the Shire, with outbreaks of various cactus varieties throughout the region spreading into the townsites. Shire staff along with the GNRBA are developing a strategy which will hopefully reduce these populations of cacti surrounding the townsites in the future.

### **Shire of Coolgardie**

From the desk of the CEO  
August 2019

Hi everyone,

It was a very busy, fun-filled school holidays for the children and youth of our communities this July, with heaps of activities and something to suit everyone. Thank you and well done to our recreation and resource centre staff as well as local service providers including YMCA, Headspace and Centrecare for putting together such a fun and creative holiday program.

We hope everyone enjoyed the school break and began Term 3 relaxed and refreshed. Don't forget that numerous activities continue throughout the term, with storytime, junior gym, and visits from YMCA and Headspace on offer at our recreation centres and parks.

With the recent employment of an Executive Manager of Economic Development and Projects, the Shire, in collaboration with Business Local, will be hosting new business networking and workshops this year.

In Coolgardie, we have already seen an uptake of businesses requesting one-on-one meetings with Business Local and in Kambalda, we are hosting our first ever business over coffee event, on the 20th of August. If you have a business or just a business idea, let the Shire shout you a coffee at Oil and Spice, starting at 9am.

It's exciting time for the Shire of Coolgardie with a number of our economic and community development infrastructure projects commencing. Tenders have recently closed for the Lady Loch Truck Bay and the assessment process is underway. Information will be presented to Council at the August council meeting.

The Shire has recently engaged a Project Manager as its first step towards the revitalisation of our historic Post Office Complex in Coolgardie. With funding received from the Federal Government and Lotterywest, the spaces will be activated to increase tourism through the development of new visitor and gallery spaces and will provide new areas for community and business development activities.

Take care,

James Trail  
**Chief Executive Officer**

## Upcoming Shire of Coolgardie Ordinary Meetings

## How to report a faulty street light

Got a faulty streetlight on your street? Simply go to the Western Power website and follow the prompts to report it online, or by phone on the number listed below.

Western Power will then arrange to have it repaired or replaced.

To report a broken, flickering or otherwise faulty streetlight:

- Go to [www.westernpower.com.au](http://www.westernpower.com.au) and click on 'faults and outages'.
- Follow the prompts and on the interactive map, find the faulty streetlight. Select it, click on 'next' and fill in any additional information, your contact details and then click 'submit'.

If you are unable to report a streetlight problem online, you can phone the Western Power streetlight direct line on 1800 622 008. You will need to have noted down the streetlight number (posted on the light's pole) to tell the customer service representative. If you are unable to get the pole number, provide the customer service representative with the exact address, or as much information as possible to identify the location of the pole so Western Power staff can find it and provide the necessary repairs.

Western Power installs and maintains streetlights on behalf of most local councils. Councils control the location, brightness, and the number of streetlights in their area. Main arterial road lighting is installed and maintained by Main Roads Western Australia.

Western Power says that for streetlight faults in major regional centres (eg Kalgoorlie), repairs are normally made within five working days, and nine working days in rural areas.

# What's on at the Kambalda public library

*Come and explore your local library this month*

## Free reading packs for newborns and first readers

It may be daunting reading to your newborn for the first time. Pick a book that you remember from your childhood to make it less awkward and build a connection with your child. It is like singing to them - very beneficial and crucial for their ability to learn basic literacy skills, teaching different sounds, words and language.

*"Children are made readers on the laps of their parents."* -  
Emilie Buchwald

Start your child's collection of books with a free Better Beginnings reading pack available to all families in Western Australia and collect it from your local library in Coolgardie or Kambalda today if you had a newborn in 2018 or 2019.

Better Beginnings is an initiative developed by the State Library of Western Australia as a family literacy program in partnership with public libraries, local governments, health professionals and schools.

The aim of the program is to build awareness of the value of reading and sharing stories with young children from birth. The reading packs come in a handy yellow carry bag that may transform into your little ones first library bag, providing lots of information and resources for parents and children to explore.

## Free library memberships

Did you know signing up for a library membership is **free** and

entitles you to amazing resources such as unlimited inter library loans, as well as Borrow Box (free app with access to ebooks and audio books at the click of a button). Signing up is as easy as filling out a form. Ask your friendly recreation centre or library staff for more information. Let the borrowing begin!

## NEW! After hours book return

Are you lacking in time to return your books during opening hours?

Make use of our after hours book return located in the foyer of the Kambalda Community Recreation Facility, to the right of the library entrance, outside of the MyGov self-service point. Return your items when the facility is open to customers of Oil and Spice Cafe' or visit the stadium on Sundays and finish off the last pages of your favourite book while enjoying a cuppa and getting the family out and about.

## What's on in August?

August 1st, 8th, 15th, 22nd and 29th: Term 3 Storytime at 9.30am. Held weekly during school term, \$2 per child.

August 5th: Meet the Authors event at 1pm. Join Michelle Diener and Claire Boston who will be talking all things books and writing.

August 29th: CBCA Book Week Storytime "Reading is my secret Power" at 9.30am. Dress up in your favourite superhero outfit. Morning tea and fun activities provided; \$2 per child.

# The streets of Coolgardie

*Do you know the story behind the name of your street?*

## Part One

In August of 1893, Coolgardie was announced a townsite as the population had grown rapidly. Development had to keep up. Proper streets were being formed and obviously these streets needed to be named.

The naming of the streets in a townsite was left to the person doing the surveying and it was clear the men who surveyed Coolgardie had broad vision and were of a generous nature, resulting in wide streets providing plenty of room for the pedestrians, camel trains, coaches, wagons and bicycles. Not surprisingly, our streets were named after some of the great pioneers of the country who had an impact on Coolgardie.

The initial survey of the town was done by Mr. R Gledden in 1893 and provided for 148 town lots. From south to north, these streets included; Woodward, Bayley, Sylvester, and Lindsay. From east to west; Renou, Finnerty (later changed to Ford), Hunt, and Lefroy.

**Woodward Street:** Named for Mr. Harry Page Woodward, who was a government geologist. His extensive knowledge of geology took him all over the state. He was once described by the editor of the 'British Australasian' in 1897 as "a man with high attainment, extensive local experience with such a sound, trustworthy character".

**Bayley Street:** Named for Arthur Wellesley Bayley, a prospector with an adventurous spirit and the qualities of a bushman and leader. He teamed up with William Ford while in Southern Cross and they decided to venture east to the Gnarlbine Soak area which was reported to be very good prospecting country.

**Sylvester Street:** Named for Sylvester John Browne. He was a mining magnate, adventurer and keen sportsman who played a prominent part in Australian life. Within mining circles, pastoral and dairying life, his name was well known. He travelled and lived in many parts of the

PHOTOGRAPHY BY BILLY MAYALL

country throughout his life, and in 1893 he, along with Mr. Gordon Lyon, purchased Bayley's Reward from the original owners.

**Lindsay Street:** When news spread of the discovery of gold at Coolgardie, David Lindsay, who was a surveyor and explorer, overlanded camels here and sold them profitably. He then resumed operating as a mining surveyor and broker. He made over £20,000 in share dealing.

In 1895 in London his acclaim as an explorer helped him to publicise Western Australia's golden potential and he floated several mining companies and became colonial manager of Scottish Westralia Ltd. Next year he was again in London arranging finance for his firm, Electric Power Supply Co., to provide electricity to the goldfields.

**Continued P9**

*“Charles Adrian Renou (for whom Renou street is named) organised two teams laden with water and dispatched them northwards to meet the men who he knew must return or perish.”*

The generous, wide streets of Coolgardie.

#### From P8

**Renou Street:** Charles Adrian Renou was the officer in charge of water supplies when, in 1893, two men reported the discovery of gold 112km to the north (now known as Siberia).

With inadequate water supplies at the find men rushed to the new discovery regardless of the risks. Renou organised two teams laden with water and dispatched them northwards to meet the men who he knew must return or perish. It's said he did these things before advising his department and may have been reprimanded afterwards. But Charles Adrian Renou was the unsung hero of the ill-fated Siberia rush.

**Ford Street:** As one of the founding fathers of Coolgardie, it's only natural that he has a street named after him. He was a seasoned prospector who first met Arthur Bayley some years before in Croyden, Queensland. It was Ford who picked up the very first nugget in the area and also stayed behind at the camp while Bayley reported the

claim to Warden Finnerty in Southern Cross.

**Hunt Street:** This street is named after Charles Cook Hunt, a surveyor and explorer. From January 3 to October 4, 1865, C.C Hunt opened up the interior of WA to explorers by building and linking a series of 26 wells, tanks and dams for 500kms from the east of York to as far as Lake Lefroy. It later became known as Hunt's Track and was the main route to the Eastern Goldfields.

**Lefroy Street:** Henry Maxwell Lefroy was an explorer and also a superintendent of the Fremantle prison from 1859-1875. Lefroy and another explorer named Landor completed an expedition to the Goldfields in 1863, where the party passed through areas such as Bruce Rock, Dumbleyung and Coolgardie. They trekked for a total of 85 days, including four days with no water, before returning to York. Lake Lefroy was named by the explorer C.C Hunt in 1864 after Lefroy, who would have seen the lake during his visit.

*So, who was your street named after?*

## Cherished team member takes well-earned retirement

For those who don't know Gaynor, she is one of the kindest, most dedicated and hardest working women you will ever meet.

Gaynor has worked with the Shire at the Coolgardie Visitors Centre and Museum for the past two years, after previously working at the Visitors Centre for 12 years and then taking a short break for retirement.

She has shown so much pride in her work with the collection at the museum and has maintained all the exhibits to a high standard.

Gaynor is a friendly and welcoming person, who always greets staff and tourists with the warmest hello and is up for a good conversation – so long as she has her cup of tea!

If something needed to be set up, fixed or moved in the building or in the collection, she was right there ready to take action, willing to help in any way

During the Warden Court's restoration process, Gaynor was determined to get things done as carefully and as quickly as possible, making sure the priceless exhibits were handled with care. This couldn't have been done without her!

Over the past couple of years, Gaynor has done an amazing job organising our archives for us, making it easy to look for anything and everything we might need in the future.

All the staff at the Shire would like to say a huge thanks to Gaynor and all the work she has done for us over the years. Working with Gaynor has been a joy and we will miss her so much!

Gaynor, we wish you all the best on your travels and hope you enjoy your retirement.

# Exciting activities keep holiday kids busy

What a great turnout of excited kids we have had during this winter's school holiday program hosted by the Kambalda Community Recreation Facility.

## Robot masters

The program kicked off with a tricky robot masters activity on Monday, July 8. We divided the children into groups and set up a robot solar car making station, as well as a variety of robot crafts of all kinds ranging from making robot flip books, completing robot activity books, make your own robots (with a lot of gluing and colouring in going on). Some children took their solar-operated cars home to build while others helped their pals once they had finished their own. What a great team effort and little master builders we had that morning.

## Cooking

Cooking, which is one of our all-time favourite school holiday activities, saw our master chefs come together for some "bread in the bag" and pizza scroll making.

There was exploring of textures, mashing and weighing the correct amount of ingredients to make that perfect loaf to take home. The pizza scrolls, on the other hand, required a lot more team work, and in the end some delicious ham

and cheese scrolls filled everyone's little tummies.

## Drive-in movie

Who doesn't remember sitting in the car with the big screen showing a good old classic movie, no seat belt, head rest back and the sound coming through your own radio?

Certainly not today's young generation, so we took a chance of bringing the experience to them - and what a cool, fun-filled crafty morning was had by 32 kids. They made their very own car with a cardboard box, paper plates and a bit of glue. We even had number plates to go with it. Warm popcorn and pretzels were served and made the experience even more exciting.

They may have been not so road worthy after the 1.5-hour screening of *Thunder and the House of Magic* anymore and yet majority of the kids insisted on taking their handmade cars home.

## NAIDOC celebrations

To celebrate NAIDOC week, we focused on Indigenous inspired air-dry clay art, bark dot painting as well as a variety of native animal colouring in. Such amazing master pieces were created and taken home.

**Continued P13**

## From P12

The stadium was set up with a long line of art and craft stations as well as a display of indigenous literature and a word scramble, and the by far most exciting set up of Drum Beats hosted by the lovely team from Goldfields Centrecare. Everyone enjoyed making some noise with the fabulous echo created in the stadium.

What a wonderful way to acknowledge the annual NAIDOC week celebrations in our small community.

## Bunnings craft

There is never a dull moment when Justine from Bunnings brings her craft box to Kambalda. Our school holiday kids had the best time making trucks, boats and cars from scratch. Thank you so much for making it yet another exciting DIY morning.

## YMCA & Headspace Boredom Busters

A free, four-hour action-filled event was held on the second last day of our holiday program. A total of 100 kids from Coolgardie, Kalgoorlie and Kambalda enjoyed the giant inflatable set up in the stadium, a variety of fun social sports and activities, all rounded up with a sausage sizzle

at the end. The staff from YMCA and Headspace certainly kept all kids on their toes and made it a day to remember. Thank you for your amazing support to all who attended, we can't wait to repeat it again soon.

## YOGA & rain sticks

For the end of the holidays we decided to bring back Fiona Buckley's Yoga for Kids as it was a big hit last term. Such a beautiful, gentle way to wind down from two weeks of action during the school break.

We made some pretty amazing rain sticks using empty paper towel tubes, rice and twigs and decorated them each with a personal touch. During the yoga session the children imitated the sound of rain as a relaxing, calming way to meditate with some simple poses.

Thank you Fiona for showing the kids the fantastic benefits of yoga and being such an inspiring and knowledgeable teacher.

We hope you all enjoyed the activities we had on offer and are already looking forward to having you back for the next holiday program in spring.

# Shire driving economic growth through local business

## From P1

In its five years of operation, the company achieved well over \$60M in funding and contracts for clients. Highlighted projects include the Coolgardie Post Office Complex, Kambalda Aquatic Facility, Lucky Bay Campground, Ray Finlayson Sporting Complex, Williams Bay Campground, and the City of Kalgoorlie's Central Hannans Redevelopment.

Originally from Canada, Mia fell in love with the Goldfields on her first trip back in 2005 and convinced her Kalgoorlie born and bred husband to relocate back home from Brisbane to Kalgoorlie.

With two children in tow, she has since built a significant network of community and professional organisations - holding board positions on the Goldfields Women's Health Care Association, the KCGM Community Reference Group, the Kalgoorlie-Boulder Chamber of Commerce and Industry and the Goldfields Esperance Community Trust.

On July 24, 2019, the Shire introduced a new business support initiative with Mia and Sharni Foulkes, Business Local, visiting businesses in Coolgardie and Kambalda to find out what local businesses need assistance with. These meetings led to an uptake of six follow-up appointments for assistance – primarily around digital marketing. Stay tuned for a "Business over Coffee" event that will bring businesses together to talk about all things business in both Coolgardie and Kambalda. A number of other new business events and one on one meetings will also be held in the coming months.

*By Mia Hicks, Executive Manager of Economic Development and Projects*

## Project management workshops for staff

The Shire of Coolgardie, as part of its engagement of a project manager for the Kambalda Pool, will receive specialised project management workshops to build the capacity of its team.

The training will provide SOC managers with a sound understanding of the process, management skills for small projects, and the ability to contribute effectively to larger technical projects, ensuring the Shire is always getting value for money.

## Slime and sparkles at Headspace craft session

The team from Headspace has been coming out to Coolgardie every Tuesday to spend time with the youth in the community.

Taysharn, one of the Headspace team members, gets the kids doing all sorts of arts and craft, painting, drawing, colouring in and more.

This session is a great place for kids of all ages to come and socialise, interact in a supervised environment and creatively express themselves.

On Tuesday, July 23, the group made their own slime out of PVA glue and lots of glitter! This was a very messy but fun and rewarding activity that all the youth loved.

At the end, everyone had a tasty cheese and ham toasted sandwich and had their own slime to take home.

Come on down to the Coolgardie Recreation Centre on Tuesdays from 3pm-4.30pm and join in the fun with the group!

If you have any questions, contact the Coolgardie Community Recreation Centre on (08) 9080 2111 or Headspace Kalgoorlie on (08) 9021 5599.

# Games galore for Coolgardie children

Lots of school holiday fun was had in Coolgardie this winter

## Pizza and movie session

We had 20 children and three Centrecare ladies come and watch the movie *Dumbo*.

They all enjoyed the movie, and had lots of mini pizza and popcorn. It was a huge turnout for this event, and the movie was a winner among all ages.

## Sports at the Coolgardie Oval

For this event we walked to the oval and played a bunch of highly competitive games of Red Rover (I actually won once!) Then we had a bean bag toss relay and some free play with the soccer balls.

We had a surprise visit from three of our local police officers, Rob, Chris B and Chris N to join in the fun. We ended the program with a sausage sizzle back at the recreation centre and everyone received a chocolate for their efforts.

## NAIDOC craft

For this creative activity the children got to paint Australian animals, get crafty with some Australia-shaped scratch boards and do some taped canvas paintings in traditional land colours. The artwork was really great!

The children then got to decorate some freshly made cookies to look like the Aboriginal flag. They looked awesome and tasted delicious. We finished off the event with some board games, card games and some free time in the playground.

## YMCA in Coolgardie Park

We had a great turn out for this event, with children coming along for some fun in the park. Centrecare brought some children out from Kalgoorlie to enjoy the day too. YMCA had giant inflatable bumper balls that the children could get inside

and bounce off each other in. Then they had some chalk bomb wars, followed by a basketball game and a yummy sausage sizzle lunch. The children had a fantastic time!

## YMCA trip to Kambalda

On the second Wednesday of the school holidays, Coolgardie children were lucky to have the chance to go to Kambalda on a free excursion with YMCA! Emma, our bus driver, drove us to the Kambalda Recreation Facility where the children had the sports hall all to themselves, along with youth from Kambalda and Kalgoorlie. There was a giant bouncy castle obstacle course, games, art and craft, basketball, free time and a sausage sizzle.

## YMCA Trip to Kalgoorlie

The very next day after the YMCA Kambalda trip, Coolgardie youth had another opportunity for a road trip! This time, to Kalgoorlie YMCA, where the children got the chance to run around at YMCA's awesome facility, doing rock climbing, sports, gymnastics and painting.

Our youth always enjoy this day out and we can't wait to hold it again next school holidays! A massive thanks to the guys at YMCA for having us.

# Pet focus from Ranger Services

Have you recently taken on the joy of owning a pet or just moved to town with pets?

If you answered yes, are they microchipped and registered with the Shire of Coolgardie?

If you answered yes again, then high five to you and thank you for being a responsible pet owner.

If you answered no, then here's what you need to do:

1. Arrange with your preferred vet to get this done or organise a time and date with our local Ranger, Kevin, aka "Wombat", to have your pet microchipped at a cost of \$65.
2. Gather your pet's details including their microchip number and sterilisation certificate.
3. Attend your local recreation centre with your pet's info and complete a registration form and pay the required fee as per below: *(Please note a 50% discount off the below prices are available for pensioners who present a valid pension card.)*

## Why register and microchip your pet?

- In the event of your pet getting lost or stolen, microchipping is an excellent way of identifying your beloved pet and being able to reunite them with their rightful owner.
- If for some reason your pet escapes and is found wandering, if it is wearing its collar with registration tag, the person who has found your pet can call the Shire and provide the tag number. The Shire can then attempt to contact you to inform you your pet has been found and can arrange to reunite you and your pet.
- In WA it is law that all dogs are to be microchipped and registered after three months of age, and all cats after six months age or on transfer of ownership. (See Cat Act 2011 and Dog Act 1976.)

## Have your details changed?

If yes, make sure you give the Shire a call on 9080 2111 or pop in and update your records. Office hours are Monday-Friday, 9am-4.30pm.

Please don't hesitate to contact the Shire for any further information on the above number.

SRW Publishing presents  
**SCOTT WHITAKER**

For an informative & entertaining talk to celebrate the release  
of his new book:

**RAILWAY HOTELS OF AUSTRALIA ~ VOLUME FOUR**

**Coolgardie CRC:**

**Monday 12<sup>th</sup> August at 6 PM, and**

**Tuesday 13<sup>th</sup> August at 10.30 AM**

In addition to detailing the history of local Railway Hotels, Scott's talk will cover the coming of the railway, the social development of Western Australia, researching tips, genealogy, local and state history, and publishing. The talk will be of great interest to local historians, researchers, genealogists and those interested in the past.

The coming of the railway was a major event in the history of many towns and cities across Australia. This is the story behind every Railway Hotel; and the social, economic and political themes that have shaped society over the past 170 years.

# Cops finally notch up win over CAPS

The annual COPS v CAPS basketball game took place on Tuesday, July 2, 2019 at the Coolgardie CAPS school.

Due to the Coolgardie rec centre's stadium being out-of-action following last year's hail storm, the basketball game was held at the CAPS school. The COPS won this year's game by one point, compared to other years when CAPS have dominated.

The game was nail-biting to watch and showed a lot of skills from police officers Chris N, Ben, Chris C and Rob. CAPS put up a fight and weren't going to go down easy. They showed some impressive slam-dunks, skilful dribbling and sneaky tackling skills!

The police would like to give a big shout out to the Goldfields Giants and Moran's IGA in Coolgardie for sponsoring the post-match sausage sizzle! It was a great day for all who attended to be a part of. We look forward to next year's game and what it will bring!

## chocolate self-saucing pudding

### INGREDIENTS:

- 100g butter, softened
- $\frac{3}{4}$  cup sugar
- 1 egg
- 1 tsp vanilla essence
- $1\frac{1}{4}$  cups plain flour
- 2 tsp baking powder
- 2 Tbsp cocoa

### Sauce:

- $\frac{1}{2}$  cup brown sugar
- 4 Tbsp cocoa
- 1 Tbsp cornflour
- 2 cups boiling water

### METHOD:

1. Preheat the oven to 180°C. Grease an ovenproof dish that will hold about 6 cups.
2. Combine the brown sugar, cocoa and cornflour for the sauce.
3. Cream the butter, sugar, egg and vanilla together. Sift the dry ingredients together and fold into the creamed mixture.
4. Scoop the mixture into the dish and sprinkle with the dry sauce mixture, then carefully pour over the boiling water - hold a spoon upside down over the pudding and pour the water over it to stop splashing.
5. Bake for 35 minutes or until the pudding springs back when lightly touched.

# Auskick kids play in front of thousands

Last month, Coolgardie Police Senior Constable Beck and Constable Byrne launched the Coolgardie NAB AFL Auskick program.

On Friday, July 12, 2019, 18 children from Coolgardie were fortunate enough to be given the opportunity to play football at half time during the Eagles vs Magpies game at Optus Stadium.

Support from the Shire of Coolgardie, who provided the community bus and financial backing for accommodation in Perth, made possible the 1120km round trip from Coolgardie to Perth.

Local businesses Moran's IGA, Coolgardie Yards, ChurchWest Coolgardie and the Lambert family provided food for the trip – a massive thanks to the donations, they were much appreciated.

The children got to see behind the scenes at the Optus Stadium, utilising the Fremantle Dockers warm up area. They met Rick 'the Rock' Eagle, before making their appearance after the light show at half time. The children ran onto the pitch in front of a whopping crowd of 56,251 people!

Senior Constable Beck, Constable Byrne, Sheree Forward, Leslie McNally, Gary Handley, Tony Reid, and Christie

Ashwin were the lucky helpers who led the children onto the pitch and organised the mini matches.

The trip wouldn't have been possible without the support of parents, and the local community who have backed this project since the beginning. NAB AFL Auskick is about developing the fundamental skills of football in a fun environment, while getting outside and socialising with other kids.

We would all love to thank the Coolgardie police for getting this together and making it happen. Without their support, this wouldn't have been able to go ahead. Thank you Coolgardie Police!

# Superheroes save the day at disco

To end the July 2019 school holidays with a bang, another community favourite - a Blue Light disco - was held at the Coolgardie Community Recreation Centre.

This disco's theme was 'superheroes', and there were some very super-looking costumes that rocked the dance floor. We had Supergirl, Power Rangers, Ironman, a Jester, Robin Hood and even Batman!

As usual, we held an earlier disco for the 4-10 years age group, followed by a later one for the 11-16 years group.

Both age groups had a great time playing games with the police, with the activities including limbo, musical bobs, musical chairs, the number game and more!

The Coolgardie police officers Chris C, Chris B, Rob and Ben were present on the night and had an awesome time with the kids. We were also fortunate to have two Kalgoorlie Youth Police Officers come out to interact with the kids. A big thanks goes out to Grant and Matt for taking the time out of their busy schedules to visit Coolgardie.

During the night, there were many prizes won and the kids loved the Avengers-themed lolly bags they got to take home. To finish off the event, a delicious dinner was provided by the Coolgardie Recreation staff and the talented Joy and Rose - thank you so much ladies for your baking, the kids loved it!

We would also like to thank the Coolgardie police officers for holding yet another successful Blue Light disco. We look forward to the next one - keep an eye out on Facebook and around town for details.

# BUDGET NEWS

2019/20

*Dear Shire of Coolgardie Community,*

Shire of Coolgardie Councillors and staff have again worked diligently to ensure prudent financial management with investment in core services such as roads, footpaths, parks and gardens, maintaining our buildings and the delivery of community services.

We are committed to ensure that the 2019/2020 budget builds on the Service Level Review adopted by Council in 2017/2018. Service Level Reviews are unique to local government and the Shire of Coolgardie is the only known local government in the State that has implemented this process throughout its organisation.

**The Service Level Review has resulted in better alignment of service delivery against community needs and expectations which provides fit-for-purpose services the community can afford.**

The Shire will end the 2018/2019 Financial Year in a strong position with more than \$1.2 million in unrestricted cash and reserves of more than \$3.2 million.

In addition to rate revenue, the Shire will again receive both Federal and State Government grants and contributions from other sources such as Gold Fields, Evolution, Alliance Minerals, Mincor, and Northern Star. This is estimated to be in excess of \$3.4 million with total non-operating grants equating to \$6.29 million.

Thank you to the 200 community members who completed our 2019 Community Survey which guided the Shire's investment into the requested services, programs and infrastructure.

*Malcolm Cullen*

**Cr Malcolm Cullen, President**

## Budget Overview

Rates enable the Shire of Coolgardie to deliver high quality services, maintain and enhance our facilities, develop new infrastructure, meet the needs of our community and encourage economic development across the Shire of Coolgardie.

## Our Community Strategic Plan Priorities

### ACCOUNTABLE AND EFFECTIVE LEADERS

#### Delivery of a responsible budget

has been achieved through the Service Level Review which created an estimated 2.6% efficiency dividend, keeping fees and charges low and streamlining administration by reducing salaries and wages and engaging experienced finance, planning, plant/fleet and road consultants on an as-needed basis.

#### \$100,000 investment into improved communication initiatives

including the redevelopment of the website and introduction of social media information, e-newsletters and community conversation days

### AN INCLUSIVE, SAFE AND VIBRANT COMMUNITY

**\$78,000 increased investment into youth services** including new staff, program delivery and youth strategies

**\$165,000 for local sporting clubs and community groups** through grant funding, in-kind assistance and access to facilities

#### \$185,000 increased investment into community health initiatives

including the provision of physiotherapy and medical services.

**Continued investment** into essential public services including an increased investment of \$85,000 into ranger services

### A THRIVING LOCAL ECONOMY

**\$290,000 investment into Economic Development** and activation plans to attract visitors, support local business and create jobs

**Support for small business** through the introduction of new programs and events

**Coolgardie Post Office Complex and Ben Prior Park Revival** to enhance visitor attraction and creation of new jobs

### EFFECTIVE MANAGEMENT OF INFRASTRUCTURE, HERITAGE AND ENVIRONMENT

**\$95,000 towards additional waste management staff** to facilitate increased tip hours

**\$350,000 towards improving parks and open spaces**

**Appearance of our towns** will be improved through increased investment into footpaths, verges, parks and gardens and rural roads

- Footpath Maintenance - 30% ↑
- Townsite Beautification (i.e. trees) - 15% ↑
- Parks and Gardens - 8% ↑

### INVESTING INTO ECONOMIC AND SOCIAL INFRASTRUCTURE

**Projects scheduled for commencement in the 2019/20 FY** with project values significantly offset by grants and sponsorships

- Kambalda Pool - \$3.5 million project value
- Lady Loch Transit Park - \$1.2 million project value
- Coolgardie Post Office Complex - \$1.7 million project value
- Ben Prior Park Revival - \$200,000 project value
- Road Renewal - \$2.97 million investment
- Kambalda Transfer Station & Coolgardie Tip - \$450,000 investment
  - Road Maintenance - \$800,000 investment
  - Industrial and Residential Land Development - \$100,000 investment

# Shire of Coolgardie

It is intended to make the following Local Laws:

## **Bush Fire Brigades**

The purpose is to provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of bush fire brigades in the district, and prescribe their respective duties. The effect is that the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of bush fire brigades in the district is prescribed, as are their respective duties.

## **Cats**

The purpose is to set a 'standard number' of cats that may be kept on premises, and areas where cats are prohibited. The effect is that persons must not keep more than the standard number of cats unless provided for by the local law, the Cat Act, or its associated Regulations or permit a cat to be in a prohibited area.

## **Cemeteries**

The purpose is to provide for the orderly management of cemeteries under the care, control and management of the Shire and to create offences for inappropriate behaviour within cemetery. The effect is that all persons in the administration of the cemeteries, burying deceased in the cemeteries, or otherwise providing services to or making use of the cemeteries, are to comply with the provisions of the local law.

## **Dogs**

The purpose is to make provisions about the confinement of dogs, control the number of dogs that can be kept on premises in the district, and to require removal of dog excreta. The effect is to extend the controls over dogs which exist under the Dog Act 1976 and Regulations.

## **Fencing Amendment**

The purpose is to amend the Shire of Coolgardie Bylaws Relating to Fencing and Obstructions at Intersections 1996 to reflect more up to date terminology and legislative references, and to increase penalties for some offences. The effect is that the Shire of Coolgardie Bylaws Relating to Fencing and Obstructions at Intersections 1996 are amended.

## **Local Government Property and Public Places**

The purpose is to regulate the care, control and management of property of and under the care, control and management of the Shire including thoroughfares. The effect is that some Shire property is set aside for particular uses, some activities are allowed only under a permit or under a determination, and others are restricted or prohibited. The local law also establishes offences for inappropriate behaviour in or on Shire property.

## **Meeting Procedures**

The purpose is to regulate the conduct of council, committee and electors meeting. The effect is that meetings of council, committees and electors are to be conducted in accordance with the local law.

## **Parking**

The purpose is to enable the Shire to regulate the parking of vehicles within the district and provide for the management and operation of parking facilities under the Shire's care, control and management. The effect is that a person parking a vehicle within the parking region is to comply with the provisions of the local law.

**Continued P39**

**From P38**

### **Repeal**

The purpose is to repeal local laws relating to Signs, TV Antennae and Masts, and Bee Keeping. The effect is that the local laws are repealed.

### **Waste**

The purpose is to regulate the storage, collection and disposal of waste and refuse from premises and on waste facilities in the Shire. The effect is that unless otherwise authorized, the storage, collection and disposal of waste and refuse within the Shire must be carried out in accordance with the provisions of the local law.

The proposed Local Laws may be inspected at the Shire offices at Irish Mulga Drive Kambalda, and Sylvester Street, Coolgardie and libraries at Barnes Drive, Kambalda and Sylvester Street, Coolgardie during normal opening hours or via the website at [www.coolgardie.wa.gov.au](http://www.coolgardie.wa.gov.au).

Submissions about these proposed local laws may be made to the Chief Executive Officer, Shire of Coolgardie, PO Box 138 Kambalda WA 6442 by 4 pm Monday 19th August 2019.

## **Shire of Coolgardie**

### **Notice of Fees and Charges Local Government Act 1995 Section 6.19**

The Shire of Coolgardie has resolved an amendment to the current Shire of Coolgardie fees and charges relating to building fees at the ordinary council meeting on Tuesday 25 June 2019. The new minimum fees prescribed in Schedule 2 of the Building Regulations 2012 represent a 7% increase, with minimums increasing from \$97.70 to \$105.00 as of 1 July 2019. As per Council Resolution #108/19

A copy of the amended Fees and Charges 18/19 may be inspected at the offices of the Shire of Coolgardie in Irish Mulga Drive, Kambalda, Kambalda Recreation Facility Barnes Drive, Coolgardie Community Recreation Centre Sylvester Street or on Council's Website [www.coolgardie.wa.gov.au](http://www.coolgardie.wa.gov.au)

# Your St John Medical Kambalda team

We have been a part of your community for almost nine months and would like to say thank you for supporting us. We also would like to briefly introduce you to your St John Medical Kambalda team.

Dr Deborah Adeyemi is the resident GP and is supported by the St John GP Telehealth team of doctors including Drs Tim; James; Max; Tanya; Mark, Rezza and Rob. You may have already met these doctors in the

Kambalda practice; either face-to-face or via our Telehealth machine, Agnes.

Our medical experts are supported by our local medical administration team. This team has a wonderful blend of practice and customer service experience and a great mix of fresh and familiar faces.

It includes Di Hollis and Kelly Hile (Joint Practice Managers); Jess Poke and Raywyn Yare (Medical Receptionists) and we are currently recruiting for a part-time nurse (so if you know anyone qualified, please put them in touch with us).

We look forward to continuing to meet the Kambalda community's medical needs.

'Consider Our Kids' is a program that invites local governments and the community to participate in raising the awareness of drivers to reduce their speed in built-up areas.

The 'Please Slow Down, Consider Our Kids' stickers are designed to be placed on the side of wheelie bins. The stickers act as a deterrent for speeding by providing a visual reminder to drivers to reduce their speed. As they are only displayed on bin collection days, it reduces the chance that drivers will become accustomed to them.

Call in to the Kambalda Community Resource Centre  
to get your bin sticker today.

■ The Kambalda Community Resource Centre is open Monday to Friday from 8.30am-4.30pm.

# Being responsible with your off-road vehicle

## Off-road vehicles (ORVs)

Having a dirt bike or buggy can be a lot of fun and the Shire of Coolgardie has plenty of areas to ride.

But, did you know that it is illegal to ride your dirt bike, quad or any other off-road vehicle on any land, including public land, without consent from the landowners?

Shire Rangers are patrolling and monitoring areas for misuse and appreciate your co-operation in this matter.

Please also be aware that off-road enthusiasts should transport their vehicles securely on a trailer or ute to their desired destination to avoid being a public nuisance and the possibility of being infringed.

Remember to always wear an approved helmet and other protective gear when using ORVs and please **STAY SAFE!**

If you have any concerns or detailed information on the misuse of ORVs, please contact the Shire on (08) 9080 2111.

## Dogs and cat registrations

Don't forget, if you register your beloved pet with the Shire of Coolgardie, you will currently only pay half price for the remainder of the 2019 registration year (expires October 31, 2019). Also, if your pet still needs to be microchipped we can arrange a time to get this done for you as well.

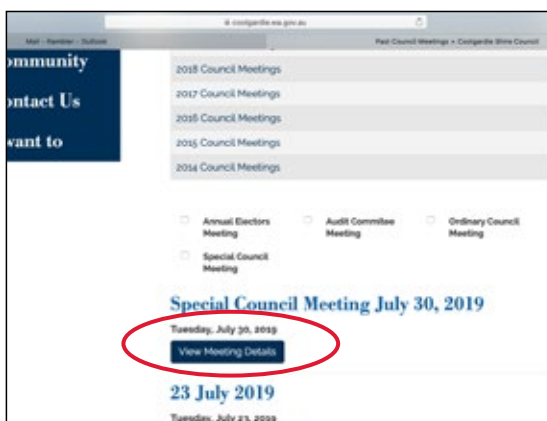

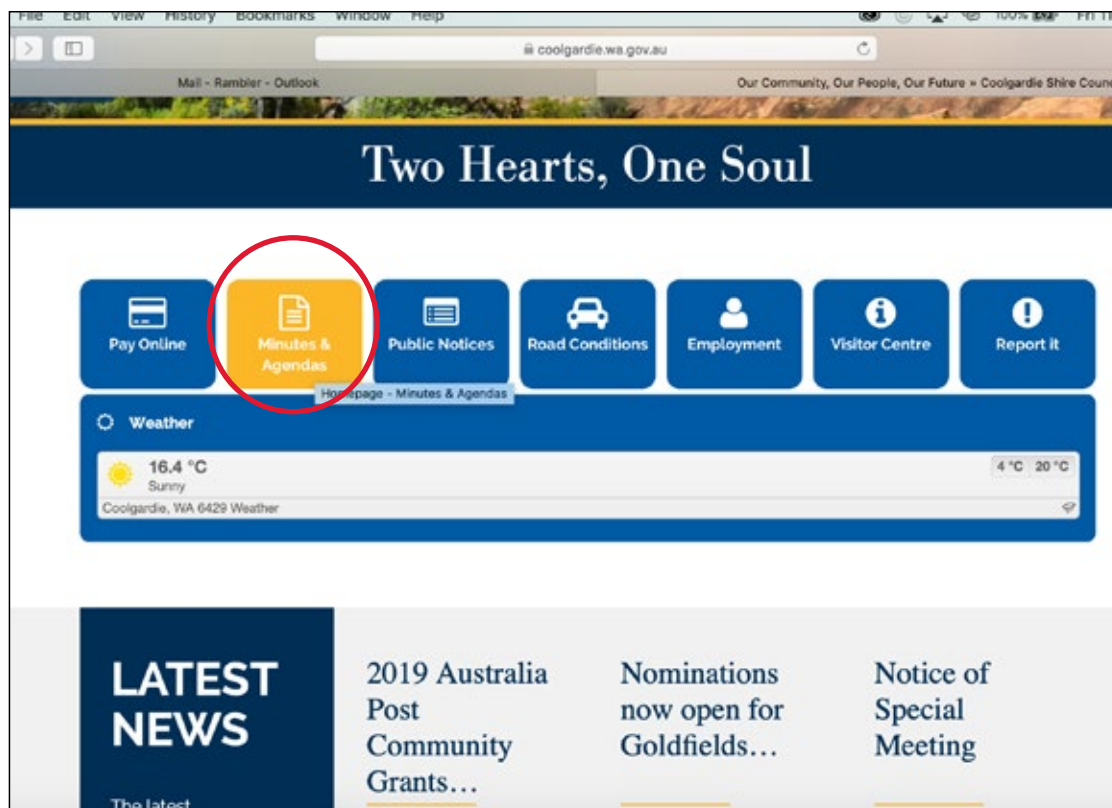

# Have you seen our new-look website?

## The Pastor's Pen with Bill Kirkland

The news has been full of opinions and reports about Israel Folau being sacked from the Australian Rugby team for his Twitter posts quoting from the Bible as to who goes to Hell. Israel's post has been labelled hate speech, hurtful and many other things. It has been noticed that those who claim not to believe in Hell are among the most offended.

The Scriptures reveal that the whole reason Jesus came to Earth, offered Himself up as a sacrifice, died a horrible death and then rose again, was so mankind could receive eternal life (John 3:16). The Bible is consistent in declaring that there is no one righteous, not one. In other words, all who want to inherit eternal life need to turn to the Righteous One (Jesus Christ). If man was able to go to Heaven without Jesus, then His sacrifice and death was in vain.

The whole idea of standing before a judge seems to be totally offensive to our current generation. We are a generation where every man seems to do what is right in his own eyes. If there is no judgment it means the paedophile who has never been caught gets away with it, the murderer who never got caught gets away with it, the wife basher who never got caught gets away with it.

The Bible declares that man is appointed to die once and then comes judgment (Hebrews 9:27). The gospel message declares that Jesus Christ took the punishment for those who turn to Him and have their sins forgiven. Yes, the message is old fashioned however, it remains true to all generations. The proclamation of the gospel should always come from those who don't see themselves as superior to anyone else but rather see the need for all to come to repentance.

# Brag about the must-see gems in your town!

COOLGARDIE WA, PHOTOGRAPHY BY CHUCK THOMAS

This exciting new project from Artgold,  
**Our Gems WA** celebrates the arts, culture and  
creativity in our Goldfields Esperance region.

Our website and accompanying app will provide an  
invaluable resource for visitors and locals alike to  
discover and access arts and culture opportunities  
available from Ravensthorpe to Eucla, Wiluna to  
Warburton and everywhere in between!

Supported by  
Royalties for Regions

Department of  
Primary Industries and

## What's on the horizon for Gems?

### Website

Designed as a comprehensive directory of all the arts and cultural organisations and attractions across our broad region, with an events calendars for each town. All the information in one place, easy to update and with easy access for each town.

### Phone App

Complimenting the website, the phone app will point out the must-see sites in our region. With engaging features and educational content, the app will get visitors and locals interacting with arts and cultural attractions in our region.

### Training

Training opportunities will be available for all Gems participants. From intensive on-the-ground training in your area, to 5 minute mini webinars that can be joined wherever you have an internet connection! We want to connect and upskill our arts professionals.

## How can you get involved?

To make sure your arts practice, attraction or organisation is included in this massive project, head over to the **Our Gems WA** facebook page and click on "Sign Up". Fill in the form to tell us what's special about the must-see gems in your town!
