

# Seniors Staying Connected

## Week 1

The Shire of Coolgardie initiated a Seniors Staying Connected Program after identifying the need to reconnect our senior residents with their community after the social implications COVID19 imposed. Free weekly activities are coordinated to help build their capacity to remain connected.

On Thursday 25 March, the Shire launched their first Seniors Staying Connected activity. Café 312 Kambalda hosted a group of seniors for a coffee, cake and chat which was enjoyed by 9 attendees. All have since signed up for future activities and had great suggestions for future locations.

## Week 2 & 3

Shire of Coolgardie staff assisted seniors with their grocery shopping in week 2. Food shopping is difficult for many seniors and all appreciated the assistance given.

We welcomed Coolgardie senior residents to join in on the bus trip to Warden Finterties in week 3. After the tour of the historical residence, a delicious Devonshire Tea was enjoyed by all 13 residents.

The bus was full of chatter and laughter and it was great to see everyone socializing and enjoying themselves and mixing with different people.
